

Aj Bintan

Sired by the "Champion Maker" Wh Justice and out of World Champion producer RGA Kouress, Aj Bintan is a promise to greatness and success. Purchased by Sheikh Ammar Bin Humaid Al Nuaimi of Ajman Stud at only a week of age, Aj Bintan seemed to be something special from the very beginning. His incredible "look at me" attitude in such a small and young foal captured the eye of Sheikh Ammar and his trainer Frank Spönlé. And they knew that a cross between such great producers had to be something spectacular. And time proved them right. Aj Bintan was exported to Ajman and at his very first show he was named Junior Champion, defeating the tough competition at one of the most difficult Middle Eastern shows, in Abu Dhabi. His success continued in Dubai, where he was named Bronze Champion Colt and more recently Silver Champion Colt at the prestigious Elran Cup. But Aj Bintan is not the only son of RGA Kouress in the ownership of Ajman Stud. His half brother Aj Fenjan, sired by Ajman Moniscione is already making his way following his brother's footsteps. He won his class at the Menton show as well as at the Elran Cup and he is maturing into a marvellous young colt. And only a couple of months ago Ajman Stud was blessed with the arrival of a beautiful bay filly purchased in utero, sired by Ajman Moniscione and out of RGA Kouress. A true family of champions.

Aj Bintan will be taking the challenge at some of the most important European shows. He will soon compete at the 2010 All Nations Cup in Aachen and later on you will see him at the World Championship in Paris with his handler Frank Spönlé. Aj Bintan has a bright future ahead, both as a show horse and as a breeding stallion, as he embodies all the qualities that made his sire and dam famous worldwide. In this occasion we would like to thank Mike and Peri of Wilson Training Center and Markelle Arabians for allowing us to have such precious gems as Aj Bintan, Aj Fenjan and their young little sister.
