INTERNATIONAL ARABIAN HORSE SHOW

Under a cloudy sky, threatening but clement, Souppat Family was once again ready to invest in the Show that has been honoring France and the city of Vichy for 6 years, even in a situation in which sponsors are not so strong anymore as they once were.

Also this time Mr. Daniel Souppat, the show patron and President of the french ACAS (Association du Cheval Arabe de Show) and his wife Christiane warmly welcomed the participants to the Vichy International Arabian Horse Show B.

Under the patronage of His Highness Mohammed Bin Saud Al Qasimi, the show was held on 22th and 23h July in an enthusiastic atmosphere inside the Equestrian Stadium of Sichen, an ancient venue, elegant and well equipped with restaurant and boxes. A lavish place as well as the people it hosted.

This year the show celebrated his 6th anniversary as an international B Show Echao. And the show was really international with a very high level of horses. This years 15 Coutries participated and we noticed a great presence of Italian and French horses.

At 9 a.m., Saturday the show began on time with yearlings, colts, fillies and mares classes, all judged by the A class judges Mrs. Eberhard Sylvie (German), Mr. Marek Trela (Poland), Mr. Machmoum Mohamed (Maroc), Mr. Cedés Bakker (Nederland) and Mr. Marc Veray (France).

The ring master was Mr. Alain Ladek, who everybody remembers as the ring master in red uniform at the Paris show.

The Arabian sound designer was Mr. Hassan Valsan. The Secretary Office was managed, loyally and professionally as always, by Mrs. Christiane Durand-Souppat that was really eccelent in every moment. Delicious luches and dinners were offered to the officials during the 2 days event. This year the streaming and the scoring on the video were managed by Arabian Horse Results and the speaking were committed to the voice of Mr. Arnaud Bertero, at ease in the show. The DC they was Mrs. Serenella Zerbini Santoro (Italy), Mrs. Malak Benamar (Morocco) and Mr. Gijs Eggin (Belgium).

The sumptuous Gala Dinner - fish and lobster-based - was offered by Mr. Souppat and the show main sponsor Albidayer at the Celestin Hotel's park restaurant. The magic atmosphere arised from the voice of Mrs. Bridget and the three musicians who accompanied her at the piano, violin and accordion offering to the guests a special "Tzigano" night.

Enjoy the pictures by Mrs. Paola Drera, which are here below showing the champions, their owners and breeders and some moments from this fantastic event.

Next year Tutto Arabi will be for sure present once again at this great show. Our thanks

goes to the organizers who strive all years for offering to their guests the best show and hospitality possible. And they do it!

They deserve the best support by the City of Vichy and by all to continue to give us this traditional summer appointment with Arabian horses.
