The Stud Klikowa Arabians is located in the place where all modern breeding history has begun, and where most of the successful polish breeding program bloodlines started to expand, achieving world recognition. Without Sanguszko's family's involvement in Arabian horse breeding since the end of the 18th century and imports in the late 1800 and early 1900, the present Arabian horse World would not see such stars like Pianissima, Pinga which are not the only ones and not the last ones.

Decades later, Mr Marek Rzepka, the owner and former of the Klikowa Arabians stud enchanted by the beauty of the Arabian horse established his own breeding program, drawing by handfuls from the achievements of the giants.

After collecting several mares with unique pedigrees coming from the finest bloodlines not only polish but also international, and after achieving spectacular success with his home-breed mares, He realised that he dreams to breed a truly unique individual. The time for refinement has come. Finally, the beautifully established stud farm welcomed the spectacularly and boldly bred by Mr Albert Sorocco – promising stallion Lyric EA born in 2019.

Lyric EA is sired by Shanghai EA- son of WH Justice and out of Lyrica EA daughter of Shanghai EA out of Libanon Azadika.

The mother tail of this young stallion is filled with the legacy of the legendary Estopa mother of El Shaklan. The father's heritage does not require an introduction as Shanghai EA himself is for sure already a living legend being one of the most famous sons of „champion maker” WH Justice. The spectacular success of Shanghai EA has been achieved by his breeder Mr Albert Sorocca of Equus Arabians, when he exactly constructed his breeding potential while breeding WH Justice to Salymah EA, the mare with four generations of his own breed broodmares.

The spectacular achievements of Shanghai EA include 2011 European Gold Champion Junior Male, 2011 All Nations Cup Gold Champion Junior Male, 2011 World Silver Champion Junior Male, 2014 Bronze Champion Senior Male Mediterranean & Arab Countries Arabian Horse Championship, 2016 Gold Champion Male Dubai International Arabian Horse Championship, 2016 Silver Champion Senior Male Mediterranean & Arab Countries Arabian Horse Championship, 2019 Gold Champion Senior Male and Best in Show Male at Mediterranean & Arab Countries Arabian Horse Championship; 2019 World Silver Champion Senior Male and recently, 2022 Gold Champion Senior Male Dubai International Arabian Horse Championship.
