The CENTENARY of REGAINING  
INDEPENDENCE of the REPUBLIC of POLAND

## LADIES AND GENTLEMEN,

**I**n 2018 Poland celebrates its 100th anniversary of regaining independence. For this reason the cover of the catalogue for the “Pride of Poland – Janów Podlaski Auction 2018” and “Summer Arabian Horse Sale 2018” is a reference to our national colours. The history of Polish Arabian horse breeding is closely linked to the turbulent history of our country. Repeatedly destroyed by the turmoil of war, always diligently rebuilt, each time surpassing the achievements of the previous era.

Recent years have brought many successes to Polish breeding worldwide, which confirms that the Polish Arabian horse breeding program, based on a 250 year tradition of nurturing this breed on Polish lands, is in full bloom.

Over the last seven decades the State Studs, under the care of the Polish State, have become a model of exemplary carried out breeding work. It was the horses from the State Studs that allowed private breeding to be restored in Poland and which today represents a world-class level.

The Polish Arabian horse fulfils the dreams of its breeders: brave and beautiful, strong and ambitious. The mares exude magical femininity, maternal subtleness and exotic beauty. The power and success of the Polish breeding program has been built on the experience and knowledge passed on from generation to generation and which remains our cultural heritage.

It is with great pleasure and joy that we welcome you to the 49th Arabian Horse Auction in Janów Podlaski. In the unique scenery of Janów Podlaski State Stud on Sunday August 12th and Monday August 13th we will present the most beautiful horses bred and born in Poland – 31 delightful mares and one proud stallion. For breeders and spectators it is a time of hard work, emotions and expectations. We hope that the beauty of the Arabian horse will deliver unforgettable experiences. We would like to wish all our Clients that Arabian horses bred in Poland bring their new owners plenty of successes and satisfaction.

The Organizer will deduct from the deposit an amount of 100 EUR or 450 PLN for the Buyer and 100 EUR or 450 PLN for each person accompanying the Buyer.

### BIDDING AND THE SALE OF THE HORSES

6. The Auction will be held in the form of a public auction, which will begin on the 12th of August, 2018 at 6:00 PM.
7. The bidding will be conducted in the usual way practiced at horse auctions. The bidding will be conducted in Euro. The minimum bid increment is 500 EUR (say: five hundred Euro), however the Auctioneer reserves the right to change the bid increment during the Auction.
8. Each horse has a reserve price, which is the minimum price for which the horse can be sold, set by the Owner. The reserve price will not be made public before, during or after the Auction. Each horse will be sold to the Buyer for its highest bid price, no lower than the reserve price, unless stated otherwise.
9. The bid purchase prices are net prices, which will be increased by the applicable VAT rate (8%). The VAT amount will be reimbursed to a Buyer that:
  - a. is an active VAT taxpayer, will provide a document confirming the possession

of a European Union VAT registration number and will confirm the intra-community transport of the horse;

- b. will present export documents confirming the export of the purchased horse out of the territory of the European Union, under the condition that the export procedure of the horse will begin on the territory of Poland and will end within 2 months from the date of making full payment for the sold horse.

10. The sale contract for purchasing a horse is concluded by the "fall of the hammer". The "fall of the hammer" by the Auctioneer is tantamount to an irrevocable concluding of the sale contract.
11. The Auctioneer reserves the right to refrain from accepting any bid, as well as to make any bidding null and void without giving a reason.
12. In case a dispute arises between two or more bidders the horse in dispute will be put up for bidding again starting from the highest price from before the dispute or the dispute will be settled in another way by the Auctioneer.
13. The Organizer reserves the right to withdraw any horse from the auction before or during the bidding without giving a reason, as well as reserves the right to put up a horse for bidding again if a sale contract for that horse is not concluded during the first bidding.

