23rd QATAR INTERNATIONAL ARABIAN HORSE SHOW 4th STRAIGHT EGYPTIANS SHOW

The Arabian Horse Festival organized every year by the REC (Racing and Equestrian Club) this year reached its 23rd edition and improves each time.

The event took place from 20th to 27th February and hosted many different sport disciplines for Arabian Horses. Eight days packed full of events under the patronage of the Emir of Qatar H.H. Sheikh Tamin Bin Hamad Bin Khalifa Al Thani who, together with his numerous members of staff and efficient collaborators, did a remarkable job in running and organizing the Festival. We thank him for the fantastic organization and for his warm and generous hospitality.

Just try to imagine how many people were needed for the successful outcome of a event that included: an International A show, an Egyptian Event (both ECAHO), a Liberty Class, a Ride Class and 6 Races in the Doha Hippodrome.

As always the show perfectly organized under the guidance of Sheikh Mohammed Bin Faleh Al-Thani - Chairman of Higher Organizing Committee, Mr. Ghanem Bin Ali Al Mohannadi - Vice Chairman of Higher Organizing Committee, Mr. Sami Jassim Al Boenain - General Coordinator, Mr. Abdulaziz Al Boenain, Show Director & Chairman of Technical Committee and Mr. Abdulaziz Al Subiaei - Chairman of Show Committee and their team members.

On the evening of 20th February, the Festival was officially opened with a show that presented one of the most important names in international Gala performances: Mario Luraschi from France. We were all captured by the beauty and the graceful movements of his Lusitanian horses. As his grand finale, Mario's horse acrobats entered the ring with flaming torches and performed hair-raising stunts much to the excitement of the public.

The team of Judges of the International A show was formed by: Mrs. Silvia Garde-Ehlert (D), Mrs. Claudia Darius (D), Mrs. Cristina Valdes (E), Mr. Pierluigi Rota (I), Mr. Mark Ismer (D), Mr. Marco Pittaluga (I) and Mr. Koenraad Detailleur (B). The Top Five system was used, so the first five horses of each category almost always accessed the final Championship. The word 'almost' is used because this depended on the number of horses registered in each category. Therefore, the Gold Medal winners were chosen from between the first place winners of each category, while the Silver and Bronze winners could be chosen from all those who entered the Final Championship.

On Thursday 20th February, at 9.00 a.m. precisely, the horses of the first category entered the show ring. Category 1A for yearling fillies was taken by Al Shaqab Stud with "AL FARIDA AL SHAQAB" (Fadi Al shaqab X Aleysha Al Nasser) in first place and "AL ANOOD AL SHAQAB" (Kahil Al shaqab X Miss el Power JQ) took second place. You may view the Top Five chart at www.qrec.gov.qa

Category 1B, again for yearling fillies, was taken by "AJ REEDA" (Aj Portofino X Aj Raheda), owned by Ajman Stud. "ASWAR AL SHAQAB" (Kahil Al Shaqab X Hathfa Al Shaqab), owned by Al Shaqab Stud, took second place.

The two year old fillies category was won by Saudi Arabia with "SALMAH AL SHGAIR" (F. Shamaal X Jawharah), owned by Sheikh Abdul Mohsen Bin Abdul Malik Al Shaikh. Second place was taken by "GHALA AL SHAQAB" (Farhoud Al Shaqab X Ghalia Al Shaqab), owned by Al Shaqab Stud. Category 2 was also divided into A & B. The winner of Category 2B was "DELIGHTS DIVAH RB" (Ajman Moniscione X Honeys Delight Rb), owned by Mr. Khalid Bin Said Bin Abdullah Al Sayed who after purchasing the stallion EDEN C (2014 Champion in Al Khalediah) gained another success with this beautiful female. Second place for "MUSHEERAT AL JANADRIYAH" (Bandar X Mastoorah), owned by Mr. Aqeel Bin Abdullah Al Ebaad (KSA). The last categories for fillies were for the three year olds. Category 3A was taken by "PERFINKA" (Esparto X Perfirka), a beautiful Polish filly owned today by Al Muawd Stud (KSA). Second place was for "NASTYA OS" (Maraji X Ab Nastrapsy), owned by Ajman Stud. The winner of category 3B was "AJA EUROPA" (Aja Justified X Hb Marais), owned by the Royal Cavalry Oman. "INSPIRED NAJLA" (Ajman Moniscione X Natalia), owned by Ajman Stud, came second.

