

WELS

AUSTRIAN NATIONAL & INTERNATIONAL ARABIAN ECAHO B-SHOW

1-2 JUNE 2019

by Fabio Brianzoni ■ photos by Alessio Azzali

During the weekend, 1st and 2nd of June, Wels once again was transformed into an equine capital.

TuttoArabi, who never miss one important show like Wels, was present as the Media Partner and sponsor as it proudly does every edition of this beautiful event.

Next year will be unmissable as it'll be the 30th anniversary of the fair and Wels Show.

We warmly want to thank Mrs. Anne Heiloo, the Organizer and President of the Austrian Arab Horse Society (VVO) and her great staff for the efforts and the tenacity who lead the team through all the years. As every year the surprise for participants was the trophy, a brand-new one in bronze sized depending on the class of the winner, extremely elegant, sculptured by the Dutch artist Mr. Willem Van

Anne Heiloo

Beelen. The show, as always, took place on the premises of the Pferd Wels Fair. 83 horses were entered and the quality was very high.

We had the chance to see during the weekend the Austrian National Show (the horses participating in this show had a little Austrian flag next to their names in the catalogue) and the International Ecabo B Show.

The show was fantastic, many visitors, breeders and VIPs from worldwide arrived to attend one of the best shows of the year. Once again Mrs. Anne

Heiloo and her Team have dealt with the task very well. The event was also in livestream through the Arabian Essence web tv, and the results were by ArabianHorseResults. The speaker was Jaroslav Lacina, the President of Ecabo, who is the usual voice of this event.

The judges

Results were given by judges using tablets supplied by Arabian Horse Results, that helped a lot the timing of the scoring and the possibility by the public to know them in real time. The show was judged by Doct. Vet. Gianmarco Aragno (Italy), Mrs. Claudia Darius (Germany), Mrs. Anna Stojanowska (Poland), Mr. Graham Smith (Australian). As the Ringmasters Mr. Peter Hegemann (Germany) and in the pre-ring Mr. Wolfgang Auer (Austria).

The Disciplinary Committee did a great job as well thanks to the cooperation of Dr. Vet. Thomas Stobler (Swiss), Mrs. Isabella Auer (Austria) and Mrs. Elisabeth Chat from Austria. Also this year, as usual, many countries participated with enthusiasm in this show that is always fair and impartial as much as very well managed. The event in Wels is definitely the most significant show in this part of Europe, refined and elegant, capable to gather people from all over.

In the next pages enjoy all the pictures took by Mr. Alessio Azzali (alessionese@libero.it) with all the medals of National and International show and the owners and breeders details. We also want to mention the fantastic and high quality show catalogue also collected by many years visitors of the "Pferd Wels Fair" even if they have no Arab horses.

Let us give you a mention of some special prizes given to the horses who won the special trophies designed by the artist Willem Van Beelen (www.willemvanbeelen.com):