### DUTIES OF THE BUYER

14. The Buyer of each horse is obliged to:
  - 1) state the exact personal data and present an identification document or documents confirming the legal status of his/her business;

“fall of the hammer”, which will contain the subject of the sale, the price of the sale, details necessary to identify the Buyer, the signature of an authorized person;

- 3) pay the total contract value, deducting the deposit amount treated as an advance on the purchase of the horse, by wire transfer to the account of Michałów Stud (SK Michałów sp. z o.o.) acting in the capacity of Organizer **within 10 days counting from the date of the bidding** (domestic and European Union Buyers) or within seven days counting from the date of obtaining the results of veterinary tests allowing the transport of the horse abroad (Buyers from outside the European Union only);
  - 4) collect each horse purchased at the Auction at his own expense on the date and at the place specified by the Organizer.
15. If the Buyer fails to fulfil any of the conditions specified in point 14:

    - 2) he loses the right to the horse as though he would resign from the purchase;
    - 3) each horse and the offspring foaled after the Auction out of a mare described as “in foal” but not collected or not paid on time can be sold once again. In any case the sale may take place immediately or at a later time during a public auction or direct sale.
  16. The title of ownership concerning the purchased horses or the offspring foaled after the auction out of mares described as “in foal” will not be transferred onto the Buyer unless he pays the full purchase price of the horse together with other due amounts associated with these hereby conditions or other dues owed to the Organizer.
  17. The risk associated with the purchased horses together with their offspring foaled after the auction is transferred onto the Buyer with the “fall of the hammer” during the Auction.
  18. Collecting a purchased horse from the place of the auction is possible only

in case of immediate payment of the total purchase price by wire transfer to the bank account of Organizer.

19. After the Auction the sold horses will be stabled at the risk of the Buyer and at the expense of the Organizer up to 14 days after the auction. After this time the Buyer will cover the cost of stabling the horse at a price of 30 PLN (say: thirty Polish Zlotys) per day. Other solutions regarding transport or stabling the horses after the time specified in these hereby conditions will be regulated by individual agreements between the Buyer and Seller.

#### **RECOMMENDATIONS FOR THE BUYERS**

20. It is recommended that each Buyer carefully inspects the horses before the purchase. Each horse is sold “as is” and there is no guarantee under any condition of the sale that a particular horse meets the specific requirements regarding quality or is suitable for training, reproduction or other planned objectives.
21. Horses can be inspected in the stable from 9:00 am on the day of the Auction until one hour before the start of the bidding.
22. All horses are sold on the conditions specified by the Organizer in these hereby conditions. 25. Each mare described as “in foal” has a breeding certificate and a veterinary statement in written form confirming the pregnancy with the date of the examination. The certificate along

with its copy is available for viewing in the Auction office.

26. Each male horse incorrectly described as a “stallion” in the case of a unilateral or bilateral crypt-orchid is returnable, unless this has been indicated in the description of the horse.
27. Each horse which is a “weaver” or “box walker” shall be returnable, unless these vices are indicated in the description of the horse.
28. The Buyer has a right to return the purchased horses due to vices referred to in point 27 under the condition that: within 7 days counting from the date of releasing the horse the Organizer receives a written notice from the Buyer with a request to perform an inspection of a purchased horse in which one of the above mentioned vices is found or to conclude that the horse has not been correctly described in accordance with these hereby conditions.
29. Each horse, whose blood test results exclude the possibility of export shipment, shall be returned.

#### **RESPONSIBILITY**

30. All persons present at the Auction grounds during the Auction and events related to the Auction are doing so at their own risk. The Organizer of the Auction will not be held responsible for any damage to health or property suffered by these persons during the Auction or events related to the Auction.
31. The Organizer is not responsible for any losses or damages caused by any horse due to illness, accident or any other reason during its stay on the Auction grounds.
32. The Organizer is not responsible for damage of horses as a result of disease, accident or any other cause, from the moment of entering the Auction grounds and during the entire duration of the Auction, unless the particular horse is sold, which results in transferring the risk concerning the horse onto the Buyer with the “fall of the hammer”.

PALANGA is without a doubt the most decorated mare of the 2018 Janów Podlaski offering. Her pedigree is built around two iconic sires that defined Polish Arabian horse breeding in their time: the undefeated "King of the Ring" EKSTERN and EUKALIPTUS, both famed for their superly producing daughters. Palanga herself is already a dam to PADOVA, Wels International Reserve Junior Champion and Prague InterCup Senior Reserve Champion Mare.

Beauty runs deep in the genes of this family: Palanga is a full sister POLONICA, dam of PIACOLLA (Junior Spring Show Yearling Champion, Polish National Junior Champion, European Junior Bronze Champion, Junior Spring Show Silver Champion, European Junior Champion, Qatar International Arabian Horse Show Junior Champion, All Nations Cup Junior Champion, World Junior Top Ten Mare and PONTIA (Junior Spring Show Yearling Silver Champion, Al Khalediah Arabian Horse Festival Yearling Bronze Champion Mare).

