n 21st, 22nd and 23rd October TuttoArabi was present as always at the Moroccan Breeders Cup and at Moroccan International A Championship which took place in El Jadida under the patronage of H.H. King of Morocco Mohammed VI. Breeders and owners from all over the Morocco and the world came to claim their awards making of El Jadida Show a great appointment reserved to the best international horses. Thanks to the organizers, Mr. Mohamed Machmoud and his team, who made a great job to manage this arabian horses competition in the magic framework of the Salon du Cheval d'El Jadida. Due to the short time and deadline of the magazine we give you now just a preview showing some nice pictures of the event.

You will find the complete article in our next issue, TuttoArabi January 2015 edition. Enjoy! 🗅
