# AVS NATIONAL C SHOW & EUROZONE CUP

*On the 18th and 19th day of August a National C Show and Eurozone Cup, a European C show, were organized by the Dutch studbook AVS on the grounds of Hippisch Centrum Exloo. It was since 2010 that there the Lowland Arabian Cup was held and this time it promised to be a nice two days of Arabian horseshow again on this completely transformed location in this Northern part of the Netherlands. A lot of enthusiastic competitors and a beautiful setting. Where a class was composed of more than five competitors, I will limit it to the top five for this article.*

by Aad Oomen ■ photos by Isabelle Könst

## NATIONAL C SHOW

The weekend started with the National C Show on Saturday the 18th of August. The judges for this day were Mrs. Helen Hennekens-van Nes from the Netherlands, Mrs. Martine van Hee from Belgium and Mr. Jonas Salzmänn from Kuwait.

The first class was the class of yearling colts and here it was IEA Gailjano (BS Karanji x Bes-Ginger), bred and owned by Idoly's Eye Arabians, that took the win. This chestnut showed a lot of athletic competence and was the most complete and showy horse of the class. He was followed by the more exotic BA Palucci (Magic Magnifique x Palissade KA), bred and owned by Bembom Arabians. A grey colt with a very attractive head. The wondering EA Emilio (Empire x Enkora), bred and owned by Elsburg Arabians, the combination G. Arends & W. Bartels, became third and Nafesa Najeeb (Mahder Al Jamal x MF Nassera), bred and owned by Nafesa Arabians ended the class as fourth.

The second year old colts were on and here the first place went with full conviction to Ali Khan (Cavalli x Althea), bred by Brugman Arabians from Belgium and owned by Paula Böhmer, a very luxurious and expressing young colt with a wonderful show attitude. With more points on movement but less on type, Ali Khan was followed by the more complete Ghazyr PKA (Al Ghazali AA x Ydola F), bred and owned by PeKa Arabians. This chestnut, with a very nice short head and enormous eyes, is very correct and showed great movement. The black AAY Ayaat Ibn AJ Rafiq (AJ Rafiq x Abhdulla Nordine), bred by M.J. Haahr from Denmark and owned by Ronny Derom, became third.

There was just one competitor with the three year old colts and therefore the victory went automatically to the bay Palermo KA (Tajj x Precious), bred by Klarenbeek Arabians and owned by Chantal Schilperpoort.

After the junior stallions the junior mares classes started and with the yearling fillies KA Wahidah (Magic Magnifique x Wolante), bred and owned by Koo Arabians, claimed the win with two times 20 for head. This bay filly has an extremely short and dishy head which go together with a solid and correct body. BA Fiorella (El Palacio VO x Floressah W), bred and owned by Bembom Arabians, was a bit insecure during her presentation in movement but made up in her stand-up. She deserved the second place. Nafesa Majidah (Mahder Al Jamal x Kenelm Mona Ghalia), bred and owned by Nafesa Arabians, didn't show as we are used of her but nevertheless this attractive filly with great Arabic type became third. Personally I was impressed by the num-

ber four, ASE Kamiliya Hlayyil (Kahil Al Shaqab x ASE Bisiriya Hlayyil), bred and owned by Arabian Stud Europe. This filly however was not as impressive during her individual round as during the entrance presentation, which did cost her points and therefore she became fourth.

In the class of two year old mares the victory went to Farisa PKA (FS Reflection x Faridah Bint Marajj PKA), bred and owned by PeKa Arabians. Despite her nervousness this correctly build bay mare gained the necessary appreciation of the judges. With only 0.17 points difference she was followed by the white and Spanish bred MVH Lamise (ESM D'Justin x ZA Cafirah), bred and owned by Megan Vergoes Houwens. The very typy Cadanz Faridah (Shiraz de Lafon x Cadanz Djamilah), bred and owned by Cadanz Arabians, ended third because of a deduction on points for head, followed by the chestnut AA Zharaya (ZA Imago x Aya Conchita), bred and owned by the inheritors of A. Martha-Schuurman as fourth.

Also the three year old fillies had only one competitor and the class was therefore won by the big, bay Habib's Robina (ByStival Kossack x GB Habibi), bred by B. Morees and owned by F.F. Morees.