Palanga's dam PANIKA, with a beautifully characteristic dense flea-bitten marking on her face, is an Autumn Show Senior Bronze Champion Mare from Janów Podlaski. She is a granddaughter of PLISZKA, the foundress of this family and progenitor of such champion horses as PREMIA, PREMIER, PREMIERA, PIACENZA, PRIMERO MARC, PRIMANUS QATAR & PORENA.

One of the flagship mares of Piewica's damline is the regal PILAR, Pilarosa's dam. A Polish National Junior Champion, PILAR ultimately bloomed in the breeding barn, producing a host of champion-winning offspring: Platinum World Champion PINGA, Polish National Junior Reserve Champion, International Bruges Senior Silver Champion Mare PINTA, Vilhelmsborg International Senior Reserve Champion Mare PIETA, Autumn Show Junior Top Five Mare PIBA, Junior Spring Show Reserve Champion Stallion PIZARRO & Pilarosa herself, as well as a granddam to a younger champion generation in the shape of POTENTILLA, PROMETIDA, PINIATA, PATERNA & PETULA.

Pilarosa's sire, AL ADEED AL SHAQAB, is perhaps the most famed Straight Egyptian stallion in the world. A six time winner of the Qatar International Arabian Championships, an All Nations Cup Senior Champion and World Senior Champion Stallion. In turn his sire, ANSATA HALIM SHAH, was one of the most influential stallions of the 20th century. From the world renowned Ansata breeding program, his pedigree reflects a combination of two of Nazeer's most famous sons: Ansata Ibn Halima and Morafic.

BAMBINA is an exceptional show horse, receiving a score of 94,67 (!) from the jury panel upon her debut at the Junior Spring Show in Białka, where she ultimately won the yearling gold medal. The show's highest score, as well as a full set of "20s" for type and movement from Arabian experts awarded on this occasion describe this mare better any words could.

Bambina trace directly to BANDOLA, one of Poland's legendary broodmatrons (and full sister to epoch-changing stallion BASK). Bandola is also the dam of the iconic sire BANDOS, however it is the females that have recently brought new fame to this family. Bambina's immediate relatives include BELGICA (Bełżyce Junior Reserve Champion Mare, Polish National Senior Top Five Mare, Autumn Show Senior Champion Mare & Best in Show), BERENIKA (Autumn Show Junior Silver & Bronze Champion Mare, InterCup Senior Bronze Champion Mare, European Cup Senior Silver Champion Mare, Ströhen Senior Bronze Champion Mare), BERNADETTA (InterCup Senior Silver Champion, European Cup Senior Gold Champion Mare, International St. Petersburg Cup Senior Bronze Champion Mare) & BALLENA (International St. Petersburg Cup Junior Silver Champion Mare).

PERIKA is the daughter of the late ESPARTO, Polish National Champion and multichampion from shows in the Middle East, considered an heir apparent to his sire EKSTERN. His greatest legacy is no doubt PERFINKA (All Nations Cup Junior Champion, European Junior Silver Champion, World Junior Silver Champion, Prince Sultan bin Abdulaziz International Arabian Horse Festival Junior Champion, Qatar International Arabian Horse Show Junior Silver Champion, among many of her accolades), but there are others to attest to his siring potential as well, such as EGIRIA, PERON, PERNAL & EGEMA.

Maternally Perika lays claim to the P-line of PIEWICA through her daughter PENTODA and Białka pillar broodmatron PERFORACJA. Perforacja produced one of the highest decorated stallions in Europe, the superb champion sire PESAL. More of Perforacja's champion produce include PLAGIAT, PERFIRKA (dam of the above mentioned Perfinka and PERNAL) and Perika's granddam PERFAZJA. Perfazja is also the dam of PELGRIMA (El Zahraa International Senior Bronze Champion, Travagliato Cavalli International Senior Reserve Champion) and granddam of PELMIRA (St. Petersburg International Cup Senior Gold Champion, Travagliato Cavalli Senior Silver Champion & Swiss Mountain Cup Senior Bronze Champion Mare).

