

ARABIAN BREEDERS

World Cup

APRIL 16TH-19TH 2015 LAS VEGAS

**THE MOST GLAMOROUS ARABIAN HORSE EVENT IN THE WORLD
LOCATED IN THE MOST EXCITING CITY IN THE WORLD**

The Arabian Breeders World Cup is host to some of the most influential Arabian horses, breeders and owners in the International Arabian community and is a horse event like no other in the U.S. It features a showcase competition for purebred Arabian breeding classes. These breeding classes are conducted in the European style using the World Cup Scoring System, similar to the one used at the All Nation's Cup in Aachen, Germany and at the World Championships at the Salon du Cheval in Paris, France. Through the use of the European style presentation, the show emphasizes a more natural way of preparing, presenting and showing the horses so that their true Arabian spirit shines.

The show features 5 International judges - a true mix of the best from America, Europe and South America - with the goal of achieving the highest possible standards of judging.

The first Arabian Breeders World Cup was held in 2007. Each year the show has progressed in terms of numbers of entries and exhibitors, sponsors and patrons, as well as attendees and viewers from all around the world. The 2015 Arabian Breeders World Cup will be the ninth annual event.

The Arabian Horse Breeders Alliance Board of Directors extends a heartfelt thank you to the exhibitors, sponsors and spectators for their continued support.
