Michałów Stud is the home of a multitude of champions, but is without a doubt most known for its highly decorated members of the „E-dynasty” stemming from the iconic broodmatron EMIGRACJA. A WAHO Trophy honoree for an outstanding individual of Polish Arabian breeding, EMIGRACJA produced the exquisite daughters EMIGRANTKA & EMANACJA and gave rise to several generations of champion winners, which continue to keep the family legend alive. Two of EMIGRACJA's female descendants that shone especially bright in the 2020 season are the young EL MADERA (Morion – El Medonia/Shanghai EA) and the experienced EMANDORISSA (Abha Qatar – Emanda/Ecaho).

The delightful EL MADERA, today a two year old, had a stellar show debut in 2020. She won her class at the Junior Spring Show in Białka, the doorway to a show career in Poland, and a couple of months later reached for the Polish National Yearling Silver Championship after securing a class win with a score of 92,17 pts in Janów Podlaski. EL MADERA is sired by Michałów's very own MORION – a World Junior Gold Champion Stallion, Qatar International Junior Champion Stallion and a double Polish National Junior & Senior Gold Champion Stallion, among his many show accomplishments and also the sire of the sensational FERRUM: 2020 Białka Junior Spring Show Yearling Champion, Polish National Yearling Champion & Best in

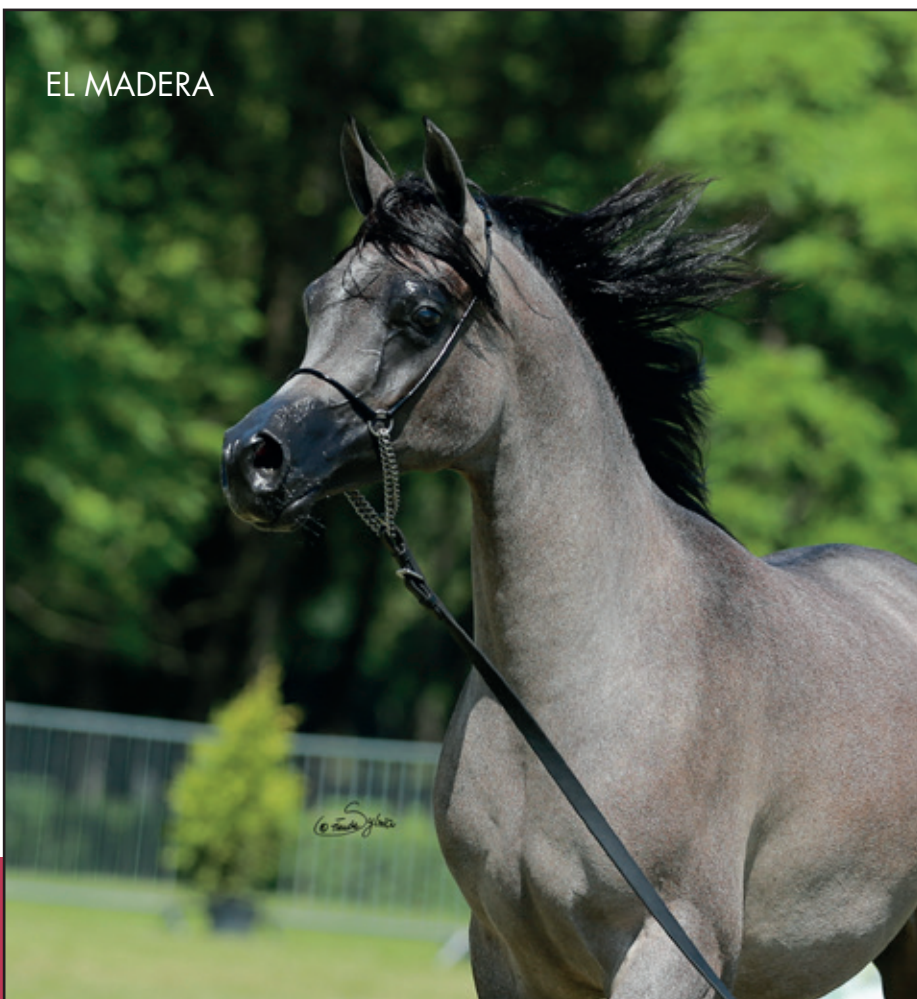

Show and European Yearling Champion Stallion. Maternally, EL MADERA is a direct female descendant of EMIGRACJA via her ethereal daughter EMIGRANTKA and the latter's world-famous daughter EL DORADA. EMIGRANTKA, Polish National Junior Reserve Champion Mare, European Junior Reserve Champion Mare, European Senior Champion Mare and Polish National Senior Champion Mare, remains one of the pillars of Michałów's famous E-dynasty of champions. She is the dam of champion chief sire EMIGRANT and EL DORADA, one of Michałów's greatest show achievers as Junior Spring Show, Blommeröd, Polish National & European Junior Champion Mare, who as a senior added the following honors to her collection: European Reserve Champion, All Nations Cup Champion, Polish National Champion, World Reserve Champion, European Champion, US National Champion, Scottsdale Reserve Champion, European Reserve Champion, All Nations Cup Reserve Champion and PSAIAHF Reserve Champion at the end of her career. EL MADERA, a direct great-granddaughter of this phenomenal mare and just at the beginning of a beautiful show career, is sure to follow her progenitor's footsteps.

EMANDORISSA is in turn a seasoned show mare at the prime of her life. She is the Junior Silver Champion Mare from the 2015 Al Khalediah European Arabian Horse Festival, a 2019 Polish National Senior Top Five Mare and an

absolute stunner in 2020 when she became Polish National Senior Silver Champion Mare and European Senior Silver Champion Mare. Her sire is ABHA QATAR, a well-known show champion from the Middle East, winner of the Qatar International Show and the Prince Sultan Arabian Horse Festival, among others. Whereas her dam is none other than Michałów's esteemed broodmatron EMANDA, making EMANDORISSA a maternal sister to the one and only EMANDORIA.

EMANDORIA is a living legend and an absolute Queen

of Michałów Stud. Her beauty exceeds boundaries, as she has been crowned champion mare in Europe, America and the Middle East, including World Champion, European Champion, US National Champion, Arabian Breeders World Cup Champion, Polish National Champion, All Nations Cup Champion, as well as multiple champion from international shows in Abu Dhabi, Dubai and Sharjah. EMANDORIA has also received two "lifetime achievement awards" of the highest calibre: the WAHO Trophy for an outstanding Arabian individual and World Platinum Champion Mare.

The dam of both EMANDORISSA and EMANDORIA – EMANDA – is a champion mare in her own right as Junior Spring Show Reserve Champion, Bábolna International Junior Champion, Polish National Junior Reserve Champion, All Nations Cup Junior Champion, All Nations Cup Senior Reserve Champion, European Senior Reserve Champion, World Senior Champion Mare & twice Polish National Senior Reserve Champion Mare. EMANDA is further a maternal sister to a slew of champion winners, such as EMILDA, EMANTA, EMANOR, ESPADRILLA and EMPIRYKA. All these horses are out of the unforgettable

EMANACJA - Polish National Junior Champion, European Junior Champion, World Junior Reserve Champion, Polish National Senior Reserve Champion, All Nations Cup Senior Champion, Polish National Senior Champion Mare – another magnificent daughter of family foundress EMIGRACJA.

The heritage of EMIGRACJA continues to live on. Her descendants in the shape of EL MADERA and EMANDORISSA are living proof that the future of this family is more than bright. □
