

EAHS National

On its 2th edition, the Ecaho National EAHS Championship reached the big number of 220 entries. This very well organized show as always is the last appointment of the season in Emirates.

The shows was held from 22nd to 24th March.

In Emirates Eahs has been organizing 10 shows per year and Tutto Arabi has been present in most of them. We must say that the organization by the Director Essam Abdalla Al Hameerie was outstanding. It was truly a great opportunity to be once again here in Abu Dhabi.

The National EAHS Championship is the only one show that Eahs organized with Ecaho affiliation. The rest of the shows in Emirates are organized without Ecaho affiliation.

That's really a great chance for breeders to compete in this show to grow in experience. Infact being judged by expert judges is really something that remains in mind.

Mr. Essam Abdalla put a lot of restrictions to let new breeders be possible winners.

This year a brand-new special award has been introduced: the Sheikh Zayed Award has been awarded to a bred and owned horse with the highest score in all the classes of the EAHS National Championship 2017. We would like to thank all the people who gave their contribution for the success of the show:
