The 19th edition of the Arabes&Co show was held on the weekend of May 18th and 19th at the La Gerencia Centro Ecuestre showgrounds in Mioño (Cantabria, Spain). The Arabes&Co show is the most important arabian horse show in Spain, and combines an ECAHO-B halter show with a sport competition, and the Special Arabes&Co Trophy is awarded to that special horse who gets the highest total points for halter and sport. Total entries were 70, and 25 of them also competed in the sport classes. Climatic conditions were not too bad, although some showers interrupted the halter show for a few minutes now and then.

The ECAHO-B halter show started on saturday morning with the adult classes, geldings, mares and stallions, as several of these horses also competed in the ridden classes that started the same afternoon. The judges for the ECAHO-B show were Maria Ferraroni from Italy, Cecilia Bourghardt from Sweden and Jaroslav Lacina from Czech Republic. Malak Benamar from Morocco, and Santiago Fernández Bermejo from Spain were the DCs, and spaniard Luis Rodríguez acted as Ring Master.

The show started with the geldings where LAG-DAMANHUR (Borneo x Pikara; La Gerencia) won the junior class, while URKIOLA (Pekas x Ghorak; Flor de Lis) won the senior geldings class. At the Gelding Championship URKIOLA was named Champion by unanimity of the

Fillies and Colts

On Sunday morning the halter show continued with the fillies classes, starting with a very interesting yearling fillies class, with three of them being handsome SHANGHAI-EA daughters, although the judges preferred the chestnut SASKIA-BV (BV-Adzharan x Koral; Al Shiraa). The SHANGHAI-EA daughters CAP-BLANCA (Shanghai-EA x Arabians-Blanca; Campo San Andrés), shown by her breeder and owner Emilio Carriedo, and FM-RIHANNA (Shanghai-EA x FM-Nefertari; Yeguada Bidasoa) were second and third, while the lovely grey pure-spanish MORGANA-ALQAMAR (Milano x Istar-Alqamar; Yeguada Alqamar) was fourth with the same total points. AINHOA-MISS-BIARRITZ (WH-Justice x Ainhoa-Mistenflute; Haras Ainhoa), preferred by Lacina, won the next class, two and three years old fillies, where Ferraroni's votes went to second placed RIHANNA-BV (Thamil x Lady-Moura; Al Shiraa), and Bourghardt gave her highest points to APSARA (Im-Bayard-Cathare x Hyrcana-Vanisa; Régine Fronton), who finished in fourth position. Third place went to WW-IMANIA-APAL (Psytadel x SA-Anna-Zinah; Haras del Mar), who also won the Best Movements Junior Special Trophy. At the Fillies Championship there was again unanimity to give the Gold Medal to SASKIA-BV, but for the Silver Medal every judge chose a different filly so the medal went to AINHOA-MISS-BIARRITZ for her higher class score, and

The handsome bay yearling colt MARRAKECH-HDM (Ajman-Moniscione x Marpeza-HDM; Haras del Mar), shown by Toni Moreno, won the first colts class with the unanimous vote of the three judges. DAA-SAIGON (Shanghai-EA x PM-Sherazade; Dalia Arabians) and ELTON-DE-KÉROLIN (Maghribi x Elmina-de-Kérolin; Élevage de Kérolin) tied with 265 points for the second place, won by DAA-SAIGON on behalf of his better Type score. Arabes&Co Sport Trophy

After the halter show the ridden classes continued with a spectacular cross-country competition, where Laura Farrés and NARYM maintained their leading position, followed by Jaime López de Arce riding ZÓKALO (Unikornio x Paskua; Flor de Lis) and Gonzalo Torralbo with URKIOLA. In the afternoon the show-jumping didn't bring any modification and confirmed Farrés' third Arabes&Co victory with her gelding NARYM, as they also won the 2008 and 2010 editions. In the Intermediate and Beginners Series the winners were Cristina Martínez riding LAG-ALI-BAY (Lag-Abadán x Maz-Mezquita; La Gerencia), and Garazi Marquina del Rey on LAG-ELBA (Lag-Abadán x Pikara; La Gerencia).

The 19th Arabes&Co 2013 finished with several Special Trophies where David Pujalt won the Handler's Trophy and HRH Teresa de Borbón's Flor de Lis Stud the Best Breeders Trophies for both Show and Sport Horses. Next year Arabes&Co will celebrate its 20th edition, a milestone for this very special show where the purebred arabian horse illustrates every year he can be a wonderful show horse and at the same time a very capable and versatile sport horse. And that is a fact that should never be forgotten, as the arabian horse is the grandfather of all the different sporthorse breeds in the world.
