The 4th World Straight Egyptian Arabian Horse Show was held in Vermezzo (Italy) on 15th and 16th October 2016.

After one year of break the World Straight Egyptian Championship returned in the show calendar as one of the most important appointment of the year. Tutto Arabi and Desert Heritage were proud to be the media partner of this edition that was a real success in the perfect location of Centro Ippico di Vermezzo. 5 stars boxes, perfect ring and organization, vip buses for the judges, luxury scenery: this was the spectacle offered by the organizing committee. The

World Straight Egyptian Championship was created by Dr. Francesco Santoro and since its first edition the goal was offering to the straight Egyptian breeders the chance to have their own World Championship. As the organizing committee told in its message in the show catalogue the number of the straight Egyptian Arabian horses is about 4% of the total number of the Arabian horses in the world. Even if there is a small amount of breeders of this line, they are capable of great passion and professionalism in maintaining these ancient and important bloodlines handed down to us through the centuries. The show has the goal to bring the breeders to show their beautiful horses and to exhibit their

abilities, and to connect all the fans. We are glad to have the same vision: our magazine *Desert Heritage* is the only one magazine in the world totally dedicated, since 2001, to the straight Egyptians.

The show edition was improved thanks to the addition to the committee of 2 specialists of the show organization: Mrs. Christiane Chazel and Mrs. Dominik Briot. The show, under the patronage of Al Babtain Stud from Kuwait, was really a big success.

Thanks to the live streaming even the people not present at

the show appreciated the efforts of the organization and the greatness of the horses showed.

This show is the most important Straight Egyptian event in the world, peerless in Italy for the importance of the VIP area, perfectly managed, and the perfection in service.

Many breeders from worldwide participated at the event. In the future the Organizing Committee in cooperation with the organizers of other shows will realize a **STRAIGHT EGYPTIAN GOLD CUP** circuit dedicated to the Straight Egyptian horses involving 7 locations around the world.

The first place will be Sharjah (Sharjah Straight Egyptian show), then Kuwait (All Nations Cup Egyptian Arabians), Qatar (International Straight Egyptian Show), Egypt (Cairo National Championship), the USA (Egyptian Event Lexington), Germany (Egyptian Event Europe) and the great final at the Straight Egyptian World Championship in Vermezzo (Italy).

In the article you can find a box with the rules of this special

and very promising event, the Straight Egyptian Gold Cup, that in our opinion will help even more the Straight Egyptian Market that is one of the most active nowadays.

Regarding this edition of the Straight Egyptian World Championship the Organizing Committee was composed by Mrs. Christiane Chazel and Mrs. Dominik Briot (FR) assisted by Dr. Laura Mascagna (IT) as the executive secretary. For the music Hassan Vaksan (FR). Computer