The class of filly foals was well filled with six competitors. The first place went to eye-catcher BA Nailah (Magic Aban x Magic Nadima), bred and owned by Bembom Arabians, a very balanced filly foal. And with this class win BA Nailah also became Gold Champion filly foals. F&M Last Princess of Karma (Forelock's Shaheen x YA Karma), bred and owned by F&M Arabians, a very solid bay foal, became second and thus Silver Champion. Pushca Z (AF Acapulco x Pushinka), bred and owned by D.W. Colenbrander, became third and therefore Bronze Champion, a very nice and correct filly foal. The slender dark bay DG Vittaroza (Cadance PA x DA Vittoria Dancer), bred and owned by Denise van Gils, became fourth and ASE Gabriella Al Gazal (Gazal Al Shaqab x Geraldine El Jamaal), bred and owned by Arabia, n Stud Europe, became fifth. This last filly was still in her heavy foal fur, which despite her expression and attitude did cost her points. Cyra DM (AF Umoyo x Cymenka), bred and owned by D. Meijerman, became sixth.

The geldings followed the filly foals and the "big black mover" ASE Bailando (Bastian El Pryam x Brasilia Chariklia), bred by Arabian Stud Europe and owned by Susanne Ackerman, trotted to the first place with his great movements and became the Gold Champion. Maghada's Shayan (TF Afrikahn Shah x Maghada), bred by Paula Böhmer and owned by S. de Vos-van Rossum, became second and Silver Champion. A horse with a very simple head for an Arabian,

but obviously an outstanding sport horse in great condition. Sadeek Rifat (SL Carrera x Samawhiyah Rifat), bred and owned by Rifat Arabians, became third and therefore Bronze Champion.

Before the break the last class was the class of colt foals and it was the unbeaten ASE Farhan (RFI Farid x ASE Bisiriya Hlayyil), bred and owned by Arabian Stud Europe, that became the Gold Champion colt foals. A very expressive foal with an unbelievable show attitude and beautiful Arabian type. My personal favourite was the second placed Silver Champion EA Pajero (Forelock's Shaheen x EA Pashshida), bred and owned by Elsburg Arabians. A very awake and correctly build foal with beautiful eyes, established attitude and great movement. Avicii Lazize (Parys K x Lira di Mar), bred and owned by the combination Böhmer & Stoop, became third and Bronze Champion. Also a very correct, bay colt foal with good movement. Hadiyya's Azzan (Wanderos x SA Azzahra Bint Salar, bred and owned by Sien Buedts, became fourth and the still very small, not even four weeks old CNC Louk (Kaisson x Loulou MA), bred and owned by CNC Arabians, closed the class as fourth.

After a welcome break, during which everyone could get refreshing drinks and food, the afternoon program started with the senior classes and the first was the class of four to six year old mares. The nice, bay ZK Nadonna (Pogrom x Nashakana Kossack), bred and owned by ZjaKuba Arabians, became first, followed by the more classic Shazia Bint Valdes (KAS Valdes x Shadiya), bred and owned by Danielle Biesenbeek. The slender and athletic Tabriz (Bashir Al Shaqab x Ye Bahir Waghah), bred and owned by Ancient Traces B.V., showed a lot of attitude but due to less points on type had to let the other ladies go first, she took the third place.

In the following class of seven to nine year old mares, Bess Me Simona (Shanghai EA x Bess-Eden), bred by Bessewacht Arabians and owned by Paula Böhmer, with full conviction took the victory. A very beautiful grey mare with lots of type who obviously was in the mood to show with her tail up. A second place was there for her stable mate Majima (Najm x Maghada), bred and owned by Paula Böhmer, who also showed great movements but had a lower score on type. The black PA Vittoria Dancer (Sundance Kid V x Vertheyna), broed by J. Frank and Sara R. Chisholm from the USA and owned by Denise van Gils, took the third place and the Straight Egyptian mare Promise's Nashwa (Entebbe CA x Flaxman's Wardah), bred by Paola Bult and owned by Amy Zoutberg, became fourth. The very well build, Russian bred AF Papaya (Papillon x Palatina F), bred by B. Fayt from Belgium and owned by G. Salleveld, made a less flattering impression without a tail and ended, despite good points on body and topline, as fifth.

There were four mares in the class of ten to fifteen year old mares, in which the very showy and large mover Bahiyaa (CH El Brillo x Bupali), bred by Seliman Arabians from Austria and owned by Natascha Bojawal, gained the first position. The also very expressive moving EA Pashshida (Nadir I x Protava), bred and owned by Elsburg Arabians, reached the second place with her great show attitude, followed by the Polish bred Analogia (Pesal x Antonia), bred by Janow Podlaski Stud from Poland and owned by Chantal Schilperpoort, as fourth. Shadiya (Sivmen B x AF Antha), bred by M.C. Jimmink and owned by Danielle Biesenbeek, became fourth and with that the class came to an end.