The male's turn came in the afternoon. The first category was for yearling colts and the winner was "AJ MARZAN" (Aj Portofino X Hed Ab Maria), bred and owned by Ajman Stud. "LOAY AL KHALEDIAH AL THANI" (El Palacio X Llayla), bred and owned by HRHP Khalid Bin Sultan Bin Abdul Aziz Al Saud, followed in second place. A more satisfactory result for HRHP Khalid Bin Sultan Bin Abdul Aziz Al Saud in the two year old colts category where his "ADEL AL KHALEDIAH" (El Palacio X Sakhiyat Al Khalediah) took first place. "HADIDY AL SHAQAB" (Gazal al Shaqab X White Silkk), bred and owned by Al Shaqab Stud, took second place.

In the 3 year old colts category "SUBHI" (Ajman Moniscione X Lady Sorrel), bred and owned by the Royal Cavalry, won his place in the first row at the final Championship. "SHARAAM EL CHIQUE" (Redwood Lodge Artique X Lh Gina Lola Bridge-da), owned by Mandara Equestrian Club (U.A.E.), took second place.

The following day was time for the mares categories. We started in the early afternoon to allow for the Friday Festivity and enable the guests to visit the beautiful city of Doha. Qatar is a Country that is constantly expanding, with amazing ancient history combined with advanced technology in industry and building. In 2022 the football World Cup will be held in this Nation and stadiums with convertible roofs and air conditioning (the only ones in the world) are already being built.

But let's get back to our show. The category for 4/6 year old mares was once again divided into A & B because of the high number of participants. The winner of the "A" category was "NOOR AL RAYYAN" (Ashhal Al Rayyan X Ansata Nefer Isis), owned by Asayel Elalya Stud. Second place was taken by "EUFORIA J" (Qr Marc X Europe's Pride), owned by Mr. Mohammed Bin Abdullah Al Shabanat. Category "B" was won by

"D'AAJAA AL NAIIF" (Al Adeed Al Shaqab X Mezan Al Rayyan), owned by Sheikh Abdulla Bin Khalid Al Thani (Qatar). "ONCE UPON A TIME" (Pyro Thyme Sa X Elegance By Versace), owned by Al Muawd Stud, came second. The category for 7/10 year old mares was taken, with the highest score of the three categories (93.25), by "BADAWIEH AA" (Laheeb X Bahiha), owned by Ajman Stud. With only 0.25 points difference in score, "Jouna Al Naif" (Ashhal Al Rayyan X Ansata mouna), owned by Sheikh Abdulla Bin Khalid Al Thani (Qatar), took second place.

The last female category, for 11 years and older mares, was won by "EAGLERIDGE PASSIONATA" (Sanadik El Shaklan X River Oak Dimity), owned by Ajman Stud. Another success for Sheikh Abdulla Bin Khalid Al Thani with his "NABEELA SAQR" (Tallahsman X Ansata Nafisa) in second place.

On the morning of 22nd February, under a nice warm sun, the first stallions (4/6 year olds – category "A") entered the show ring. The winner was "FAKHR AL KHALEDIAH" (Marquis X Barah Al Khalediah), owned by HRHP Khaled Bin Sultan A Al Saud (K.S.A.). Second place for "REVOLUTION" (Padron Psyche X Queen Victoria Ga), owned by Al Muawd Stud. Category 4/6 "B" was taken by "WADEE AL SHAQAB" (Marwan Al Shaqab X OFW Mishaahl), owned by Al Shaqab Stud. Second place for "MUHTAR AL SHGAIR" (BS Paparazzi X Syrena), owned by Sheikh Abdul Mohsen Bin Abdul Malik Al Sheikh (K.S.A.).

