

AHO World Cup 3-4 August
AHO Breeders' Championship Europe 5-6 August

Chantilly 2017

***A**lso this year the rendezvous was in Chantilly, the French city of horses.*

The news of the year was the new location: as a matter of fact, we have been guests of the Polo Club du Domaine de Chantilly, close to the city center.

As it was a brand-new venue for Arabian horses and nobody of us knew the location we made an interview with the General Manager of this great equestrian center, Mr. Benoit Perrier, asking him details about the Center, as you can read in the box.

While Europe was suffering for a heat wave that involved almost all the cities in the south, in the north of France we enjoyed a gentle warmth and a mild weather that gave pleasure to us and to the horses that were participating to the championships.

From 3rd to 6th August the AHO World Cup at its third edition and the sixth edition of the AHO Breeders' Championship Europe were held in Chantilly.

The competition was doubtless stronger between the breeders as the horses shown in the AHO Breeders' Championship Europe represent the result of all the efforts made during many breeding seasons.

TuttoArabi has always appreciated the initiative organized by HRH Prince Abdulaziz bin Ahmed bin Abdulaziz Al Saud, chairman of AHO and its members as Mr. Ahmed Abdelrazek, Dr. Mohammed Machmoum, Mr. Essam Abdulla, Dr. Salem Al Barraq and Mr. Ward Bemong, who imagined and launched all over the world competitions exclusively dedicated to Arabian horses owned by their breeders.

During the first two days the AHO World Cup was held and even if the number of horses entered was not large the number of breeders and owners from worldwide who attended the competition was impressive.

As always the atmosphere was great and the managing of the VIP table was entrusted to professional hostess. A tasteful

catering delighted everybody and was taken care in all its details.

The Show Technical Group was guaranteed by the professional support of Mrs. Fredericke Kopp and her competent staff: music and sound design by Mr. Lars Blaak, speaking by Mrs. Myriam Dat (French) and Mr. Erik Blaak (English), computer scoring by Mrs. Nablaa Baraka and Mr. Mossaab Chahouad.

Enthusiast Media Partners were: TuttoArabi Magazine, Arabian Essence, Saudi Press Agency and PR Media Mrs. Ally Nelson.

The AHO World Cup was judged by Mrs. Claudia Darius, Mrs. Anna Stojanowska, Mr. Josy Everars, Mr. Greg Gallun, Mr. Majed Mahajawi and Mr. Mohammed Oussidhoum. For both shows Dr. Mohamed Hammad was impeccable as the Ring Master, as Mrs. Malak Benamar, Mrs. Line Brunsgaard and Mr. Gerard Oben were in their role of managing handlers and horses.

During 5th and 6th August the awaited AHO Breeders' Championship Europe was held with the double number of horses entered and more affluence to the tables. That was the most supported show as everybody there asked for the best breeder and the best horse who they will probably meet in next shows in Aachen or in Paris.

The judges invited to judge the Breeder's Cup were Mr. Jerzy Bialobok, Mrs. Christina Valdez, Mrs. Christina Valette, Mr. Mark Gamlin, Mrs. Ingela Gyllenkrok and Mr. Nasser Moustaba. The technical staff remained the same.

Many of you certainly watched the streaming of the shows. But the atmosphere that can be experienced being in life in Chantilly was special and irreplaceable. So we suggest you to book your seat at the next edition of these two unmissable shows.

Enjoy the great pictures by Mrs. Henrike Hoermann and Mr. Ricard Cunhill. □
