AHO WORLD CUP 2-3 AUGUST

AHO BREEDERS' CHAMPIONSHIP EUROPE 4-5 AUGUST

by Fabio Brianzoni ■ photos by Ricard Cunill, Henrike Hoermann

**T**his year we were all facing an incredible and unusual heat over whole Europe. We also experienced the same in Chantilly, in the fantastic location of the Polo Club du Domaine de Chantilly where all the important owners and breeders gathered, to participate in the AHO World Cup and AHO Breeder's Championship Europe. All of us, horses and humans, suffered for what French people call "canicule", a torrid warmth close to 40 degrees. Nevertheless, guests were pampered at the Vip tables during the whole event and the number of participating horses remained the same compared to the subscriptions.

The location of the event is 3 km far from Chantilly city centre. The show was split into 4 days, the first 2 (2nd and 3rd August) dedicated to the "AHO World Cup" and the following two days for the "AHO Breeders' Championship Europe". The last show had a rich prize money, thanks to HRH Prince Abdulaziz bin Ahmed bin Abdulaziz Al Saud, chairman of the Arabian Horse Organization (AHO). He is the person with the vision behind this event which runs in its seventh year.

Without a doubt, the competition was very strong between the breeders as the horses shown in the AHO Breeders' Championship Europe represent the result of all the efforts made during many breeding seasons.

TuttoArabi appreciates and is proud to be partner of this great event organized by HRH Prince Abdulaziz bin Ahmed bin Abdulaziz Al Saud and its members Mr. Ahmed Abdelrazek, Dr. Mohammed Machmoum, Mr. Essam Abdulla, Dr. Salem Al Barraaq, Mr. Obaydah Aljnid, Mr. Majed Al Sheri and Ms. Fredericke Kopp.

During the first two days the AHO World Cup was held and even if the number of horses entered was not large the number of international breeders and owners who attended the competition was impressive. As always the atmosphere was great and the managing of the VIP table was entrusted to professional hostesses. A tasteful catering delighted

everybody and was taken care in all its details.

The Show Technical Group was guaranteed by the professional support of Ms. Fredericke Kopp and her competent staff: music and sound design by Mr. Lars Blaak, speaking by Mrs. Myriam Dat (French) and Mr. Erik Blaak (English), computer scoring by Mrs. Nablaa Baraka and Mr. Mustafa Sloma.

The AHO World Cup was judged by Mrs. Sylvie Eberhard (Germany), Mrs. Marianne Tengstedt (Danmark), Mr. Fahad Al Otabi (KSA), Mr. Elyas Faraj (Bahrain), Mr. Mohamed Zaghloul Omar (Egypt) and Mr. Marek Trela (Poland). For both shows Dr. Mohamed Hammad was impeccable as the Ring Master, as Mrs. Malak Benamar, Mrs. Christine Keyser and Mr. Turki Al Muqbel were in their role of managing handlers and horses.

On the 4th and 5th August the eagerly awaited AHO Breeders' Championship Europe was held with the double number of horses entered.

That was the most supported show as everybody there asked for the best breeder and the best horse who they will probably meet in next shows.

The judges invited to judge the AHO Breeder's Championship Europe were Mr. Jerzy Bialobok (Poland), Mrs. Renata Schibler (Switzerland), Mr. Jaroslav Lacina (Cz Republic), Mr. Regis Huet (France), Mr. Abdullah Al Mokbel (Ksa) and Dr. Bruce Mc Crea (Usa). The technical team remained the same.

Chantilly show is doubtless the greatest show en plain air held in Europe.

4 days of sun, fantastic horses and a lavish venue, one of the most beautiful polo clubs in the world.

The atmosphere that can be experienced is special and irreplaceable. So we suggest, to book your seats for the 2019 edition of these two unmissable shows.

Enjoy the great pictures. □
