**W**ith remarkable consistency and a steadfast commitment to superlative quality, the State Studs of Poland have unquestionably been setting the standard of worldwide excellence for the Arabian breed globally for the most of the 20th, and undeniably all of the 21st, centuries. As the annual Polish auction nears its half-century anniversary celebration, the influence of the Polish Arabian on the worldwide stage is at an all-time high, with Polish-bred horses, both from the renowned State Studs and the aspiring private breeders of Poland, achieving in elite show rings across all continents and impacting major breeding programs in all corners of the globe.

With high profile icons such as POGROM, PINGA, EMANDORIA, WIEŻA MOCY, EQUATOR & EL DORADA dazzling and inspiring judges, breeders and enthusiasts at major industry events in Europe, the Middle East and North America, it comes as no surprise that the international community is once again resoundingly reminded that Poland is THE source of worldwide excellence in terms of Arabian horse breeding. No country or program can rightfully boast decades of enduring success at every level from breeding horses to high-level performers in-hand and in performance. Just as the earliest Polish exports defined Arabian excellence in the United Kingdom, Spain, Germany, Russia and the United States in the 20th century, the modern-day Polish Arabian continues to raise the international standard of the Arabian ideal in nearly every major breeding program and equine competition globally in the new mil-

lennium.

As Poland is indisputably recognized as THE source of worldwide Arabian excellence, Polish Arabian Horse Days remain the single outlet annually in which the international community comes together to celebrate and honour the centuries-old tradition of Arabian horse breeding in Poland. It is a time of exhilaration, inspiration and introspection, a rare glimpse into the heart and soul of the Polish Arabian breeding program amidst the grand spectacle of the Polish National Championships, the intimate insight of the State Stud Breeding Parades, and most importantly, the dramatic anticipation of Pride of Poland. Most impressively, the annual summer

auction, celebrated as the Pride of Poland since 2001, remains **THE** single source from which the international community has the opportunity to purchase a piece of “Polish Perfection” for their very own. This resolute commitment to public auction as a means of determining fair market value for the Arabian horses of Poland has created a level playing field for breeders, owners and promoters of all means and from all backgrounds. Nowhere else in the world does **EVERYONE** have the unprecedented opportunity to participate in the potential purchase of an exceptional collection of world-class Arabian horses, and stand an equal and fair chance of obtaining their very own “horse of a lifetime”... As the world has come to expect, the 2013 Pride of Poland collection is once again abounding in extraordinary quality and unprecedented opportunity. From emerging superstars ready to take the international stage by storm, to established broodmares in the primes of their lives, Pride of Poland 2013 is full of the very best Arabian horses that modern-day Poland has to offer. Reflecting back across the last decade and a half, one cannot discuss international show ring success without

mentioning the name of **GAZAL AL SHAQAB**. His influence worldwide is unparalleled, and perhaps nowhere has that influence been more poignant than in Poland. His daughters have redefined the international standard for the Arabian mare: World Champions **PIANISSIMA**, **EMANDORIA** & **PINGA** are testament the extraordinary siring ability of **GAZAL AL SHAQAB**. Several of his best daughters have headlined Pride of Poland in the last decade: high sellers **PIETA** & **FABRYSZKA**, emerging stars **ESTAKA**, **EBLA** & **PAMPA**, and the main attractions of Pride of Poland 2012 - **EJRENE** & **ETNOLOGIA**. For 2013, the very best of **GAZAL AL SHAQAB** is once again offered, this time in the glorious form of **BELGICA**.

Long before the “E” and “P” families of Poland had become household names and were trend setting around the world, the “B” family of **BAŁAJKA**, dam of the incomparable Polish triumvirate of **ARFA**, **BANDOLA** & **BASK**, was establishing a worldwide dynasty of extraordinary excellence. While **BASK** elevated the breed to soaring new heights in North America, sisters **ARFA** & **BANDOLA** remained in Poland where their invaluable influence continues to modern day. The beguiling **BELGICA** is a direct descendant of “the Queen of Poland” herself, **BANDOLA**, and is considered by many the finest member of that dam family in residence since the grand dame graced the paddocks of Janów Podlaski more than half a century ago. A classic deep bay with an undeniable aristocratic quality, elegance and refinement, **BELGICA** epitomizes the Janów Podlaski

standard of the authentic Arabian mare. Captivatingly feminine with a gorgeous forehead, a beautifully dished face, a superbly shaped and placed, lean elegant neck, and absolutely alluringly luminous eyes, Janów Podlaski Autumn Show Champion Mare BELGICA is the model of maternal perfection in terms of superlative structure, harmonious balance, broody substance, capable athleticism and exquisite dryness. Only because this beloved broodmatron has blessed Janów Podlaski with three exceptional daughters has she been made available to the international community in the prime of her life. When seeking the ultimate in the daughters of GAZAL AL SHAQAB from Poland, look no further than BELGICA, the immaculate incarnation of the Polish Arabian mare.

