3<sup>rd</sup> STRAIGHT EGYPTIAN ARABIAN HORSE WORLD CHAMPIONSHIP

**O**n 10th, 11th and 12th October the 3rd Straight Egyptian Arabian Horse World Championship took place in the beautiful and sunny city of Rome. The strengthened organizer staff, composed by Dr. Santoro and his wife Serenella, Mrs. Christianne Chazel, Mrs. Dominik Briot and the irreplaceable Laura Mascagna, has flawlessly managed the event.

The show, under the patronage of Al Danat Stud from Kuwait, took place in Le Capannelle hippodrome thanks to Ipposet Group's President, Mr. Elio Pautasso and thanks to the sponsors. As everybody knows, Le Capannelle Hippodrome has historical importance in the national and international racing calendar. That's why everyday the show stopped at 2 p.m., to leave space for racings.

This show is the most important straight egyptian event in the world, peerless in Italy for the importance of the VIP area and the perfection in service. The staff of Desert Heritage, our magazine which has been totally dedicating to straight egyptian arabian horses for 11 years, was there to support this great event.

Italian and European breeders should take part more in such a beautiful event, which could be an occasion to show to the international public the quality they have at home, in my opinion independently of the final results.

The World Championship started friday morning at 9 a.m. with fillies classes. Ringmasters were Mr. Abdel Wahab Ben Ali Amira from Morocco and Mr. Marco Frezza. Scoring by Mr. Alessandro Fiorucci and Mrs. Nadia Sottile and music by Mrs. Luisa Lorenzi. Disciplinary Commitee was composed by Mr. Daniel Souppat from France, Dr. Vet. Fabrizio Bianchi and Mr. Mario Bonomi from Italy. Judges for this edition were Mrs. Christine Jamar from Belgium, Mr. Manfred Hain from Germany, Mr. Peter Pond from Australia, Mr. Marc Veray from France, Mr. Christian Moschini from Italy and Dr. Ahmed Hamza from Egypt. Thanks to Arabian Essence for real-time streaming videos from the show available all over the world.

Monday everybody was in La Frasera Stud for its Open Day. Francesco Santoro and his wife Serenella, whom already organized the show in Rome, invited guests to admire their straight egyptian horses, bred with passion and long-standing experience. Shabil and Ramses, that everybody knows, are two of the great results they achieved.

Straight Egyptian Arabian Horse World Championship in Rome is a smart-set event where managers and owners can chat to each other like in a social gathering. Respect and admiration are the most shared feelings, as should be in competitions like this.

Here below enjoy the pictures by Nicoletta Abelli from the stunning three days long event in Rome. □