The last class of senior mares was the class for the so-called "veteran mares", the mares of sixteen years and older. In this class the very showy Prisiage (Gordon x Purga), bred by the Kossack Stud and owned by C. Loots, took the first place. A classical beauty in top condition, who loudly snoring and imposing tail carriage completely took the stage. The bay Aqila (Kubay Khan x Khorama), bred by G.F.M. Exterkate-Kleizen and owned by I.E.M. Kosterink, became second and the classical Elite mare YA Karma (Karnaval x Kormangal), bred by Yaccaranda Arabians and owned by F&M Arabians, with her beautiful eyes, became third. It was the grey FHJ Remezida (Sha Lazio x Moon's Reza), bred by M.G. Jutting and owned by B. Conte-Gols, who ended this class and the program for senior mares.

Before the senior stallions there were two competitors for the Liberty class. The winner of the geldings, ASE Bailando and the mare Priskazka (Kingsize x Pritch), bred by Tersk Stud from Russia and owned by R. van Gulik, both showed their expression and movement in freedom and battled for the victory. ASE Bailando in the end ranked first and thus claimed his second price of the day.

There was only one class of senior stallions, the class of the four year and older stallions. LB Genesis (WH Justice x Bess-Ginger), bred by LB Arabians from Norway and owned by Idol's Eye Arabians, became first, a beautiful grey stallion who is great in type. This imposing stallion with great neck and front was also crowned Golden Champion. KAS Gigi L'Amoroso (Ajman Moniscione x Sheika MAF), bred and owned by Wenche Roefs, became second and thus Silver Champion. A luxurious stallion with large movements, which he already showed during his escape in the collecting ring. The very refined, exotic Nafesa Makito (MF Aryan El Thessa x Nafesa Malaika), bred and owned by Nafesa Arabians, obviously was excited because of all the commotion in the collecting ring, due to which his presentation and movement were totally gone, which did cost him substantial points for movement. He did however reach the third place with a Bronze Medal, because of his fair points on type and head. FD Sadiq (G Basgier x Adrenaline P),

bred and owned by Demelza Timmer, gave his owner and handler a hard kick, due to which his presentation in movement ended abrupt and he had to make it up with his stand-up alone. Therefore he came fourth and last in this class.

With the end of the halter classes it was time for the championships. In the championship junior colt it was a unanimous Gold Medal for Ali Khan, with also a unanimous Silver Medal for Ghazy PKA. BA Palucci got the Bronze Medal and completed this stage of honor. All three medals in the championship for junior fillies were unanimous. Not unexpectedly and very much deserved, the Gold Medal went to KA Wahidah, followed by BA Fiorella with Silver and Habib's Robina with Bronze.

Also the senior mares had three times unanimity and it was Bess Me Simona who was crowned Gold Champion, with Bahiyaa as Silver Champion to great joy of her owner. "Grande dame" Prisiage had the Bronze Medal awarded with a loud cheer.

Finally, the judges had to nominate one of the Gold Medal winners as Best of Show. This ultimate honor was, again unanimous, granted to KA Wahidah. What a success for Koo Arabians!

And with that the National C Show in Exloo came to an end. On the showground a barbecue and drinks were organized for all competitors and visitors that wanted to join. Until late at night people were talking and having fun, until it was time to go to bed for the Eurozone Cup on Sunday.

## EUROZONE CUP

On Sunday the Eurozone Cup started early at 8.30, with Mrs. Sylvie Eberhardt from Germany, Mrs. Renata Schibler from Switzerland and Mr. Cedés Bakker from the Netherlands, as judges.

The morning started with the filly foals and it was immediately the eye-catcher of the class who took the first place. Cypsela (RFI Farid x Virginia Apal), bred and owned by James & Christel Swaenenpoel from Belgium, is a very refined and showy foal and the win was well deserved. The Russian bred Pushca Z (AF Acapulco x Pushinka), bred and owned by D.W. Colenbrander from the Netherlands, ranked second, followed by Saturday's winner BA Nailah (Magic Aban x Magic Nadima) of Bembom Arabians. VDB Lameenah (RFI Farid x Perolateh), bred and owned by VDB Arabians from Belgium ended fourth ex aequo with the number three and the dark bay DG Vittaroza (Candance PA x PA Vittoria Dancer) of Denise van Gils completed the top five.