Two other daughters of World Champion GAZAL AL SAHQAB from the "D" family of Michałów also promise greatness in both their genotype and phenotype. Both granddaughters of the legendary beauty DALIDA, broodmare supreme and winner of the Polish Derby on the racetrack, DAGA (out of DRUID's full sister DAJANA) and DAMA KIER (out of the dynamic MONOGRAMM daughter DEMONA) are mares of extreme size, scope

years. From the early days of ELKANA, ESTEBNA, ESPADA, ETER & ESKAPADA, to the recent successes of EMANDORIA, EL DORADA, EMMONA, EQUATOR, EMIRA, EMBRA, EMPIRE, ESPARTO, EMANDILLA & EMANDA, the famed “E” horses of Poland remain a universally respected and indomitable force. Along with EKSPULSJA, two other star members of the EMIGRACJA family in particular are offered for the discriminating buyer in 2013: ESPINILLA & EL SAGHIRA. Like EKSPULSJA, ESPINILLA is also out a beautiful and beloved daughter of MONOGRAMM, this time in the form of the exquisite Polish National Reserve Champion ESPADRILLA. A strikingly feminine and showy chestnut with a flaxen mane and tail, ESPINILLA is sired by Straight Egyptian international champion AL MARAAM, making her a very close relative to twice Polish National Champion, multi-International Champion & champion producer EMIRA.

Holding her own as a main attraction of Pride of Poland 2013 is EL SAGHIRA, the most accomplished and widely admired daughter of the aforementioned EMIRA and World Champion GALBA. A sensation all across Europe as a junior and senior mare, EL SAGHIRA is just now coming into her own as a serious contender at the most elite level as witnessed by her Polish National Silver Champion Mare & World Top Ten Mare titles in 2012. EL SAGHIRA has all that it takes to succeed amongst the best: abundant authentic Arabian type, an

and distinctive beauty. The descendants of DALIDA are well known worldwide for their outstanding athletic ability, generous size and commanding show ring attitude: International Champion DRABANT, full brother to DAMA KIER, is the most recent example of this family’s success on the world stage.

The other daughter of GAZAL AL SHAQAB of great interest in Pride of Poland 2013 is EKSPULSJA, a proud member of Michałów’s world-renowned “E” family of champions. Charming and feminine with an exquisite face, long elegant neck and superbly balanced build, EKSPULSJA is a great-granddaughter of the legendary EMIGRACJA, “the Pearl of Michałów”, through her beloved dam ELANDRA: Scottsdale Champion & United States Reserve National Champion Mare and one of the most admired daughters of international supersire MONOGRAMM. While EKSPULSJA shares a common heritage with many of the most accomplished members of the incomparable “E” family, she is most closely related to World, Dubai International, Abu Dhabi, All Nations Cup, European, World Cup & US National Champion Mare EMANDORIA as well as Pride of Poland 2012 high-seller EJRENE.

Michałów’s “E” family of Arabian horses has proven to be the most accomplished and celebrated family of champions on the international stage over the last 40

exquisite feminine face, exceptional balance and structure, reliably enthusiastic tail carriage, commanding show ring presence and one of the most animated and effortlessly athletic trots in the modern show ring. From an unparalleled heritage of champions with the attitude and desire to succeed in the show ring, EL SAGHIRA presents a remarkable opportunity to purchase one of the most complete packages in Pride of Poland 2013. Undeniably equal to the “E” in acclaim and influence is Poland’s prolific “P” family tracing to foundation mare PIEWICA. Household names such as PILARKA, PENICYLINA, PEPTON, PIPI, PROWIZJA and PENTODA all hail from this illustrious dam family, as do recent reigning superstars PIANISSIMA and PINGA. One of Pride of Poland’s most enticing offerings in 2013 is an esteemed member of the “P” family, out of yet another of the recent “P” family celebrities: European Champion and twice Polish National Champion/ Best in Show PALMETA. This is none other than the magnificent PALATINA, one of the very best daughters of reigning World Champion QR MARC. Already a Gold Champion in Poland at the Spring Show as well as at the Prague Intercup, PALATINA is just coming into her own as a show mare of great significance. Possessing the quality, femininity, structure and exuberance of her dam, the rich dark chestnut PALATINA is equally blessed with the refinement, presence, smoothness and elegance of her universally admired sire. Representing an exceptional opportunity to buy a show and breeding mare of superior heritage and unlimited potential, PALATINA is irrefutably one of Pride of Poland’s most appealing and auspicious offers.

