The Chilean National, that this year took place May 9th and 10th always introduces something new representing the great evolution that occurs in their breeding of Arabian horses in the country. Last year it was the colt HP Alí from Haras Panquehue of the Bulnes' family. This year two extraordinary surprises kept the people and the judges magnetized. The Champion Minor Colt (up to 12 months) HS Baltazar from Haras Shangrila of Pedro Gonzales, and the Champion Minor Filly (up to 12 months) Llanca Isha, from Haras Llanca of Nicolas Duch. They received their title by unanimous decision from a panel of very seasoned Brazilian judges: Cesar Oliveira, Fabio Amoroso and Reinaldo Rocha Leão. After the show the judges were full of praise especially in regards to the colt Baltazar: "Very special", admitted all three. Sandro Pinha, who showed Baltazar, convinced Mr. Gonzales to take him on a shows campaign in the United States. "Very rarely we find a colt like this one. He has real chances", said Sandro who has vast international experience at halter.

These two yearlings represent the bases of the Chilean modern breeding program. Isha and Baltazar are off springs from LC Farid, an extraordinary sire that will be responsible for a new dynasty in Chile. At this National, not different from the last three, he had 5 sons as champions. LC Farid's father is Palissade, grandson of Bey Shah through from Palissandre. Palissade was US National Jr Colt Champion and right after imported to Chile. Farid's mother, Camila, is a daughter of the Brazilian Hafati Express by RSD Dark Victory (Bey Shah) and Hafati Bel Charm by Belmont (Khazzan). Farid became this great sire at the Chilean program by the hands from Bulnes family, owner of Haras Panquehue. He died last year but left behind a phenomenal mark of his genetics in the Chilean breeding program with his sons and daughters.
