Menton

Horse Power

Mediterranean & Arab Countries Arabian Horse Championship

As always it has been a pleasure for us attending Menton Show. The organizers also this year did a wonderful job offering to the people a great show in a suggestive frame and special details like the Dress Code Beige and White and the thrilling idea of Horse Power, a relation between the power of Arabian Horses and the Power of Rally Cars. Everybody enjoyed with this new ideas and as always Menton Show was something special and new.

Already since many years, Madame Chazel and her team have been creating a stunning show in a great "French Riviera" atmosphere on the fancy coastline of Menton, France.

The weather was perfect in Menton, warm and sunny during the day, fresh and slightly windy during the night. The organizers did a great job managing the event without any interruption. Madame Chazel and her staff were great in managing the organization and all the duties that occurred, focused on the best result as a show and for the show. TuttoArabi has never missed Menton Show since it started its adventure in the Arabian Horse World 22 years ago.

It comes on everybody's favourite time of the year, summer. The leitmotif this year and the dress code were "Beige and White", - so fun, so "French Riviera" and so stylish - as every year the two Ladies love to remind to their guests. We have to say that almost all the exhibitors and VIPs respected the suggestion creating a great staging. The carpet, the chairs and the table coats in the VIP area were "Beige and white" as well and the final touch of the bags designed and created by TuttoArabi for the occasion

which was the perfect end of the amazing choreography. Our magazine realized also this year the numbers for the handlers. The show was, as always, exciting and amusing. The Judges' Oath were brought this time by the rally car of Chazel Rally Team driven by Mr. Chazel.

It was electrifying to see so much mechanical power in the showring before the impressive natural beauty of Arabian horses in the championships.

Thanks to the great staff that every year assist Madame Chazel, first of all Madame Briot and then all the people involved in the organization, the event was perfect and everybody enjoyed the show. This is definitely an event not to be missed and a great opportunity to add some extra days of holiday on the coast of Monaco or in the Côte d'Azur. Many spectators, all the media and Arabian horse lovers this year were at the event as Menton show is one of the most awaited appointments of the year. A real A-show with only the best of the best. We are looking forward to next year. Enjoy all results including the special trophies and all the pictures taken by our photographer Mr. Alessio Azzali. □