The 7/10 year old stallion category followed. This category was taken by "MARQUIS CAHR" (Marwan Al Shaqab X Rohara Magnificia), owned by HRHP Khalid Bin Sultan Bin Abdul Aziz Al Saud (KSA). "MOUNTASSAR AL ZOBAIR" (Khidar X Fahla Al Shaqab), owned by Mr. Khalil Ebrahim Ali Mukhtar (Bahrain), followed in second place.

The last category for stallions was for the 11 year olds and older. This category made the day for HRHP Khalid Bin Sultan Bin Abdul Aziz Al Saud (K.S.A.) who took both first and second place respectively with "LVA MAXIMUS" (Españo Estopa X Challon Salana) and "TEXAS MAGIC" (Windespress Mirage X Azalili). I must admit that this was not only a wonderful show, awesomely organized and with a large number of registered horses present, but it was a show with seriously high quality horses - definitely worthy of an A show.

The Final Championship took place in the afternoon and as always, the adrenaline reached its peak. Tension at the VIP tables was easy to feel as in the show ring. Assigning the medals, considering the high quality of the titled horses (some of them we have seen at titled shows and World Cup events), was tough for the team of Judges, but here is the final chart:

The 4th International Arabian Horse show for Straight Egyptians in Qatar took place on 23rd February. This venue was another great success for Straight Egyptian lovers. 130 horses were registered which is indeed rare for this type of show in particular. Mr Svenson, Mrs Vivian Reisel, Dr. Malak and Dr. Mohamed were in charge of controlling the collecting ring and the show ring for both this venue and the International A show. The team of Judges, this time, was formed by: Dr. Nasr Marei (Egypt) – who we congratulate for his being elected ECAHO Vice President with 21 Countries in favour - Mr. Manfred Hain (D), Mr. Jerzy Bialobok (P), Dr. Marek Trela (P), Mr. Benny Freme (SW), Mrs. Irina Stigler (R), Mrs. Renata Schibler (Ch) and Mr. Hamsa (Egypt). Mr. Anas Hosam Akawi, who commented on all the events in perfect English and Arabic, is also more than worthy of mention. Once again the Top Five system was used. Two intense days of excitement and suspense, with top quality horses in the show ring, were to be enjoyed by all.

The first category for yearling fillies was taken by "OMALMAH AL WAAB" (Barraq El Aliya X Ameera Saqr), bred and owned by Sheikh Abdullah Bin Khalid Al Thani. "G.S NADA GULFA" (Ameer Al Nasser X Classic Yasmin), owned by Mr. Mohammed Mobarek A B Al Sulaiti, came second. Category 1B, again for yearling fillies, was taken by "DELIELAH AL WAAB" (Barraq El Aliya X Nabeela Saqr) followed by "ZUMORRODA AL WAAB" (Barraq El Aliya X Sharuby HP). Both these fillies were bred and are owned by Sheikh Abdullah Bin Khalid Al Thani. In this show, as in the International A show, many fillies were registered and therefore the categories were divided into A & B. The winner of category A for two year old fillies was "AL JOHARA AL WAAB" (Ansata Selman X Al Angha Al Rayyan), from Sheikh Abdullah Bin Khalid Al Thani's Al Waab Stud. "ARIJ AL KHALEDIAH" (F. Shamaal X Showq Al Khalediah), followed in second place. Category B for 2 year old fillies was taken by a filly owned by Al Shaqab "TIBRAH AL SHAQAB" (Farhoud Al Shaqab X Twom Hiddiyya). "BASMA AL NASSER" (Safir Al Rayyan X Al Jazi Al Nasser), owned by Al Nasser Stud, was second. Have you noticed how in Straight Egyptian breeding, breeder and owner are always one and the same person? This is a clear indication of the tradition and the ancient history that this horse transmits. Genealogy is passed down over the years in the history of those breeders who breed in purity. I really hope that this method of breeding will develop more in the future as it incorporates the history of man and his horses.