In the next class of geldings WW Shazam (Ajman Moniscione x GM Marwan Al Shakira), bred by W-Arabians from Sweden and owned by Em Arabians from Denmark, took the win. A well build, dark bay gelding very good in type. The black ASE Bailando (Bastian El Pryam x Brasília Chariklia) of Susanne Ackerman became second this time, with the athletic, dark chestnut Maghada's Shayan on the third place. The grey Sadeek Rifat (SL Carrera x Samawhiyah Rifat) of Rifat Arabians followed as fourth.

The following class of colt foals had eight competitors and again the unbeaten ASE Farhan (RFI Farid x ASE Bisiriya Hlayyil) of Arabian Stud Europe ended first. What an expression this young animal has, a real promise for the future. On the second place we found the dark grey Samurai KS (ES Harir x Stellaris BPA), bred and owned by Bassam Al Saqran from the USA and owned by Amira Nasr from the Netherlands. As a third place there was a bay foal from elite lines, FM Marshall (QR Marc x FM Dohaa), bred and owned by Bernard & Mieke Vandamme-Sans from Belgium, a grandson of the legendary FM Gloriaa. De still very young CNC Louk (Kaisson x Loulou MA) of CNC Arabians ranked fourth and the top five was completed by the macho, showy EA Pajero (Forelock's Shaheen x EA Pashshida) of Elsburg Arabians.

The numbers one and two of the filly foals subsequently battled with the numbers one and two of the colt foals in the foal championship. The Gold Medal went to Cypsela and the Silver Medal to the other filly foal Pushca Z, after which the Bronze Medal was awarded to the quality colt ASE Farhan.

The first class of yearling fillies was then to being and the first place was taken by Maria Magdalena NWA (FA El Rasheem x Magdalena NWA), bred and owned by North West Arabians from Denmark. A superb refined filly with lots of elegance and an outstanding head that was appreciated with three times 20. BA Fiorella (El Palacio VO x Floressah W) of Bembom Arabians ranked second, followed by a filly of more classic type Sherika (BS Mashallah x Saadia), bred and owned by Eveline Calis-de Wit.

In the second class of yearling fillies it was the very chic CBA Maruja (EKS Alihandro x Maharani CF), bred and owned by Bouché Arabians from Germany, who ranked as first. A filly with a remarkably good topline that also had good points on type, head and movement. The bit more heavy but also good in type and large moving ASE Kamiliya Hlayyil (Kahil Al Shaqab x ASE Bisiriya Hlayyil) of Arabian Stud Europe became second. Nafesa Majidah (Mahder Al Jamal x Kenelm Mona Ghalia) of Nafesa Arabians just missed the way to championships with a third place and the Best of Show on Saturday, KA Wahidah (Magic Magnifique x Wo-

lante), was not quite right in her movement this day which did cost her points and she ended thus as fourth.

In the class of two year old fillies the first place was for Cadanz Faridah (Shiraz de Lafon x Cadanz Djamilah) of Cadanz Arabians, with her exotic head. The female VDB Qatar'yna (Abha Qatar x ES Raisin), bred and owned by VDB Arabians, moved with a lot of tact and flexibility to a second place. The grey Faridah de Cartherey (Wazeer Al Shaqab x Wadiha de Cartherey), bred and owned by De Cartherey Arabians from France), was obviously impressed by her surroundings due to which her presentation was a bit flat, but nevertheless she reached the third place. The last two places in the class were for the Spanish bred ladies MVH Lamis (ESM D'Justin x ZA Cafrah) of Megan Vergoes Houwens from the Netherlands and AA Zharaya (ZA Imago x Aya Conchita) of the inheritors of A. Martha-Schuurman.

There were three competitors in the class of three year old fillies. The winner was the chestnut Aja Athena (EKS Alihondor x Aja Aphrodite), bred and owned by Aja Arabians from the UK. A mare with an attractive refinement and a lot of flexibility in her movements. The RFI Farid daughter Savannah OS (out of Aijana OS), bred by Osterhof Stud from Germany and owned by Danubius Arabians from Romania, became second. She is a correct bay mare with a nice Arabian type head, who can use a bit of length in the neck. Habib's Robina (ByStival Kossack x GB Habibi) of F.F. Morees closed the class as third.

