Saturday May 4th

This ECAHO International B Show started on Saturday May 4th at 9.30 am, with the class of two years old colts. I would like to mention that when a class consisted out of more than five horses, I limit myself to the top five for this report. For further results I refer to the Tulip Cup's website and to Arabian Horse Results. The class of two years old colts had seven competitors and first in this class became the quite tall and masculine AJ Elaf (AJ Mardan x AJ Estralla), bred and owned by Ajman Stud (UAE). A pretty young colt with a refined head that really looked stallion material. Second in the class was his stable mate AJ Nawash (Shanghai EA

x Inspired Najla), also for Ajman Stud. This grey colt was obviously much younger and thus smaller than the number one, but was at least as pretty with an almost feminine refinement. Fulger DA (Empire x Formia), bred and owned by Danubius Arabians from Romania, became third, a nice dark bay colt with a beautiful Arabian type. Sameh Al Shahania (FA El Rasheem x Abha Qalams), bred by Al Shahania Stud (QAT) and owned by Mr. M. Magoob (ISR) was placed fourth. This bay colt has the most impressive and refined front but lacked a bit in his movement which put him just out of the top three. KA Norrin Joosseppi (Magic Magnifique x Najib's Naomi), bred and owned by Kanka Arabians (CZ), did not lack in movement at all and with

two times 20 and two times 19.5 for his powerful trot this appealing chestnut ended fifth.

Four three years old colts then made their appearance and it was the very exotic Ali Khan (Cavalli x Althea), bred by Brugman Arabians (BE) and owned by Ms. Paula Böhmer (NL), that took the win in this class. This promising chestnut has a great attitude, with good tail carriage, a very nicely shaped neck and beautiful head with bulging eyes. A well-deserved second place was there for CBA Mattheus (Fadi Al Shaqab x Maharani CF, bred and owned by Bouché Arabians (DE). This bay colt is a bit more classic in type but in my opinion has a better confirmation and well-built body. Magnifique J (Emerald J x Magnificent Lady J), bred by Jadem Arabians (BE) and owned by Mr. W. Corty (BE), became third and the high-legged Lanze NWA (EKS Alihandro x Magdalina NWA), bred by North West Arabians (DK) and owned by the Mansoor family (DK) closed the class.

With just one class of yearling colts on the program, the following class directly included the championship. The very pretty chestnut Nomad DA (Fayad Al Fayyad x Lady Cassandra DD), bred by Mr. Dirk Dejonckheere (BE) and owned by Danubius Arabians (RO) took the Gold Medal here. A very compact young colt with a beautiful shaped, refined head. The grey, black born Mahasin de Cartherey (R'adjah de Cartherey x Wadi'ha de Cartherey), bred by De Cartherey Arabians (FR) was a bit nervous and showed a bit of an insecure trot, but nevertheless this strong and

solid colt convinced the judges of a Silver Medal. AJ Kmrn (AJ Mardan x Kalipso Settimocielo), bred and owned by Ajman Stud, became third with a Bronze Medal and CP Djuliano (Shanghai EA x CP Cjuliotta v. Shanghai EA), bred and owned by Mrs. C. Polte-Welbers (DE), followed as fourth. This grey colt has a pretty head and has an almost fragile refinement, but is then also very inbred. DA Magic Diamond (DA Just a Diamond x DA Enfidha), bred and owned by Diamond Arabians (AUT) was very impressed by his very first show and drew up fifth.

It was then that the music stopped and the Tulip Cup organization, together with all officials and Arabian horse friends, honored Mr. Gijs Eggink, a highly esteemed ringmaster and DC and very welcome guest at many Arabian horse shows throughout the years. Despite his severe illness, Gijs took the time and found the strength to teach and guide young DC's during this first part of this Tulip Cup. Now he said farewell and all said farewell back, wishing him all strength and comfort one could wish for.....

After this emotional moment and with the classes for the junior stallions being behind, it was up to the foals to make their performance. Three colt foals entered the ring and Sinbad Al Bahar (Dahman Al Mahder x Bess Me Simona), bred and owned by Ms. Paula Böhmer (NL) won this class with a Gold Medal. This young, furry foal is very compact and well-built with a nice short and typical head. The Silver Medal was for the more mature VDV Illuminate (Alexxanderr x NA Faramiyah), bred and owned by VDV

Arabians (BE). This young boy really head a great neck which he already carried wonderfully. KA Nafal (Fadi Al Shaqab x AR Nadjarab), bred and owned by Koo Arabians (NL) was a bit weak in the legs and quite shy, which lead him to the third place with a Bronze Medal.

