At the beginning of February Tutto Arabi was invited to attend the Kuwait International Show which this year has celebrated its 7th edition.

This is year the expectation was very high as the show was nominated as an A show and competitors arrived to Kuwait from all parts of the Nation, from Saudi Arabia and Qatar.

Kuwait City is the capital and largest city of Kuwait. Kuwait City is the political, cultural and economic center of Kuwait. It is considered a global city. Kuwait City's trade and transportation needs are served by Kuwait International Airport, Mina Al-Shuwaik (Shuwaik Port) and Mina Al Ahmadi (Ahmadi Port). Kuwait City has a hot desert climate and is one of the hottest cities in the summer on earth.

During February the climate was perfect to organize the

show, and the horses enjoyed to show themselves in the stunning outdoor arena.

Arabian horse breeding in Kuwait reached a great level and we had also the chance to attend many open days organized during the Festival.

The show event was organized in the amazing equestrian center Bait Al Arab.

When you think about a show in Kuwait immediately you think about Bait Al Arab and the show Director Mr. Abdullah N. Albraihi who as always organized the show the best way.

Perfect schedule, impeccable catering, the best service for Media and he took care of competitors and officials with dedication.

Kuwait now has reached a global level in maintaining, improving and promoting the Arabian Horse Bred.

Many new studs were created in the last year and many

Up to 800 spectators in total, making for a terrific atmosphere, and successful management had attended to every details and made the event a pleasure throughout for international and national participants. One of the highlights was the show arena, where technological perfection outperformed even the uppermost standard that audience, press, and participants might have expected to find.

others will born soon.

People in Kuwait are very friendly and we felt immediately welcomed, we are looking forward to attend the next show edition.

The show and the Open House tour made visiting a small but very important country as Kuwait which was a real unique experience.

During the two day show we had the chance to see 290 horses and we have to tell that the quality was really outstanding

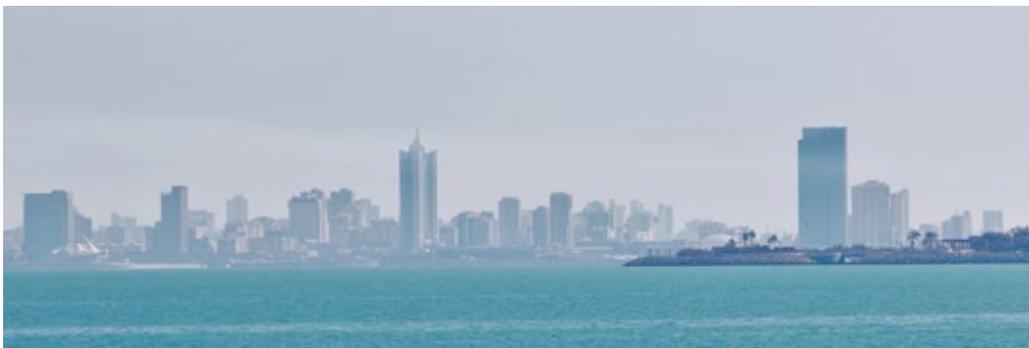

in most of the classes.

Thank you to all the Organizer, Arabian Horse Center – Bait Al Arab, its Chief Director, Sheikha Sarah Fahad Al Sabah, to the Committee Members and their Chairman Alaa Hamad Al Roumi, to the event manager Mr. Abdullah N.