Then the first class of senior mares was to begin, the class of four to six year old mares. With very nice points the expressive grey Wantasia (Juwel OS x Wanila), bred and owned by Husted Arabians from Denmark, took the first place. With an ex aequo ranking with the number three the beautiful ZK Nadonna (Pogrom x Nashakana Kossack) of ZjaKuba Arabians ended second followed by VDB Qatar's Ra'ana (Abha Qatar x ES Raisin), bred and owned by VDB Arabians. An attractive chestnut who just like her full sister in the yearling class showed an excellent movement. The fine lined, athletic Tabriz (Bashir Al Shaqab x Ye Bahir Waghah) of Ancient Traces B.V. ranked fourth and Shazia Bint Valdes (KAS Valdes x Shadiya) of Danielle Biesenbeek completed the top five of this class.

After the break the seven to nine year old mares made their appearance in the ring. Eight beautiful mares entered and the first place was for FM Dohaa (Ajman Moniscione x FM Gloriaa), bred and owned by Bernard & Mieke Vandamme-Sans from Belgium. A beautiful and typy chestnut with a nice dishy face. Miss Diva Isa (HO-Cosmo x Drabina Isa), bred and owned by Isa Stud from Denmark, became second and the champion of Saturday Bess Me Simona (Shanghai EA x Bess-Eden) of Paula Böhmer completed

the top three. De beautiful grey VDB Fathia (Aja Justified x Tahity Bint Salar), bred and owned by VDB Arabians, ranked fourth and Bess Me Simona's stable mate Majima (Najm x Maghada) of Paula Böhmer closed the top five.

There were seven competitors in the class of mares ten years and older. With great movement Perlina (Vivaldi Rach x Persenkowka), owned by VDB Arabians, ended first. A well deserved win for this classical beauty. Prisiage (Gordon x Purga) of C. Loots, who just as the day before showed with lots of bravoure, ranked second. The correct EA Pashshida (Nadir I x Protava) of Elsburg Arabians moved a lot of dirt with her firm trot, but was distracted and looking for her foal, due to which she was a bit lacking of bravoure. If she would have been more focused and showy, the ranking in my opinion would have been different. Shadiya (Sivmen B x AF Antha) of Danielle Biesenbeek became fourth and the Kubay Khan daughter Aqila (out of Khorama) of I.E.M. Kosterink made the top five complete.

Now it was time for the stallion classes and in the first group of yearling colts the grey Marnix KA (QR Marc x Moghtarrah), bred and owned by Knocke Arabians from Belgium, took the win. Despite the fact that he was not a bad mover I did not expect his first ranking and thought that the number two, Morjan WZA (Emerald J x Bint Medina), bred by WZA Arabians from Denmark and owned by Elvelund Arabians from Denmark, would rank first. He is a very expressive young colt with really superb movements. The dark chestnut BS Kadjar (BS Karanji x Sherruka Al Roban), bred and owned by Brigitte Sprave from Germany was, with his high blond manes and tail, a real eye-catcher and he became third. GK Rafiki (Jaipur El Perseus x DK Maxima), bred by the Verwimp-van Oosterwyck family from Belgium placed himself as fourth.

In the second group of yearling colts it was the chestnut Moncino DD (Fayad Al Fayyad x Lady Cassandra DD), bred and owned by Dirk Dejonkheere from Belgium, who presented himself very good and took the first place. Viking IS (Maestro des Alpes x Porcelainna), bred and owned by Claverdon Stud from the UK, became second. A young, dark bay stallion who presented himself with a lot of expression, a lot of neck and establishment and has a nice head, but his topline was not in the best condition. The chestnut IEA Gailjano (BS Karanji x Bess-Ginger) of Idol's Eye Arabians followed. In my opinion a more complete and correct build horse but a bit less in type. BA Palucci (Magic Magnifique x Palissade KA) of Bembom Arabians ended fourth this time, with his exotic, luxurious head and the Polish bred EA Emilio (Empire x Enkora) of Elsburg Arabians became fifth and with that ended the classes for yearling colts.

Six competitors with the two year old colts and the well-known A Kanz of Kossack (Kanz Albidayer x Ariel), bred and owned by the Kossack Stud, stole the show with his always imposing presentation. With exactly the same points Ghazy PKA (Al Ghazali AA x Ydola F) of PeKa Arabians ranked second. This very complete young stallion with is broad, short head an enormous eyes showed himself really well with good tail carriage and large movements. De also large moving Raina Solaimon (Magic Magnifique x Raina Cataleya), bred and owned by Raina Rabians from Belgium, placed himself as third, a correct young colt with a beautiful neck. The bay CBA Mattheus (Fadi Al Shaqab x Maharani CF), bred and owned by Bouché Arabians, placed himself as fourth and the grey Fadiallah de Cartherrey (Shanghai EA x Yallah Bint Mahalim) of the Cartherrey Arabians completed the top five.

