In the world of Arabian horses—where elegance, heritage, and charisma are paramount—few stallions have captured the imagination of breeders and enthusiasts quite like Magic Magnifique.

With his striking black coat, sculpted head, and ethereal presence, this Arabian stallion has earned a reputation as one of the most captivating sires of his generation.

Magic MAGNIFIQUE

The story of Magic Magnifique starts in Italy in 2011 with his breeder Guiseppe Fontanella of Magic Arabians. He is the son of True Colours and out of the incredible mare Magic Mon Amour, which gives him an unique and highly desirable pedigree. His lineage combines the type and beauty of the straight Egyptian bloodlines with the charisma and motion of modern show horses. Already as a young colt, Magic Magnifique was discovered by Kathleen Olsen who guided Magic Magnifique on his first steps in the world of Arabian Horse breeding. It was under her guidance that Magic Magnifique flew to the US and became the 2014 Gold Champion Egyptian Heritage Stallion.

However it was his abilities as a sire that made Magic Magnifique stand out from the rest.

As his production grew, so did his reputation. Magic Magnifique has left an indelible mark on the international Arabian horse breeding community. He has been used by breeders across Europe, the Middle East, and the Americas, producing foals that inherit his type, color, and undeniable presence.

In 2020 he sired the colt WF Gawin who then continued to be the European Gold Champion yearling colt as well as winning Bronze with the junior colts at the World Championships in 2023. Though currently

on a breeding lease in the Kingdom of Saudi Arabia, he is scheduled to return for the upcoming breeding season, ready once again to leave his mark on the next generation of Arabian excellence.

Today, Magic Magnifique remains active and highly sought-after as a breeding stallion. His ability to consistently pass on his beauty, type, and unmistakable charisma keeps him in high demand among top breeders worldwide.

Since 2021, he has called Obi Training Center his home, where he continues to impress visitors with his regal presence.

Whether in the breeding barn or under the lights of a show arena, Magic Magnifique lives up to his name—he is truly magical and magnificent. □
