Mediterranean & Arab Countries
Arabian Horse Championship

TuttoArabi has never missed Menton Show since it started its adventure in the Arabian Horse World 21 years ago. It comes on our favourite time of the year, summer, on the fancy coastline of Menton, France. Already since many years, Madame Chazel and her team created a stunning show with always a nice atmosphere. This year the show registered the record of VIP tables and people and the number of entries increased respect of last year of 30%.

The weather was perfect in Menton, warm and sunny during the day, fresh and slightly windy during the night. Just on Sunday during the Championship a storm arrived but the organizers did a great job managing the event without any interruption. Madame Chazel and her staff were great in managing the organization and all the duties that occurred, focused on the best result as a show and for the show. The leitmotif this year and the dress code were "White and Blue", so fun, so "French Riviera" and so stylish. We have to say that almost all the exhibitors and VIPs respected the suggestion creating a great staging. The carpet, the chairs and the table coats in the VIP area were "White and Blue" as well and the final touch of the bags designed and created by TuttoArabi for the occasion was the perfect end of the amazing choreography. The show was, as always, nice and the atmosphere fantastic. Menton is definitely an event not to be missed and a great opportunity to add some extra days of holiday on the coast of Monaco or in the Côte d'Azur. Our magazine realized also this year the numbers for the handlers.

Thanks to the great staff that every year assist Madame Chazel, first of all Madame Briot and then all the people involved in the organization, the event was perfect and everybody enjoyed the show. Many spectators, all the media and Arabian horse lovers this year were at the event as Menton is one of the most awaited appointments of the year. A real A-show with only the best of the best. We are looking forward to next year. Now we leave you with all results including the special trophies, and all the pictures taken by our photographer Mrs. Paola Drera. Enjoy! □