In the class of filly foals it was the outstanding (!!!) CBA Indiyana (Wadee Al Shaqab x Ilena Al Aryes), bred and owned by Bouché Arabians (DE) that was placed first, with a very well deserved Golden Medal. A very luxurious filly foal with a beautiful front, impressive attitude and

exotic head, really almost statuesque. With more than two full points difference she was followed by Flaxman's Rania (W Justice x Papillon KA), bred and owned by Flaxman Arabians (BE), a typical foal with great movement. VDV Aphrodite (RFI Farid x Virginia M), bred and owned by VDV Arabians, took the Bronze Medal home.

In the battle for the Hennie Kuijf Trophy for Best Foal, it was no surprise that the beautiful CBA Indiyana won unanimously over the nevertheless endearing Sinbad Al Bahar.

With just the Liberty Class to follow before the break, it was the never ending trotter Ebenos (Om El Bellissimo x Enaam), bred by Janow Podlaski State Stud (POL) and owned by Flaxman Arabians (BE) who convinced the judges with success of his victory. What an impressive horse! His stable mate MM Erasmo (RFI Farid x MM Estefania), bred by Mario Matt Arabians (AUT) and also owned by Flaxman Arabians, became second. DA Mosambic (DA Energetic x Millenia), bred by Darius Arabians (DE) and owned by Mr. R. Heijmans (NL), is a grey with classical looks and she was placed third. It was the chestnut Shenika (Kubinec x Sherruka Al Roban), bred by Mrs. B. Sprave (DE) and owned by Mrs. T. Bross (DE) that led us into the lunch break.

After the lunch break the classes for junior mares started, with four entries in the first group of yearling fillies. It was the very exotic, fine lined FA El Rasbeem daughter Fiera

Belinda (out of Lyan Al Dameer EA), bred and owned by Eiad and Amira Safady (NL), who took the lead in this class. A filly with a great stand-up! The chestnut AJ Nargis (AJ Mardan x Inspired Najla), bred and owned by Ajman Stud, was placed second. This full sister of the legendary AJ Norah maybe did not have the exotic type of the number one, but overall – in sense of looks, confirmation and movement – in my opinion was the most complete filly of the class and it was therefore with a very small difference that she placed second. DA Mahiba (Lawrence El Gazal x DA Miss Justice), bred and owned by Diamond Arabians, took the third place and a bit to my surprise the fourth place was for the appealing Walisa (AJ Portofino x Wakhida), bred by Husted Arabians (DK) and owned by M. M. Peretz (ISR).

In the second group of yearling fillies, the win was for AJ Yaziah (AJ Mardan x AJ Yndirab), bred and owned by Ajman Stud and a grey filly from the dam line of AJ Azzam.

x Floressah W), who is a bit heavy in the neck but is a very appealing, classical and typical mare overall. Jenova Kalliste (SMA Magic One x Shamilah Jina Bea), bred by Kalliste Arabians (FR) and owned by Eiad and Amira Safady (NL), closed the top five of this class.

Nemesi Regalis (SA Faез Simbad x Nashira By Chawy), bred by Mr. P. Re (IT) and owned by Mrs. Nayla Hayek, Hanaya Arabian Stud (CH), undoubtedly won the following class of three years old mares. A beautiful mare with a short and typical head, who snored loudly and with an impressive attitude had both the judges and audience on her side. Taibah Lembarak (Fadi Al Shaqab x AJ Bayan), bred and owned by Lembarak Arabians (QAT) drew up second besides Nemesi Regalis. This eye-catching chestnut mare trotted the ring without circles and simply exudes class and elegance, a real joy to watch. The bay Sadan AH (Emerald J x Amirah VO), bred by Mr. B. Said Anwar (ISR) and owned by Al

Thumama Stud, stood like a statue; her almost perfect stand-up brought her the third place. Cadanz Faridah (Shiraz de Lafon x Cadanz Djamilah), bred and owned by Cadanz Arabians (NL) closed the ranks as fourth.

