At the Equine centre in Indiatuba, Brazil, all Arabian horse enthusiasts came together for the annual Brazilian National Championships. Not only were there halter classes, but also western, cross country, barrel racing, show jumping and dressage for young and old. I will mainly write the results of the halter classes. Judges for the Nationals were David Boggs, Fabio Alberto Amorosino, Jaroslav Lacina, Merek Trela and Nasr Marei.

The show started with the fillies aged 6–8 months old, won by Xaklinna D Pscore JM (Pscore X Shaklina El Jahd HEC) – bred and owned by Jose Alves Filho – Haras JM. 2nd in this class was Valentine HVP (DA Valentino X Angel of Marwan) – bred and owned by Agropec Vila Dos Pinheiros.

Last but not least was the award given to the best breeder of the show, which was Jose Alves Filho of Haras JM!

During the show in the evening the annual Excellence auction was held at the showground. A big spectacle with food, lights and music. Breeders of all regions had entered their horses. Buyer of the horses in this auction were allowed to pay the horse in 40 times! That this way of financing was popular was proven in the results of the sale. All the horses changed owner! There were also breedings sold for the good cause of Children's cancer.

With this another successful edition of the Brazilian Nationals came to an end. A great show with a fantastic atmosphere and stunning horses! A great way to experience the Arabian horse world in Brazil! □
