## 7-8 July

As every year the International B-Show, the European Show, the Championships with Geldings were parts of the Arabian Horse Days in Ströhen, held on 7th and 8th July and greatly organized by Ismers Family. Ismers are a big family of long legacy in horses and animals: the grandfather of Nils, Rolf Ismer was the founder of the Zoo. Since 2007 the zoo and especially the stud farm grew up under the direction of his father Holger Ismer. Now Mr. Nils Ismer is the owner of the Zoo and the Farm. The zoo is just in front of his family house in Ströhen, where the family loves to host friends and once a year this very interesting Arabian horse event, always studded with special moments like the one we spent under a big tent all together watching a World Cup match.

This is just one of many small details that made the "International Days For Arabian Horses" very special! Only two days to discover the beautiful animals who live in the "Tierpark", to visit the area and to attend the shows, in a relaxed atmosphere made of joy, shared passion and conviviality. This year the news that enriched the park was the presence of three great examples of asiatic female elephants, trained by Mr. Elvis Errani (elviserrani@hotmail.it), an expert animal trainer who represents three generations of circus trainers.

For the two shows two groups of judges coming from every part of the globe were invited. For the European on 7th July they were: Mr. Emrys Jones (GB), Mr. WP Michau (Namibia) and Mr. Ali Shaarawi (Egypt).

The ringmaster was Lizette Svensson (daughter of Sven Svensson and Lise Egeland-Svensson).

Music very good by the young and promising Mr. Lars Blaak, son of the well known speaker, for us

The ring master was Sven Sensson. DC by Dr. Mohammed Hammad and Dr. Line Brunsgaard.

Every day and night a delicious lunch and dinner were offered at the special “Tierpark Restaurant” to the guests by Ismer Family who, we can confirm, knows how to

host a guest the best way.

Mr. Nils Ismer, during our last dinner together, confirmed his attitude to be a great master of the house saying thanks to all the presents for contributing to the success of the show days and making a special thank to a special person who for the days of the show gave smiles and solved problems to all of us, Mrs. Yvonne Haberman.

We want to thank the whole family Ismer for the warmth and familiarity that made us spend one of the most beautiful weekends of the year.

The best livestream was by Mr. Marco Vignato of Arabian Essence.

A special thanks goes to Mr. Ismer by me, my son and all the editorial staff of TuttoArabi. □
