Ecaho International B Show 29th - 30th July 2017

In the frame of the scenic Abbey Ten Bogaerde in Koksijde, Belgium, thanks to the aptitude of Mr. and Mrs. Detailleur together with their daughters, and to the sponsors' support, on the 29th and 30th July 2017 the annual edition of the West Coast Cup took place in Koksijde, in the North of Belgium.

This stunning seaward town is the special location of sport events of importance like the West Coast Cup, the Duinencross Koksijde Cyclo Cross and the Uci Cyclo Cross World Cup.

The Museum of the Abbey of Ten Duinen in Koksijde explains the religious and cultural role that this church has had in the history. It shows the daily life of the cistercian monks since the time of their settlement in 1107 until the

death of the last monk in 1833. The archeological site has been restored and is now visible from the road that leads to the sea. The attic of the museum contains a remarkable collection of liturgical silver ware.

The British Military Cemetery (1940–1945) bears witness to British sacrifices in the Battle of Dunkirk (Dunkerque), 10 km far from Koksijde.

The shoreline in the area of Koksijde is the only place in the world where horseback shrimp fishermen still ply the shallows along the coast for a special variety of grey shrimp from late-June to early September. The special variety of shrimp, known as grijze garnalen, turn up in Belgian specialities like tomate-crevettes (tomato-filled shrimp soaked in marie rose sauce).

In other words, there are many reasons why coming here. This year the Vip area was full and on Sunday the whole event was full of people even normal public .

The first and main one is that the West Coast Cup, which included Egyptian Event and Ecaho International B Show, is one of the best organized Arabian horse shows. In addition to that, this is an event teeming with attractive features.

Mr. Konrad Detailleur and his family accurately managed the two day competition. The judges invited were Mrs. Sylvie Eberhardt (Germany), Mr. Joao Oscar Guardia (Brazil), Mr. Sufian Taha (Palestine) and, just for the Egyptian Event, Mr. William Richardot de Choisey (France). The DC, Dr. Vet. Yves Scheirlynck (Belgium), Dr. Vet. Gianpaolo Teobaldelli (Italy) and Mr. Farhang Fazeli (Iran), remained the same for both competitions as well. The Ringmasters were Mr. Gerard Oben (Belgium) and Mr. Marnix Criel (Belgium). The international jury was a great team and worked well as most of the winners were unanimously awarded.

The streaming and the scoring were managed by Mr. Michael Steurs and Mrs. Marga Van Kessel (Belgium). The music was excellently mixed by Mr. Kristof Heymans (Belgium), playing along with the horses' performance. Mr. Guido Galle was the speaker.

An exquisite catering delighted the two day show and the VIP guests tasted delicious typical food and several sweet desserts during each category.

The show, that has been holding here in Koksijde for many years, was lavish this time more than ever. Among the many attractions, like the funny dog-race (Jack Russels and not only), there was the flying french man, Lorenzo, performing during the whole two day event. Everybody already knew him since his spectacular show in Paris. A lot of fun was also offered by the old cars parade.

74 horses competing and the international panel of judges made of this show a memorable event for all.

Many thanks to the organizers who run every time this event like one of the most fun of the year. The elegance together with a relaxed feeling is the secret for its success.

Our best congratulations go to the sponsors, which make the shows all around the world possible.

Next year everybody is invited to come here to Koksijde for the West Coast Cup taking the opportunity to visit the beautiful surroundings of the town.

Enjoy now the pictures from the show by Mr. Jan Kan.