Let's get back to our show. The winner of the three year old fillies category was "FARASHA ELALYA" (Ashhal Al Rayyan X Classic Farasha), owned by Asayel El Alya Stud, followed by "AMAAL WAAB" (El Thnay Kamil X Ameera Saqr), owned by Sheikh Abdullah Bin Khalid Al Thani, in second place.

Our day continued with the categories for colts. The yearling colts category was won by "SALIL AL SHAQAB" (Al Adeed Al Shaqab X Tamina), owned by Al Shaqab Stud. "ADNAN AL WAAB" (Sinan Al Rayyan X Ajmal Obeyyah), owned by Sheikh Abdulla Bin Khalid Al Thani, took second place. Two and three year old colts competed together and the winner was "BARIQ AL SHAQAB" (Al Adeed Al Shaqab X Wahayeb Al Shaqab), owned by Al Shaqab followed by "AMER AL KHALED" (Nk Hafid Jamil X Ayda Saqr), owned by Mr. Nabeel Merezak Al Harby & Majed Abdullah Al Mehyawi, in second place.

That evening, after the categories, the Al Shaqab buses drove the REC guests to an Open House at the Stud. When we arrived at Al Shaqab, we were exquisitely welcomed by the two Managers of the Stud, Mr. Mohamed Al Sulaiti and Mr. Abdullah Al Kuwari. A quick tour of the Stud - no doubt designed and developed by some important architect - was sufficient for us to see how Al Shaqab is the only one of its kind in the world for its beauty and efficiency. We were then made comfortable on sofas in front of a small arena and waited for the presentation of the new born foals, those who in the years to come will carry the name of Al Shaqab to the highest levels around the world. Then to conclude, Mr. Giacomo Capacci, their resident handler, presented the Star of the moment: "Wadee Al Shaqab", 2013 World Champion Colt and Champion Stallion at the 2014 International A show in Qatar just the day before.

Now let's go back and take a look at the mares categories. The winner of the first category was "FARIDA AL NASSER" (Shagran Al Nasser X Marha Al Rayyan), owned by Al Nasser stud. "SALSABEL EL ALYA" (Ashhal Al Rayyan X Asrar Al Rayyan), owned by Sheikh Abdulla Bin Khalid Al Thani, took second place. With a very high score (93.50), "SHARUBY HP" (Maydan-Madheen X Shahneekha Us), owned by Sheikh Abdulla Bin Khalid Al Thani, took the lead of the category for 7-10 year old mares. "WIJDAN AL SHAQAB" (Al Adeed Al Shaqab X Amwaj Al Shaqab), owned by Al Shaqab Stud, was second. The winner of the last category for mares, 11 year olds and older, was "AJMAL FARASHA" (Ashhal Al Rayyan X Classic Farida), owned by Sheikh Abdulla Bin Khalid Al Thani, followed by "ABHA AL RAYYAN" (Al Adeed Al Shaqab X Ansata Majesta), owned by Asayel Elalya Stud.

The stallions categories followed. The first one was for 4-6 year old stallions and was taken by "JAID AL SHAQAB" (Safir Al Rayyan X Jaflah Al Rayyan) from Bahrain and owned by Mr. Ahmed Hussain Najfat Ali. With the same total score (90.50) and same score for type (76), the score for movement had to be considered for the final placement. 76 points went to the above mentioned horse while 72 points went to "MAYMOON AL SHAQAB" (Ashhal Al Rayyan X Amirat Al Shaqab), owned by Al Shaqab, who therefore

came second.

The categories that were to follow were combined for stallions 7 years and older. First place was taken by Al Muawd Stud with "MVA COLOUR ME COOL", a son of the famous champion "True Colours", who unfortunately died a few months ago in Israel, and the mare SKF Taara. Second place for "FARES AL RAYYAN" (Ansata Hejazi X G Shafarin), owned by Sheikh Abdulla Bin Khalid Al Thani.

And so this spectacular show came to an end. A show entirely dedicated to a historical horse, the desert horse descending from a pure breed: the Straight Egyptian breed. As in every venue, there has to be a final chart, although I feel that at such high levels there should be many winners! But, rules have to be followed and winners have to be proclaimed, so here are the horses that left the Championship with a Medal:
