The Polish Jockey Club in Warsaw, the National Support Centre for Agriculture and the Ministry of Agriculture and Rural Development of Poland this year invited the Arabian horse people to attend the 40th Polish National Arabian Horse Show, held on 10th, 11th and 12th August.

In the centenary of Poland's regaining of independence, occurred in 1918, the feast of all Arabian horse sympathizers was held on the historical Sluzewiec horse racing track in Warsaw, as explained in his welcoming introduction the Minister of Agriculture and Rural Development, Mr. Jan Krzysztof Ardanowski.

"40th National Arabian Horse Show" he continued "plays an important role in the assessment and selection of breeding material. Only purebred domestic bred horses registered in the Polish Arabian Stud Book take part in the event."

As everybody knows breeding has more than two hundred years of tradition in Poland and breeding horses for Poland – not only for this country – represents a great opportunity in terms of national wealth.

Tutto Arabi witnessed the success of this event, for the first time held in the Capital – normally it was held in Janów Podlaski before the Auction – inside the unique location of the Jockey Club in Warsaw.

Many people, both breeders and passionate, came from all over to attend the show and be witness of the best of the best of Polish Arabian horse offer, horses distinguished for their beauty and for their nobility.

National Arabian Horse Show is traditionally an event that gathers the most beautiful and valuable Arabian horse from state and private Polish studs.

Also this year the expectations of all were satisfied and

the people who were present live there or through the livestream had the chance to admire some of the greatest horses in the world, heirs of a excellent genetic pool and glorious breeding achievements.

Thanks to the Organizers – the Polish Jockey Club and President Tomasz Chalimoniuk, the National Support Centre for Agriculture and the Ministry of Agriculture and Rural Development – for offering a great show to all the people involved, from the workers to the VIP and the breeders attending the show.

Thanks to the Show Announcer, Mr. Mariusz Rytel and to the Judges for their professional contribution: Mr. Zico Guardia from Brazil, Mr. Tom Husebye from Norway, Mr. Pierluigi Rota from Italy and Mrs. Renata Schibler from Switzerland.

Thanks to the Probationer Judge Mrs. Monika Stefaniuk and to the DC composed by Mr. Gijis Eggink from Belgium, Mrs. Christine Keyser from Norway and Dr. Vet. Alicja Swietlikowska from Poland.

Thanks to the Ringmaster Mr. Gerard Oben from Belgium and, last but not least, to the Show Office, Mr. Marek Romanski from Poland and to the Veterinary Officers, Mrs. Alicja Swietlikowska and Mrs. Patrycja Sylwia Kaniewski, both from Poland.

In closing, thanks to the Media Partner, Telewizja Polska, Polskie Radio and Kon Polski for their support and to the impeccable job made by Arabian Essence that manage the livestreaming of the event.

40th National Arabian Horse Show doubtless contributed to the growth of the Arabian horse's prestige in Poland, as the Minister of Agriculture wished for. Tutto Arabi was proud to be part of it and invites you all, dear Readers, to be present to the next edition. □
