

EMIRATES

ARABIAN HORSE BREEDERS CHAMPIONSHIP

by Simone Leo ■ photos by Paola Drera

Thanks to HH Sheikh Mansour Bin Zayed Al Nahyan, Deputy Prime Minister and Minister of Presidential Affairs for His patronage, this year's edition of the Emirates Arabian Horse Breeders Championship was hosted from the 9th to the 13th of November by the "Abu Dhabi Equestrian Club". A special warm thanks go to the Higher Organizing Committee Mr. Essam Abdalla Al Hameerie, Mr. Adnan Sultan Al Nuaimi and Mr. Mohamed Al Harbi. It was a real pleasure for TuttoArabi to be present at such a remarkable event.

Surely everyone at the show felt the same way.

Our magazine has a strong cooperation with the Emirates Arabian Horse Society and following all the shows in Emirates is our must as Emirates are giving many champions to the world.

The Emirates Arabian Horse Society has once again organized a stunning show that animated the Abu Dhabi Show Ring.

The organization did its best to please and surprise all the guests and the attendants. Everyday the tables were decorated with fresh flowers and the VIP catering was of superior quality.

The topic of the show was a wall decoration with a breathtaking view of the Emirates Palace in Abu Dhabi, the most luxurious 7 stars hotel in the world.

Prizes were given up until the 10th position in each class and as every year substantial prize money was given to all the first 3 medals.

The amount of horses at this show edition beat all past records: more than 500 horses entered the show. For this reason the Organizing Committee decided to extend the show for an extra day.

Many thanks also go to the Show Disciplinary Committee (Dr. Sameh Bedair, Dr. Shadi Radwan, Dr. Abdel Wahab Ben Ali Amira, Dr. Mamdouh Hassan Fouad, Dr. Haitham Babiker Tayfour, Mr. Kaies Ben Hadi Ouelhazi, Dr. Farah Zouaghi, Dr. Umer Raza Gill and Dr. Sujeet Suryawanshi), to the Show Technical Group (Mr. Mohamed Al Harbi as the Show Manager, Dr. Sameh Bedair as the Ringmaster, Dr. Mamdouh Hassan Fouad as the Official Veterinarian,

Mr. Abdallah Albarmaki and Mrs. Nabila Al Ali as the speakers, Mr. Biju Peter as the Official Scorer, Mr. Youssef Al Rifaai as the Logistic Engineer, Mr. Pradeep Rajamani as the Assistant Logistic Engineer and Mr. Morafic Al Assaf as the Official Photographer), to the catering service and to all the assistants who accompanied us during the five days of the event. Thanks are also due to the technical group for their work which made the days spent together very special.

The judges in the ring were Mr. Dough Dahmen (USA), Mr. Eric Gear (France), Mr. Marc Ismer (Germany), Mrs. Ann Nordenn (Sweden), Mr. Fausto Scanzi (Italy) and Mrs. Anna Stojanowska (Poland). They all worked extremely hard to select and to award the winners among the many horses competing.

Congratulation once again to the speakers Mrs. Nabila Al Ali and Mr. Abdallah Albarmaki who managed the 5 days with a great and clear voice in english and arabic.

Under a sunny sky and in a warm atmosphere the VIP tables were quickly filled by the guests and the judges started the Abu Dhabi Breeders Championship.

The ringmaster Dr. Sameh Bedair strove hard to manage the large number of classes, some of which were composed of up to 20 horses.

The Organizer Committee respected the schedule and all the rules and restrictions were well understanding by the participants.

That's the way to manage a great event such as the Emirates Arabian Horse Breeders Championship.

At the end of the Championship everybody was excited while awaiting the stallion competition and you could feel the adrenaline running through the spectators.

Hoping that our readers have been able to get a taste of the Emirates Breeders Championship experience by reading this article, we will leave you now to the beauty and elegance of the winners. The horse pictures were taken for Tutto Arabi by Mrs. Paola Drera.

Next year we hope to see you all in Abu Dhabi for the 2018 edition of the Emirates Arabian Horse Breeders Championship. One of those unique events definitely worth experiencing live! □
