# BELGIAN NATIONAL INTERNATIONAL B SHOW STRAIGHT EGYPTIAN KOKSIJDE/BELGIUM

by Fabio Brianzoni ■ photos by Jan kan

*Under a lucky star, with the help of the good weather, which is not always taken for granted in the North of Europe, thanks to the aptitude of Mr and Mrs Detailleur together with their daughters, and to the sponsors' support, on the 1st and 2nd August the annual edition of the West Coast Cup has taken place in Koksijde, in the North of Belgium. This stunning searward town is the special location of sport events of importance like the West Coast Cup, the Duinencross Koksijde Cyclo Cross and the Uci Cyclo Cross World Cup. The Museum of the Abbey of Ten Duinen in Koksijde explains the religious and cultural role that this church has had in the history. It shows the daily life of the cistercian monks since the time of their settlement in 1107 until the death of the last monk in 1833. The archeological site has been restored and is now visible from the road that leads to the sea. The attic of the museum contains a remarkable collection of liturgical silver ware.*

*The British Military Cemetery (1940–1945) bears witness to British sacrifices in the Battle of Dunkirk (Dunkerque), 10 km far from Koksijde.*

*The shoreline in the area of Koksijde is the only place in the world where horseback shrimp fishermen still ply the shallows along the coast for a special variety of grey shrimp from late-June to early September. The special variety of shrimp, known as grijze garnalen, turn up in Belgian specialities like tomate-crevettes (tomato-filled shrimp soaked in marie rose sauce).*

*In other words, there are many reasons why coming here. The first and main one is that the West Coast Cup is one of the best organized arabian horse shows. Besides, this is a place teeming with attractive featuresd among which delicious food.*

*Mr. Konrad Detailleur has accurately managed the two day competition. Two different juries have been invited, one for the*

*Belgian National, composed by Mr. Bruce Mc Crea (Usa), Mr. Fausto Scanzi (Italy), Mr. Marc Veray (France) and Mr. Franco Grotteria (Italy), and one for the International B, composed by Mr. Ahmed Abdelrazak (Egypt), Dr. Francesco Santoro (Italy), Mr. Tomasz Tarcjinsky (Poland), Mr. Mark Warton (Usa). The DC, formed of H.R.H. Mrs. Teresa De Bourbon and of Dr. Vet. Gianpaolo Teobaldelli, has remained the same for both competitions, just like the Ringmaster, Mr. Gerard Oben.*

*The streaming and the scoring have been managed by Mr. Michael Steurs from Belgium ([www.arabianhorsereults.com](http://www.arabianhorsereults.com)). The music was excellently mixed by Mr. Kristof Heymans, playing along with the horses' performance. Mr. Guido Galle has been the speaker.*

*An exquisite catering has delighted the two day show and the VIP guests have taste delicious typical food and several sweet desserts during each category.*

*The show, that has been holding here in Koksijde for many years, has been lavish this time more than ever. Among the many attractions, like the funny dog-race, there has been the flying french man, Lorenzo, performing during the whole two day event. Everybody already knew him since his spectacular show in Paris.*

*Many horses were entered, 90 to the international and the straight egyptian classes, and 30 to the belgian National.*

*Our best congratulations go to the organizers and to the sponsors, which make the shows all around the world possible.*

*Next year everybody is invited to come here to Koksijde for the West Coast Cup taking the opportunity to visit the beautiful surroundings of the town.*

*Enjoy now the pictures from the show by our photographer Mr. Jan Kan. □*