From the classes for junior mares the program slowly moved to the classes for senior mares, with three competitors in the group of four to six years old mares. The grey Asfurat Al Sultana (Asfur x S. Sultana), bred by Mr. H. Raja (ISR) and owned by Eiad and Amira Safady, proudly placed as number one. With a minimal difference the Straight Egyptian Hanaya Jazeebah (Kenz Al Baydaa x Imbajaa), bred and owned by Hanaya Arabian Stud, ended second, a very exotic mare with great movement. The black Namirah KA (Tajj x Naminah Bint Nadjhan-D), bred by Klarenbeek Arabians (NL) and owned by Black Lady Arabians (POL), also knew how to move but lacked a bit in type in comparison to her predecessors and thus she ended up third.

The nice and complete Jaydan's Yuliah (RFI Farid x Forelock's Yuliette), bred and owned by Jaydan Arabians (NL), with her brilliant tail carriage and beautiful neck, showed quite impressive in the introduction round but did fell a bit out in her individual round. Nevertheless she gained a beautiful second place. Salinaa PG (Shanghai EA x Diva of Ajman), bred by Peretz & Moshav (ISR) and owned by Al Thumama Stud (QAT) is a typical filly with a very nice stand-up, who was placed third. Evie Blacklady (Aja Angelo x Enerina), bred and owned by Black Lady Arabians (POL), closed the classes of yearling fillies as fourth in this second group.

Six beautiful young fillies entered the ring for the class of two years old fillies. The first place was for the real beauty Why Not DA (Emerald J x Wonder Girl), bred and owned by Danubius Arabians. This very feminine, good moving mare already knew how to attract attention when she won the Futurity in Aachen in 2018 and she absolutely did it again now. AJ Athena (AJ Mardan x AJ Arwa), bred and owned by Ajman Stud placed second, followed by the chestnut Budoor Al Shabania (Eden C x Miss Marwan PA), bred by Al Shabania Stud and owned by VDV Arabians. This mare won on move from the feminine BA Fiorella (El Palacio VO

Again a good filled class of seven to ten years old mares, with seven beautiful mares competing. It was Polish power that won the first place with a convincing victory. With a 20 for her super strong movements and also a 20 for both type and head, Piacenza (QR Marc x Primawera), bred by Michałow State Stud (POL) and owned by Al Shabania Stud, left all the others behind. However, Tulip Cup 2018's Bronze Medal Senior Mares, Questurat Al Farwaz (Al Raheb AA x HV Ramses Mishaala), bred by Y. Baker (ISR) and owned by Hanaya Arabian Stud, followed closely. This mare has an outstanding Arabian type, a real role model for the Arabian horse, with an exotic, refined and very feminine look. Hulina (Fire Fighter x Hulala), bred by Bialka Stud (POL) and owned by Black Lady Arabians (POL), placed third, followed by the Egyptian beauty Sabbouha Al Moghazy (Ezz Ezzain x Nadina), bred by Al Moghazy Stud (EGY) and owned by Hanaya Arabian Stud. The bay mare Johara Morab (Cullinan El Lethyf x Joia Fly NVC), bred by Mr. & Mrs. Morato Do Amaral (BRA) and owned by Eos Arabians (DE) closed the top five.

The last class of the day was the class of eleven years and older mares. This class was won by the bay beauty Maharani CF, a proud and snorting Psytadel daughter (out of Mara III), bred by Cafra Arabians (DE) and owned by Bouché Arabians. The Straight Egyptian mare Noor Magidaa LDA (Mishaal HP x Illa Magidaa LDA), bred by LD Arabians (USA) and owned by Hanaya Arabian Stud, placed second with only 0.13 points difference and Naminah Bint Nadjhan-D (Nadjhan Ibn Piwonia x NA Galilea),

bred by Dion Arabians (BE) and owned by Black Lady Arabians (POL) brought the first day of the Tulip Cup 2019 to an end with her third place.

All handlers, owners and spectators went home satisfied or returned towards their hotel for refreshing drinks, a proper meal and a good night of catching up.

Sunday May 5th

After a good night of sleep, the second day of the Tulip Cup 2019 started at 10.00 am with the ridden and gelding classes. In the first ridden class of Western Pleasure it was the combination of Prussia MI (Abha Qatar x Parada) with is rider Juan Murillo that looked quite impressive, but this stallion was a bit of a handful and did not intend to complete the program properly. That made that this very good looking combination was placed fourth. The grey MJ Wild Narciza (Profender KA x MJ Cantress), ridden by Ms. K. de Bruyn, looked very relaxed and this combination very smoothly followed all instructions, which lead to a very well-deserved first place. MJ Cantress (JK Catalyst x SH Enchantress) made a very striking combination with Ms. J. Looockx, a lot of synergy came from them and therefore this mare was allowed to draw up second besides her daughter, what a sight! MJ Morania (Morowan KA x AHC Esfania) and her rider Ms. G. van Keulen were placed third.

