### **The Best Dam trophy**

The Best Dam, the new trophy of 2015 will be awarded to the best breeding mare. It has now been 9 years that the Best Sire is crowned for the quality of his offsprings. This year, the Dams, which are just as important as the Sire for the quality of the offsprings, will also have their glory moment.

This prize will be awarded to the owner of the mare whose offspring will have obtained the best results during the show. The main objective of this new trophy is to celebrate and valorize the Dams which are the origin of many great champions. This new trophy stays in line with the original purpose of the show: promoting the Arabian breeding.
