

The Third BERLIN CUP

INTERNATIONAL B-SHOW & EGYPTIAN EVENT

Berlin is breathtaking! Passing through it, from an area to another, the city appears as a big and amazing work in progress. The dynamic development and the quick changing of the landscape define the "rhythm" of Berlin. Its never-ending movement is maybe its peculiar sign.

The best way to visit the city is on the top of a touristic bus where a gentle voice explains you the beauty around.

Leaving the city center the landscape becomes bucolic in the countryside, even if the idea of movement remains: the many rivers are dotted of small ports where boats leave towards the North Sea bringing people and things out of the cities.

Only few kilometers from Berlin a little road deep in the green guides to the equestrian center where two important shows have been held on 25th and 26th of April: the International B ECAHO Show and the Egyptian Event, involving all the most important Studs of the world, their owners and their managers.

The Gestüt Bonhomme equestrian center (www.gestuet-bonhomme.de) is lavish, to say the least. Words cannot express how beautiful it is. On the other hand pictures are here to show you the meaning of what we are talking about.

The Show organizers Mrs. Heike and Mr. Manfred Hain have wonderfully welcomed their guests and the VIP parterre.

The Technical Staff was great and the judges invited were: Mrs. Christiane Chazel (France), Mrs. Claudia Darius (Germany), Mrs. Anna Stefaniuk (Poland) and Mr. Koenraad Detaillieur (Belgium).

Ringmaster was Dr. Vet. Abdel Wahab Amira (United Arab Emirates).

The well skilled DC in the prering were composed by Mrs. Malak Benamur (Morocco), Mrs. Barbara Pfistner (Switzerland) and Mr. Sten Schroll (Denmark).

The speaker for two days was Mr. Klaus Beste rising as always to the occasion.

Computer scores by Mrs. Viola Speir (Germany).

The entered horses were divided in 14 categories.

The next pages reveal (the Medal Champions).

The day after, 26th April, is completely dedicated to the Straight Egyptian Horse Cup.

As in the International ECAHO Show, the Straight Egyptian Horse Cup had many sponsors. The judges were: Mr. Jaroslav Lacina (Czech Republic) the President of ECAHO, Mr. Nashat Hegazy (Egypt) and Mr. Ala'a Al Roomi (Kuwait). The Technical Staff remained the same.

Mr. Erwin Escher's pictures show the champions of this great event and give back the atmosphere of the day. Enjoy! □
