

by Fabio Brianzoni ■ photos by Alessio Azzali

*I still remember of the first time Tutto Arabi was invited to be the media of Al Khalediah Festival ten years ago. Today the event has changed its name into Arabian Horse Show.*

*Every year the event has been becoming bigger and bigger. Just to give an idea, this year young artists exposed their artworks in a venue created on the occasion of the show and Mr. Ali Almimar, the artist who everybody knows for his wonderful paintings, held a painting master for the*

*enthusiastic participants.*

*A sort of fair for local artisans was set up in the field in front of the showground, together with an area dedicated to the families and to the relax.*

*Saudi Arabia is taking big steps forward not only in social terms but even in terms of public structures like the new tube, roads and buildings for the people. HRH Prince Mohammad Bin Salman bin Abdulaziz Al Saud is restructuring Saudi Arabia's economy as he officially announced introducing*

*Vision 2030, the country's strategic orientation for the next 15 years, in order to reach a sustainable development.*

*Thanks to Him and especially thanks to the Festival Chairman HRH Prince Khaled bin Sultan bin Abdulaziz and all the board of Directors, this wonderful event has been making possible, giving the chance to breeders and owners from all over the world to meet here in a lavish venue.*

*The location remained always the same, Tebrak, Saudi Arabia, 120 km from Riyadh. The Title A show was held as always in January, on 25th, 26th and 27th.*

*The day before the show, 24th January, in the beautiful location of the hippodrome, eight races were held and the*

*champions were awarded 250.000 € of prizemoney.*

*A rich amount was given to the Arabian horse show as well, giving prize to the top five of each class and the gold, silver and bronze champions.*

*Participants, also small breeders, had many chance to be awarded and for this reason every year the entered horses were many.*

*This year 265 horses divided in 16 classes reached the showground to try to be medalists.*

*8 judges were selected for this edition: Mrs. Claudia Darius (Germany), Mrs. Marianne Tengstedt (Denmark), Mrs. Cristina Valdes (Spain), Mr. Christian Moschini*

*(Italy), Dr. Mohamed Machmoum (Morocco), Dr. Marek Trela (Poland), Mrs. Sylvie Eberhardt (Germany) and Mr. Tommy Husebye (Norway).*

*The DC was composed by Dr. Malak Benamar (Morocco), Dr. Paolo Teobaldelli (Italy), Dr. Niels Ismer (Germany), Mr. Turki Mohammed Al Mugbel and Mr. Saad bin Abdullah Al Qassim (both from Saudi Arabia). Ringmasters were Mr. Philip Jenkins, the English man with the English bowler hat and Mr. Waleed Al Haddadi di Kingdom of Saudi Arabia, wearing a white suit and his best smile. As a speaker's voice is the keys of the success of a show, on this occasion were invited two of the most charming voice in the world: Mrs.*

*Nabila Al Ali from Kuwait and Mr. Mohammed Al Dosary.*

*Life streaming and results by Arabian Horse Results.*

*A show, a big Festival dedicated to the purebred Arabian horse and to all the lucky people invited on that occasion. As always TuttoArabi was proud and grateful to be among the people who had the chance, during these last 20 years, to be witness of the birth of new big shows like Al Khalediah Festival, and to contribute by using the media to fix on the precious paper of our magazine what happened and happens every day around the world about Arabian horses, also using the pictures by the photographers who use to work with us. We greet them, anywhere they are now. □*
