Ajman

The Ajman show sets the start to the new show season. And there could be no better start than a perfectly organized show, in the beautiful country of Ajman, that every year sees a great number of participants from all the Emirates. The quality of the horses has become through the years, very high. The horses competing in Ajman will go on and show at the highest levels in the Middle East and Europe. Like every year it's not only about the horses... the Saturday night saw a great entertainment and the presentation of the Ajman bred 2011 World champion filly AJ Sawahi. A tribute to this spectacular filly, proudly bred in Ajman, that went on to conquer the highest titles in Europe and in the Middle East.
