Chantilly is a charming location 50 km north of Paris. And it's the Horses' Temple. It is home to the Living Museum of the Horses with the Great Stables built by the Princes of Condé and is the stunning destination for passionate of horses, famous for its horse racing track, the Chantilly Racecourse, where prestigious races are held for the prix du Jockey Club and the prix de Diane.

The Castle of Chantilly is well-known for the Library of the Petit Château which contains over 1500 manuscripts and 17,500 printed volumes, and for Museum Condé, inside the Castle, the second Museum of France by importance after Louvre, where is possible to admire a fantastic collection of Renaissance's paintings among which three Raffaello's, three Beato Angelico, three Delacroix, four Watteau and five Poussin. Chantilly has also big green areas for jogging and walking and is a fantastic gastronomic destination deep in the green parks.

Here for the second year, the amazing showground just in front of the Great Stables and the whole organization of this 2 days long show on open air - which Tutto Arabi has sponsored - has been lighted up by the Organizing Committee - warmly thanks to HRH Prince Abdulaziz Bin Ahmed Bin Abdulaziz Al Saud as Chairman, Mr. Essam Abdulla as Show Director and Mr. Ahmed Abdelzarek and Dr. Mohamed Machmoum as

Members. Thank them also for how they managed the bad turn of the weather on Sunday.

The Judges from worldwide called to elect the champions were Mrs. Claudia Darius (Germany), Dr. Nasr Marei (Egypt), Mr. Bruce Mc Crea (USA), Mr. Allan Preston (Australia), Mrs. Irina Stigler (Russia) and Mrs. Marianne Tengstedt (Denmark).

Thanks to the Disciplinary Committee - Mrs. Vivian Reisel - Van Eerten (The Netherlands), and Dr. Mohamed Hammad (Egypt) - and to the Show Technical Group, in particular to the Show Manager Ms. Fredericke Kopp, Mrs. Celine Plouviez-Ramillon and Mrs. Jeanette Juin as Show Assistants, Dr. Mohamed Hammad as Ringmaster, Mr. Mike Ashmore and Mrs. Myriam Dat as English and French Speakers, Mr. Biju Peter and Mr. Abbas El Hamri as Scorers, Mr. William Richardot de Choisey as Media Coordinator. Show Music by Mr. Kristof Heymans. Also thanks to Mr. Erwin Escher and Mrs. Cecile Marleix as Photographers, Dr. Michael Pechayre as Veterinarian, Mr. Yoan Kowalowski as Blacksmith. The Breeders' European Championship 2014 in Chantilly, organized by AHO, was open to any purebred Arabian Horse fulfilling some conditions: be born in Europe and be entirely

owned by a European breeder (the Horse has never been sold or leased), be registered in a studbook recognized by WAHO, has not been neither a Gold, Silver or Bronze Champion in any Title Show nor a Gold Champion in any A-Show during 2012, 2013 or 2014, nor a Gold Champion at the Breeders' European Championship in Chantilly 2013 (only exception for yearling horses become junior or junior horses become senior).

The scoring system required separate assessments for Type, Head and Neck, Body and Topline, Legs, Movement.

Only for Head and Neck and Legs, separate judges' marks was given - first one for Head and one for Neck, then one for Front Legs and one for Hind Legs - and the final score was the average of the partial marks given.

Chantilly Breeders' European Championship has been giving the great opportunity for European Breeders to show themselves and their competitive skills. Price money is given equally to the top five qualified horses in each class (1000 euro each) and the Gold, Silver and Bronze Champions were awarded with 10, 5 and 3 thousand euro. Plus two Special Award by 5.000 euro each for the Best Breeder and the Best Handler and trophies to Best Sire, Best in Show, Best Female and Best Male. This kind of price money distribution system stimulates the participation not only of the biggest breeders in Europe, but even of the smaller who really have their chance to compete and win.

After having admired 134 horses entered and divided in 12 Classes, we let you discover the 7 exciting Championships (for the first time AHO has the idea to organize the Junior Female Championships, just to give space to the breeders to take their chance), here below in the final Champions' and Special Awards' photographs. Enjoy and see you next year with the Chantilly Championship! □

OPENING MESSAGE

Dear Breeders, Trainers, Handlers, Guests and Friends of the Arabian Horse

You are warmly welcomed to the second edition of the Breeders' European Championship 2014 in the "Capital of Horses - Chantilly". The Arabian Horse Organization is very happy to host the Championship again in the great venue of the Domaine de Chantilly which is accentuating the beauty and elegance of the Arabian horse.

AHO's primary aim in organizing this Championship is to encourage, support and promote the work of the breeders who have dedicated their lives to this magnificent genuine Arabian horse.

AHO would like to thank the sponsors, who share with us the passion for the Arabian horse, for their enormous support in order to organize this event. At the same time, we would like to thank all the breeders and handlers who took up the challenge to present their best horses in this show.

We hope that you will enjoy this competition in the beautiful surroundings of the Chateau de Chantilly and the Grand Stables and wishing all of you a very successful show and best of luck.