PROSARIA is a granddaughter of PRUDENCJA, a class top five finalist from the Junior Spring Show and Polish Nationals, as well as Senior Reserve Champion Mare from the Summer Show in Warsaw. The two trace back to family founder PLISZKA, whose other champion descendants include PREMIA, PREMIERA, PREMIER, PORENA, PRIMANUS QATAR, PIACENZA, PRIMERO MARC, PANIKA, PALANGA, PADOVA, PIAWEA & PALBA. The Janów Podlaski Sales showed just how valued these horses are by international breeders – PANIKA earned 120 thousand Euro for her maternal stud, while PIACENZA brought in a staggering 475 thousand Euro and became the auction's top seller.

On the spear side of Prosaria's pedigree we find KABSZTAD, the royally bred son of Polish National Champion POGANIN and Platinum World Champion KWESTURA. Scouted out by Athbah Stud at the World Championships, he was leased to the Middle East and grabbed several important accolades: Al Khalediah Arabian Horse Festival Junior Reserve Champion, Dubai International Junior Bronze Champion & Sharjah International Junior Champion. Back on European soil he won the Polish National Junior & Senior Champion, European Junior Reserve Champion & four times World Top Ten titles.

POLKA is a sister to two successful show mares: POTENTILLA (Polish National Junior Top Five Mare, Prague InterCup Senior Bronze Champion Mare, Prague European Cup Senior Gold Champion Mare – Prague, World Senior Top Ten Mare) & PROMETIDA (Junior Spring Show Yearling Silver Champion Mare).

The stellar producing abilities of the sisters' dam PANONIA are the gifts of her regal dam PILAR, one of the leading continuers of the "P" line family of PIEWICA. A Polish National Junior Champion, PILAR ultimately bloomed in the breeding barn, producing a host of champion-winning offspring: PINGA, PINTA, PIETA, PIBA, PIZARRO & PILAROSA.

PILAR is by far the best daughter of the beloved broodmatron PIPI, Polish National & Elran Cup Champion, whose breeding accomplishments also greatly surpassed her show achievements. Throughout her lifetime she produced champion chief sires PILOT & PIAFF, champion daughters PYTIA, PISTACJA, PIKARDIA, and superb dams, who have gone on to prolong this incredible heritage: PILICA (dam of PALMETA), PILINA (dam of PILIN PSYCHE & PIBER), PRERIA (dam of PRIMERA) and PIPI's flagship offspring PILAR.

Alabama's show record consists of titles of Junior Spring Show Top Five Mare, Scandinavian Open Senior Bronze Champion Mare, Polish National Senior Bronze Champion Mare, Deauville Arabian Cup Senior Bronze Champion Mare & Best Moving Mare. She is a half-sister to two equally talented mares: ALTAMIRA (Junior Spring Show Reserve Champion Mare, Autumn Show Junior Reserve Champion Mare, European Junior Top Five Mare, World Junior Top Ten Mare, twice Polish National Senior Top Five Mare, World Senior Top Ten Mare) & ATMA (Wrocław Summer Show Senior Bronze Champion, Autumn Show Senior Silver Champion).

Alabama, Altamira and Atma's dam ALTONA, also boasts highly decorated siblings – these include ALHAMBRA (Autumn Show Senior Champion/Best in Show) & AMRA (Warsaw Summer Show Junior Champion/Best in Show, Polish National Junior Champion/Best in Show). They in turn are out of Junior Spring Show Champion Mare ALBIGOWA, the best producing daughter of family foundress ALGERIA, a favorite of the legendary Janów Podlaski director, Andrzej Krzyształowicz.

Bohema's sire EKSTERN is a horse which needs no introduction: a son of the remarkable MONOGRAMM and the highly prized bloodline of Michałów's "E" champion dynasty. His daughters are proving themselves as splendid producers and so has Bohema – she is the dam of BEGONIA, Arabia-Polska Warsaw Championship Junior Bronze Champion Mare.

Her superb qualities come not just courtesy of EKSTERN, but also Polish National Reserve Champion Mare BOROWINA, Bohema's great-grandam. BOROWINA's contribution to the breed includes exceptional racing sires BOHUN, BORYSŁAW & BOREK and capable show stars, as recently seen in BEDUIN (International Norwegian Champion Stallion, Danish & Ströhen Reserve Champion Stallion) and Bohema herself. Interestingly, BOROWINA is one of four Janów Podlaski cornerstone broodmatrons which occur as close as up to the fourth generation in Bohema's pedigree. The remaining legendary ladies include ARBA (dam of champion sires ARBOR & ARGO, racing's Triple Crown and European & Polish National Champion title holder ARRA), BANDOLA (dam of sires of merit BANDOS & BANAT) and EUROPA (Polish National Champion Mare, dam of show and race star EUROPEJCZYK).