The first ridden class was followed by the class for junior geldings, including championship and the typical and slender built gelding Cadanz Ghazal (Shiraz de Lafon x Cadanz Djamilah), bred and owned by Cadanz Arabians (NL) conquered the Gold Medal. This young gelding really gave away a good presentation. FA Olympus (Etoryk x Redwood Lodge Odessa Estopa) was white as snow and moved tremendously! He therefore was allowed to take the second place with a well-deserved Silver Medal. Rabeh Al Sayed (Eden C x Delight's Diva), bred by Al Sayed Stud and owned by Mrs. H. de Zwaan (NL) placed third and took the Bronze Medal home.

This halter class was alternated with another ridden class, that of the Hunter Pleasure. By far the most balanced combination in this class were Habdes Farahscha (Warandes Pascha x VD Ivanka) and Mrs. J. Hahn. A solid, well moving mare who seamlessly went there where here rider subtly guided her. NH Fahd Acru (Nibakan El Jerez x NH Jamilla) and his rider Mrs. H. Ceuppens became second, while the muscular, white Postar (Om El Bellissimo x Pomerania) with rider Lisa-Marie Heckenbuecker placed themselves third. Palermo KA (Tajj x Precious) with his rider Ms. C. Schilperpoort had to settle for the fourth place due to some inconsistencies.

And another interruption of the ridden classes followed, with the class and championship of the senior geldings. The ultimate moving machine Nabeel Al Nasser (EKS Alihandro x Noof Al Nasser), bred by Al Nasser Stud (QAT) and his owner and handler Koen Hennekens run to the first

place with fervor and thus won the Gold Medal. A real solid, typical gelding with unprecedented movements. The athletic Badr Al Jawhar (BB Jawhar El Than x Passada's Pachana), bred and owned by Ms. Paula Böhmer (NL), also run a neat round without circles with his handler Dede Kpabitey, which lead to a very good second place and Silver Medal. DA Hadaya (Arjuno x Palisa), bred by Dolisa Arabians (NL) and owned by Mrs. J. Godee (NL) ended third with a Bronze Medal.

Seven combinations entered the ring for the last ridden class of the day, that of the Classic Pleasure. With a very neat performance, SA Giacomo (Mel Rintin x Lajla) and his rider Mrs. S. van Heesch were placed fourth. The beautiful gelding Postar and Lisa-Marie Heckenbuecker came out better in the Classic Pleasure with a more balanced test, which lead to a second place. Also Palermo KA and Mrs. C. Schilperpoort apparently preferred the style of the Classic Pleasure, since they now ended on a well-deserved third place. The top five in this ridden class was completed by Mrs. J. Hahn with Habdes Farahscha and Mrs. T. Bross with AR Manisha'h (AR Sivmayall x Aicha SVA).

With the end of the Classic Pleasure the morning program came to an end and the entire audience was treated to a festive reception with champagne in the main ring, to welcome the promising new stallion at Jadem Arabians: Haash OSB (Dominic M x Partyssima OSB), bred and owned by Mrs. Olivia Strauch from Uruguay. While the spectators took a sip of sparkling goodness, Jadem Arabians' main handler Frederik van Sas introduced the exotic and

refined bay colt, who immediately persuaded some breeders as the next match for their mare.

After the lunch break, there were three more halter classes to follow before the championships could start and that were the classes for senior stallions.

In the class of four to six years old stallions, best of the two competitors was Matteo AH (Emerald J x JPJ Talai), bred by Mr. A. Halak (ISR) and owned by Mr. A. Leila (BE). A

proper bay colt that has a beautiful head and neck. The Polish bred stallion Woj (Empire x Waranga), bred by Michałow State Stud and owned by Flaxman Arabians, showed powerful but lacked a bit in points for head compared to the number one and therefore gained the second place.

