Infatti, “buon Compleanno” perchè quest’anno, dal 21 al 23 Marzo, si è tenuto in Dubai, nel grande spazio del World Trade Center, la decima edizione di questo magnifico show. Sotto il patrocinio di HH Sheikh Hamdan bin Rashid Al Maktoum Deputy Ruler of Dubai questa fiera racchiude in se non solo uno show internazionale di importanza mondiale, ma anche un padiglione con stand di artisti, mangimi per cavalli, finimenti e attrezzature da equitazione. Inoltre quest’anno

Happy Birthday, because this year from 21st to 23rd March the World Trade Center of DUBAI celebrated the 10th edition of this memorable show under the patronage of HH Sheikh Hamdan bin Rashid Al Maktoum - Deputy Ruler of Dubai.

This venue is not only an important International world famous Show, but also represents a very important “show case” for artists, horse food suppliers, tack and riding accessories, etc. This year there was also a horse auction organi-

DUBAI INTERNATIONAL ARABIAN HORSE CHAMPIONSHIP

si è svolta anche un'asta per cavalli, organizzata da: Emirates Bloodstock. Facciamo quindi i nostri complimenti allo staff composto da Mr. Ziad Abdullah Galadari, Mr. Qusai Obaidalla, Mrs. Jennifer Malton, sempre gentile immersa in carte e impicci di ogni genere e tipo. Una speciale presenza per la buona riuscita dell'evento è stata quella di Mrs. Christianne Chazel e di Dominik Briot per coadiuvare l'organizzazione e la realizzazione di questo evento.

L'idea dell'asta è stata ottima e ha riscontrato un grande successo tra gli allevatori locali, prima assoluta a portare ben 69 cavalli la "Dubai Arabian Stud", poi a seguire: Al Shaqran Stud, Al Jazeera Arabian Stud, Al Shamokh Stud, Al Dhaffra Stud, Alfawares Stables e molti altri privati che hanno aderito a questa ottima iniziativa. Sempre grandi i numeri nelle manifestazioni che si svolgono nell'area Arabica, come è sempre grande l'ospitalità e lo

zed by Emirates Bloodstock.

Our congratulations go to the Staff in the persons of Mr. Ziad Abdullah Galadari, Mr. Qusai Obaidalla and Mrs. Jennifer Malton who is always very kind whilst struggling through paperwork and solving all sorts of problems. Mrs. Christianne Chazel and Dominik Briot were also present to assist the Organizers and contribute to success of the event.

The auction was a good idea and a great success for the local breeders. "Dubai Arabian Stud" brought along 69 horses and Al Shaqran Stud, Al Jazeera Arabian Stud, Al Shamokh Stud, Al Dhaffra Stud, Alfawares Stables and many other private individuals followed and took part.

There is always a large number of registrations in venues organized in Arab Countries. The hospitality is always very welcoming, the locations beautifully elegant. 242 Arabian Horses took part in this show, but the actual total

sfarzo e la bellezza dei luoghi.

Infatti nel Dubai International Arabian Horse Championship il totale dei cavalli presenti allo show è di 242 esemplari di PSA, per poi arrivare a 371 con il Racing, le Ridden class e l'Endurance.

L'organizzazione ha anche gestito benissimo gli orari, cercando di far terminare tutte le categorie in perfetto orario. Fantastica l'idea di far iniziare lo show in orario pomeridiano! Gli allevatori e i proprietari provenienti da tutto il mondo hanno potuto così visitare la bellissima e avveniristica città all'avanguardia davvero su tutto!! Ma parliamo dello show: innanzi tutto vige il regolamento del TOP Five, a giudicare sono stati convocati 8 giudici, Mrs. Joanne Lowe, Mrs. Anna Stojanowska, Mrs. Ann Norden, Mrs. Elisabeth Chat, Mr. Scott Benjami, Mr. Jerzy Bialobok, Mr. Konrad Detailleur e Mr. Willy Poth.

Come Ring Master una novità: Mr. Hassan Valsan che abbandona la consol musicale per entrare nel vivo a contatto con giudici, handler e cavalli. Il nostro migliore "in bocca al lupo"! Nel primo pomeriggio entra nel ring la prima puledra della categoria 1A, puledre di 1 anno.

Vince "BASMA AL MOHAMADIA" (Savio X Ballerina Bva) di HH Prince Abdullah bin Fahad (KSA). Al secondo posto "AJ BAHYA" (Marajj X Princess of Justice) di Ajman Stud (UAE). Sempre categoria puledre di

number of competitors in the Dubai International Arabian Horse Championship reached 371 with Racing, Ridden Classes and Endurance included.

The timetable was cleverly arranged by the Organizers who made a great effort to finish all categories perfectly on time. The categories took place in the afternoons which was an excellent decision. This way, breeders and owners who had travelled from all over the world were able to visit the beautiful and futuristic city of Dubai and all it has to offer!

Now, a few words about the Show.

First of all the TOP FIVE regulation was applied. Eight judges were on the panel: Mrs. Joanne Lowe, Mrs. Anna Stojanowska, Mrs. Ann Norden, Mrs. Elisabeth Chat, Mr. Scott Benjami, Mr. Jerzy Bialobok, Mr. Konrad Detailleur and Mr. Willy Poth. Ring Master for the first time was Mr. Hassan Valsan. Away from his music, he entered the life of the show in close contact with the judges, handlers and horses. "Good Luck" to him!

Early in the afternoon the first filly of category 1A for yearling fillies entered the show ring. The winner of this category was "BASMA AL MOHAMADIA" (Savio X Ballerina Bva) owned by HH Prince Abdullah bin Fahad (KSA). che X Queen Victoria Ga) owned by Abdullah Al Subaie and Sons (KSA), just half a point ahead of "FAKHR AL KHALEDIAH" (Marquis Cahr X Barah Al Khalediah), bred and owned by HRH Prince Khaled bin Sultan bin Abdulaziz (KSA).

The last category of this exciting day was for stallions 10 years and older. The winner was "MA SHADOW EL SHER" (El Sher-Mann X Calyenna El Jamaal). This beautiful stallion is one of the breeding jewels of Dubai ArabianHorse Stud (also his owner). Second place was assigned to "BS PAPARAZZI" (Kar Papageno X Sivka) owned by Abdul Mohsen bin Abdul-Malik Al Al-Sheikh. This brought an end to the second day of work for the team of judges.

Meanwhile, the Endurance and Ridden Categories (also divided into males and females) had taken place in the morning.

Now the most difficult part: the final Championship. It is always hard to decide who is to receive the GOLD, SILVER or BRONZE medals, but the decision of assigning this difficult job to eight judges leaves no doubts and balances the decisions made.