Olita's stellar looks come courtesy of her Polish National Champion & US National Top Ten sire ECAHO. A son of Polish National Champions PEPTON & ETRURIA, stemming from Janów Podlaski's most precious damlines, ECAHO has been especially adept at siring some of the most feminine mares in Polish breeding history, proof of which are World Champion EMANDA & double Polish National Champion/Best in Show (both Junior & Senior) PALMETA.

The O-line of horses from Janów Podlaski are known mostly for their successes at the race track. The damline takes root in the legendary OFIRKA. Her daughter ORLA became "Quadruple Crowned" – winning the Derby, Oaks and Criterium St. twice. ORLA went on to produce the racing Triple Crowned ORGIA. Another racing great from this family is ORGIA FATA, who mirrored the successes of her great ancestors, becoming a SECOND "Quadruple Crowned" equine in her esteemed damline.

The damline of PIEWICA is known the world over, but there is also another, albeit smaller, P-line at Janów Podlaski that has rendered tremendous services for the Arabian breed. And PARIMALA is lucky to trace directly to one of the most significant broodmares in the history of Polish breeding, the immortal PARMA.

Born at Tersk, PARMA enriched Polish breeding with Egyptian influence via her sire ASWAN and grandson NAZEER, gifting the breed with an incredible number of 21 foals. Most importantly these included as many as five international champions and chief sires of considerable merit: European & Polish National Reserve Champion PARTNER, World Cup & Polish National Champion, as well as Race Horse of the Year PAMIR, German National Reserve Champion PASAT, Brazilian National Champion POLONEZ and Polish National, Swedish National Champion and World Reserve Champion PARYS.

On the spear side of Parimala's pedigree is POLON – a maternal brother to Platinum World Champion PIANISSIMA. His dam PIANOSA produced just four foals before her untimely death, making Polon an incredible reservoir of a priced gene pool.

PERLA is the daughter of the mare PEŁLA Janów Podlaski's leading producer of extremely valuable breeding horses, including several (!) chief sires. Perla is actually a maternal sister to mega show star POGROM: Junior Spring Show Gold Champion Stallion & Best in Show, Polish National Junior Gold Champion Stallion, US Triple Crown winner (Scottsdale Arabian Show Senior Champion Stallion & Supreme Show Champion, Arabian Breeders World Cup Senior Gold Champion Stallion, US National Senior Champion Stallion) and ultimately Polish National Senior Champion Stallion, as well as the most coveted chief sire in Poland today.

Pełła's other produce are significant even outside the Arabian horse community. Her other three sons: PENTAGRAM, POLIGON & PEDAGOG, have all been superb racing athletes and are readily utilized in sports-oriented breeding.

Interestingly, Pełła is a granddaughter of PESTKA, a descendant of Janów's P-line of PIEWICA, who established her own subline famed for producing chief sires. In recent years as many as nine from this branch were active in Polish breeding, both in the show sector (POGANIN, PORTO, PERSEUSZ, PEGASUS, PRADO, POGROM), as well as the performance division (PENTAGRAM, POLIGON & PEDAGOG).

MILIAN is a young champion stallion that has brought fame to his maternal stud at just four years of age. He is a son of LAWRENCE EL GAZAL, Austrian National Junior Champion Stallion from Wels and a Junior Champion Stallion from Kauber Platte, a stellar specimen from the breeding program of La Movida Arabians. Lawrence El Gazal is the owner of an incredibly royal pedigree, as he is sired by Platinum World Champion GAZAL AL SHAQAB and out of LARA EL LUDJIN, a mare specifically linebred to Canadian and US National Champion Stallion ALI JAMAAL.

On the distaff side of the pedigree Milian traces to family foundress DZIWA through his great-granddam MAESTA, a UK National and UK International Senior Champion Mare. Dziwa is a broodmare of historic importance, as she is the dam of foundation stallion OFIR, sire of the great four: WITRAŻ, WIELKI SZLEM, WYRWIDĄB & WITEŻ II, as well as MAMMONA (the Tersk ELITE graded broodmare), WŁODARKA (dam of PIEWICA), foundress of the P-line) & OFIRKA. Dziwa has also given rise to a host of courageous stakes winner, such as MAJOR, MEDYK, MEDYTATOR, MERON & MARWAN.
