# GREAT SUCCESS OF JANÓW PODLASKI AT BIAŁKA...

## BIAŁKA JUNIOR SPRING SHOW IN POLAND

*Białka Junior Spring Show in Poland – the only one in Europe which is held for only young horses aged 1-3 is being an interesting preview of what's new at the show scene this year in the country that still has three state studs and large group of private breeders.*

*Its an opportunity to see how the past year debutants grown up, what are the new 2-3 years old colts that just start first breeding seasons and- the most exciting – what has been born at certain studs in the previous foaling season. Despite only the juniors compete, the show gathers around 100 participants every year and so it was in 2019. This year the event hosted at Białka Stud own by Małopolska Hodowla Roslin (government owned body), was judged by: Mrs Christine Jamaar-Deemerseman (Belgium), Mrs Sylvie Eberhardt (Germany), Mrs Charlotte Rowell (Great Britain) and Mr Tomasz Tarczynski (Poland). Since few years the live stream from the show is provided by Tutto Arabi with Arabian Essence web TV so the spectators worldwide may also have*

*a look into Polish breeding program results. And the results have been very interesting this year with the biggest success of Janów Podlaski State Stud that brought interesting group of yearlings. In the yearling fillies the gold medal awarded was Aplia by Janów Podlaski's homebred stallion Pomian. She was the highest scored yearling filly with almost 93 points in her class. She won the section B of the yearling fillies while section C was won by her stable mate Amirata by EKS Alihandro however the silver medal went to the private bred and own El Romantika by QR Marc of MR Wojciech Parczeuski (winner of section A) and the bronze – to El Farida by RFI Farid bred and own by Nana Arabians, qualified to the championship from 2nd place in section B.*

*Gold medal in junior fillies selected amongst 2-3 year old also went to Janów Podlaski Stud with beautiful chestnut 2 years old Encarina by Acott DD, in front of her stable mate and paternal sibling – Pascuala by Ascott DD also from Janów Podlaski awarded silver. Both fillies won their classes of 2 years old but different sections. Bronze medal went finally to Michałów Stud bred, one of the last foal crops of legendary Ekstern – Protekcja, placed second in class of 2 years old, so 3 years old fillies had no luck for the medals this year.*

*For both participants and spectators the competition for colts is very exciting moment. It may uncover some future breeding sires for the first time!*

*And indeed, some very interesting sons of several foreign stallions shown up in Białka this year. Starting from yearlings where Polish private breeders had their triumph. Section A was won by Star Farid, the son of RFI Farid and out of Marwan Al Shaqab daughter bred and own by Mr*

*Wojciech Parczewski. Section B was taken by two half-siblings from the same stable - colts bred and own by family of Mr or Mrs Andrzej and Agnieszka Wojtowicz. The class winner – awarded unanimous gold medal in the finals was Freyson – very modern in look and exotic son of ES Harir and out of beautiful Kahil Al Shaqab daughter – Future. Second in this class and bronze medal later on was his stable mate Gerry – bred and own by the dame family Wojtowicz and sired by ES Harir as well and out of EF Simply Marvelous daughter. The place between them with silver medal took Star Farid.*

*In junior colts again all medals went to two years old males and again – the gold went back to Janów Podlaski for Erantis – another successful cross of Ascott DD. Silver medal went honorably to the hosts of the show – Malopolska Hodowla Roslin and Parillus, again by Acott DD born at Bialka State Stud, the Best in Show winner last year at this show. The podium was completed by private bred colt Pireno by Shanghai EA bred and own by Mr Pawel Redestowicz.*

*The final battle for Best in Show was won by the ladies – and the title went to Encarina from Janów Podlaski Stud. You will surely see this filly once more at the shourings this year, while her home stud will soon host the big event of Polish Nationals and Pride of Poland Sale in August. More informations about it you can find following Tutto Arabi pages and eblasts! □*