The beautiful, exotic typed stallion with bulging black eyes Mahder Al Jamal (Nader Al Jamal x Mabity El Jamaal), bred and owned by Mr. J. Mattens (BE), took the unanimous win in the class of seven to ten years old stallions. This

impressive grey stallion is a real eye-catcher! What Mahder Al Jamal achieved with three times 20 for head, the second placed Etoryk (Om El Shahmaan x Etnologia) achieved with three times 20 for his superb movements. This grey stallion bred by Janow Podlaski State Stud (POL) and owned by Flaxman Arabians left the audience behind with goose bumps on their arms and sand in their hair. Matiullah Khan (Abha Qatar x Zarga Moefezaa'a), bred by Ms. N. van Geloven (NL) and owned by Fysio's Arabians (NL) also is a big mover but his performance was a bit off compared to the other two show canons, maybe also due to the fall he made after which he showed more careful.

There were two last competitors in the class of eleven years and older stallions and here the snow white AR Fayyim (Valerio Ibn Eternity VI x Aicha SVA), bred by Arabian Ranch (NL) and owned by Ms. M. van Heiningen (NL) won. This showy stallion really was in a very good show condition and showed the movements we all know him for.

The grey Straight Egyptian stallion Kamal (Authentic Kharazi x Shaula), bred by Svensrud Arabians (NO) and owned by Mr. E. Bjerke (NO) became second.

With all halter classes passed, the series of Championships could begin, as a crown on this special show weekend.

The first award to be granted was the "Holland's Best Award", which went to Ms. Paula Böhmer for her colt foal Sinbad Al Bahar. The second place in this category was Cadanz Arabians with their junior gelding Cadanz Ghazal, followed by Ms. Amira Safady with her beautiful homebred filly Fiera Belinda.

After awarding the best Dutch horses of the show, the judges gathered for the championship of Best Gelding. Nabeel El Nasser, the champion senior gelding and Cadanz Ghazal, the champion junior gelding, both battled for the highest honor and with one vote difference the big mover Nabeel El Nasser was chosen as Best Gelding.

In the championship for yearling fillies it was the beautiful grey AJ Yaziah that won the Gold Medal for her owner Ajman Stud, followed by Dutch pride, Fiera Belinda, with a Silver Medal and the charming AJ Nargis with Bronze.

Nemesi Regalis took the Gold Medal home to Hanaya Arabian Stud in Switzerland in the championship junior mares and the deep dark bay Why Not DA conquered Silver for Romania. AJ Athena took the Bronze Medal from Taibah Lembarak with only one point difference, which I think is a pity since I believe the latter is such a charming and feminine mare.

The championship for junior stallions was an exciting fight and AJ Elaf only just prevented a tie with one vote difference and gained the Gold Medal. The promising and exotic colt Ali Khan kept the Silver Medal in the Netherlands for his owner Paula Böhmer and CBA Mattheus rightly so had a place on the podium with a Bronze Medal.

With a unanimous vote it was the charisma and grandeur of the outstanding Piacenza that convinced the judges of the Gold Medal, followed by the exotic Questurat Al Farwaz that I so really liked and who improved her 2018 achievement. Maharani CF gained the Bronze Medal for Bouché Arabians, just like her son did in the championship before.

It was also no real surprise that the fairytale stallion Mahder Al Jamal achieved the first place with a Gold Medal in the championship for senior stallions, with Matteo AH taking the Silver Medal. With his outstanding movements and

great attitude and charisma, Etoryk also rightly so deserved a place in the top three and he won the Bronze Medal.

And then came the moment for the last two trophies to be awarded. One to be granted by the judges and one to be granted by the peoples' vote. The price for Most Classic Head of Champions was given by the judges to the unbelievably pretty and outstanding filly foal CBA Indiyana, to great joy of her owners Bouché Arabians.

Finally, as jewel in the crown, the Tulip Cup itself was to be awarded to the Best in Show. This award was given by the audience, by gathering in the ring around the horse of one's choice. With great pleasure the substantial part of the audience gathered around the adorable and super refined filly foal, and therefore CBA Indiyana in the end could add Best in Show to the achievements of Gold Medal filly foals, Henny Kuijf Trophy winner as Best Foal and Most Classic Head of Champions winner. An unbelievably good achievement for such a young little horse, I am very curious what we will see and hear from her in the future!

As a tradition, the audience could take as much tulips as they could carry from the colorful decorations in and around the ring when leaving the venue after this last award ceremony. And with their arms full of flowers and their heads full with great impressions, everyone returned home, satisfied and elated, already in great expectations for the Tulip Cup 2020 next year. Wendy, Kim and your entire team of precious volunteers: thank you so very much for another great show weekend, in name of all owners, handlers, riders and spectators! Really looking forward to the next edition! □