The class of three year old colts had two competitors. Here the battle was between Marwadee Del Mar (Wadee Al Shaqab x Avalon Kortana), bred by Sandrine Hervieu from France and owned by Del Mar Arabians from France, an attractive and expressive bay colt; and the bay Palermo KA (Tajj x Precious) of Chantal Schilperpoort. With almost four points difference Marwadee Del Mar took the win.

The four to six year old stallion had six competitors and the large mover with beautiful head KAS Gigi L'Amoroso (Ajman Moniscione x Sheika MAF) of Wenche Roefs placed himself first. The well build grey Genetrix (WH Justice x Gwarka), bred by Agnieszka Wojtowicz from Poland and owned by Danubius Arabians from Romania, became second followed by LB Genesis (WH Justice x Bess-Ginger) of Idol's Eye Arabians with his beautiful neck. Nafesa Makito (MF Aryen El Thessa x Nafesa Malaika) of Nafesa Arabians was calmer this time and placed himself as fourth. Hill's Maximo (ESM D'Justin x DM Layla), bred and owned by Hill's Arabians from Belgium, closed the top five.

In the class seven to nine year old stallions again only two competitors but nevertheless a clash of the titans. Both Profender KA (QR Marc x Palanga) bred by Knocke Arabians and owned by Florentina Arabians from Belgium; and ZA Imago (EL Ninjo x ZA Cafrah), bred by S. Fischer from the Netherlands and owned by L.A. Fischer from the Netherlands, are excellent movers. It was the more typical Profender KA who with even more expression and schwung moved forward and had the audience on his side. He took the win and ZA Imago thus followed as second.

The last class of the day was that of the ten year and older stallions, with three competitors. The beautiful grey Lissar (Gazal Al Shaqab x Larissa), bred by Michałow Stud from Poland and owned by Barakah Arabians from Denmark,

showed himself exceptionally and with three times 20 for his excellent movements he took the well deserved first place. AR Fayyim (Valerio Ibn Eternity VI x Aicha SVA), bred by Arabian Ranch, I.M.M. Lopez y van Breemen, from the Netherlands and owned by M. van Heiningen from the Netherlands, ranked second and the bay FS Marakesch (Windsprees Mirage x BB Mara), bred by Heike & Gunter Scherle from Germany and owned by Jacqueline de Jong from the Netherlands, placed himself as third.

The final stage of the Eurozone Cup then where the championships, in which the medal winners also would win a breeding of prominent stallions and the other championship competitors would win a money price. The first championship was that of the yearling fillies and here, totally not unexpected, the beautiful and elegant Maria Magdalena NWA became Gold Champion. The Silver Champion was from Germany in the form of CBA Maruja of Bouché Arabians and BA Fiorella kept the Bronze Medal in the Netherlands. With the yearling colts it was the striking Moncino DD who won the Gold Medal, followed by Marnix KA with the Silver Medal and the great mover Morjan WZA as Bronze Champion.

The championship for junior mares was won by Aja Athena with the Gold Medal and Savannah OS was crowned Silver Champion. Again the Bronze Medal remained in the Netherlands, with Cadanz Faridah. The championship for junior colts had A Kanz of Kossack as winner, with Marwadee Del Mar winning the Silver Medal and Ghazy PKA gaining the Bronze Medal.

In the senior championships the Polish grey Wantasia went home with the Gold Medal, followed by the typy FM Dohaa as Silver Champion and Perlina taking the Bronze Medal. The impressive Lissar took the Gold Medal with the senior stallions, with the Silver Medal going to Profender KA and the Bronze Medal to Genetrix. Three grey champions in a row.

After the championships the judged had to choose a Best of Show from the Gold Medal winners. Again not unexpected and in my opinion definitely well deserved, Maria Magdalena NWA became Best of Show.

With the end of the Eurozone Cup the Arabian horseshow weekend in Exloo came to an end. It was after eight years again a very successful show weekend in the province of Drenthe in the fully transformed Hippisch Centrum Exloo, with beautiful horses, interesting prices and enthusiastic competitors. I think I can talk for a lot of people if I say that I am really looking forward to the 2019 edition. A big thank you to the board of the Dutch AVS studbook for this great initiative!. □
