Our warm thanks goes to the ACA France and the staff with Myriam and Alain Chatton who organized the French National Arabian Horse Championship in the great frame of the Haras National of Pompadour.

A very nice and funny show was offered to all the guests and participants by the French handlers who worked hard to give us one of the best performances seen during the last show season. All the participants enjoyed the atmosphere and the conviviality in the air empowered by the organizers who perfectly managed the time spent together.

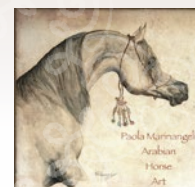

One of the best moments dedicated to beauty and perfection was the demonstration of Cécile Forest and Eloïse with Priam de Djoon. The breathtaking performance gave to all the people present a sensation to be in paradise surrounded by regal creatures.

The show was really crowded this year and the organizers can be satisfied about the participation by contenders and public. For sure every year the show will involve more and more people as we all expect considering the importance and beauty of the

location and the chance offered by the show to French breeders to win breedings by famous stallions. As a matter of fact 18 breedings of famous stallions were won by the 15 French breeders who hopefully in 2021 will introduce the newborns to the world participating in the Yearling National French Championship.

We also want to suggest you all to visit Pompadour and its Haras National which offers space and services to horse lovers. In addition to the National Stud farm and a renowned racecourse, used for both flat races and steeplechase, there's something for everyone in the Pays de Pompadour - food (the region is famous for its beef cattle and its apples Golden AOP), heritage (with the Chateau de Pompadour, the Chapel St Blaise and its monumental painting by André Brasilier, and the Chartreuse de Glandier unique in Limousin), horse riding and equestrian competitions from regional to international levels, walks, relaxation, and lots of places to enjoy!

Next year the French National Championship waits for you and the most beautiful French horses! □