Two other outstanding members of Poland’s “P” family are amongst the premier lots comprising Pride of Poland 2013. From Janów Podlaski comes PIETRA, a

beautiful bay daughter of multi-US National Champion EDEN C. Hailing from the same branch as reigning Scottsdale Supreme Champion & World Cup Supreme Gold Champion POGROM, PIETRA is a close relative to Polish National Junior Champion & All Nations Cup Silver Champion Junior Mare PRIMERA. Proving the success of Polish bloodlines with World Champion AL LAHAB is PERLAHABA, a successful show mare internationally who traces tail female to Polish National Reserve Champion and broodmatron supreme PENTODA. Bred by the Goździalski family of Falborek Arabians, PERLAHABA combines the best qualities of her “P” family heritage, the “E” influence through her maternal grandsire EKSTERN, and the extraordinary type and refinement of her celebrated Straight Egyptian sire. While PALATINA most magnificently represents the success of QR MARC in the Polish breeding program, her inherent excellence is supported and strengthened by a superior collection of Polish-bred siblings, including reigning European and World Champions WIEŻA MOCY and EQUATOR. Pride of Poland is proud to feature two other enticing daughters in addition to PALATINA sired by emerging supersire QR MARC in 2013. The Janów Podlaski-bred EFERADA has already proven her worth in the show ring as a multiple Top Five winner. Pretty, refined, well built and abundantly athletic, EFERADA boasts an exceptional pedigree of Poland’s most respected sires and dams. The Michałów-

bred **KRAŚNICA** is a granddaughter of twice World Champion, US National Champion, Dubai Gold Champion and Pride of Poland high seller **KWESTURA**, an industry icon beloved and admired the world over.

Another of the promising young mares of impeccable heritage and appealing allure is **WAGIRA**, an enchanting daughter of multi-US National Champion **ENZO**. Already a Top Five Junior Champion Mare at the Polish National Show, **WAGIRA** is poised to garner more show ring acclaim for her new owner on the same scale as her Scottsdale-winning dam **WKRA**. Combining both the world-class of excellence of **GAZAL AL SHAQAB** and **MONOGRAMM** via the distaff branch of her pedigree, **WAGIRA** can also claim direct influence from the legendary **WILEJKA** and **WARMIA**, two of Michałów's most beloved and influential mares representing Poland's oldest dam line of Szweykowska.

Pride of Poland has often hosted several of the very best daughters of undefeated World, European, All Nations Cup and Polish National Champion **EKSTERN**, most of whom have not only fetched impressive prices at public auction, but have gone on to garner show ring acclaim and significantly impact the breeding programs of their new owners. Another of **EKSTERN**'s best is offered in 2013: international champion **FIGURANTKA**. Privately bred and owned, **FIGURANTKA** perfectly blends the best bloodlines of the Michałów Stud, tracing tail female to the athletically inclined family of Forta.

Several of Poland's best producing mares further strengthen the Pride of Poland 2013 collection. Amongst these are Janów Podlaski's beautiful **ECAHO** daughter **CERINOLA**, as well as Michałów's **EMIGRANT** daughters **PERGA**, **WIEŻA SNÓW** and **FELLENA** as well as the

incomparable **ZAGROBLA**'s eldest daughter **ZŁOTA ORDA**. Several of Poland's very best mares and former high-selling celebrities are further represented by outstanding young daughters, including **OLITA**'s **EKSTERN** daughter **OSTOJA**, **HEKLA**'s **HS ETIQUETTE** daughter **HORDA** and show ring winner **EUDORA**, out of **EUZETIA** and sired by Polish National Champion **PIAFF**.
