MENTON

MEDITERRANEAN AND ARAB COUNTRIES ARABIAN HORSE CHAMPIONSHIP

*T*utto Arabi has never missed Menton Show since it started its adventure in the Arabian Horse World 20 years ago. It comes on our favourite time of the year, summer, on the fancy coastline of Menton, France.

Already since many years, Madame Chazel and her team have been organizing the Mediterranean Arabian Horse Championships that this year celebrated its 26th Anniversary!

Arabian horse enthusiasts from all over the world have been gathering to see only the best of the best. This year, due to the Ramadam, Menton was coming later and was held on 1st and 2nd July.

Tutto Arabi was Sponsor and Media partner of the event and

introduced the Pride of Poland Catalogue for the first time made and designed by Tutto Arabi for Pride of Poland and entirely printed inside the Tutto Arabi Menton Edition.

The weather was perfect in Menton, warm and sunny during the day, fresh and slightly windy during the night.

Madame Chazel and her staff were great in managing the organization and all the duties that occurred, focused on the best result as a show and for the show.

Suspence was created by a substitution and a change in the list of judges (Mr. Marc Veray was substituted by Mr. Regis Huett and Mr. Lacina by Ms. Claudia Darius, who was not present at the show). At the last moment the organization decided to go on with only five judges as some problems

occurred. But nothing can stop the Show and Madame Chazel and her staff. Everything was solved and the show went on, as always, as scheduled.

The leitmotive this year and the dress code were "White and Grey", so fun, so "French Riviera" and so stylish as the invitation email suggested. We have to say that almost all the exhibitors and VIPs respected the suggestion creating a great staging.

The carpet, the chairs and the table coats in the VIP area were "White and Grey" as well and the final touch of the bags designed and created by TuttoArabi for the occasion and sponsored by TuttoArabi and AlSayed Stud was the perfect end of an amazing choreography.

The show was, as always, nice and the atmosphere fantastic. Menton is definitely an event

not to be missed and a great opportunity to add some extra days of holiday on the coast of Monaco or in the Côte d'Azur.

More than 130 horses were entered. Our magazine realized also this year the numbers for the handlers. Judges for this edition were Mr. Regis Huett from France, Mrs. Helen Hennekens-Van Nes from Belgium, Mr. Christian Moschini from Italy, Mrs. Renata Schibler from Switzerland and Mr. Tomasz Tarczynski from Poland.

Every year in Menton Madame Chazel prepares a surprise for the guests. Two years ago it was with a drone, the year before with a Harley Davidson, another time with a parachutist. Last year was the time of Gazal Al Shaqab (a legend and the behind of a fantastic dynasty known from all over the world) who was present at the show.

This year the championships were introduced by a parachutist dressed as James Bond 007 Agent, who bailed out from an helicopter to the showground accompanied by the original soundtrack of the film. He brought the oath.

Every year the organization tries to find something special for the mysterious "carrier" of the oath which will be given first to the Mayor of the municipality of Menton and then to the judges to be officially pronounced in English and in French before the opening of the championships.

Thanks to the great staff that every year assist Madame Chazel, first of all Madame Briot and then all the people involved in the organization, the event was perfect and everybody enjoyed the show.

Many spectators, all the media including the Web Tv by Arabian Essence with the livestreaming of the show and

Arabian horse lovers this year were at the event as Menton is one of the most awaited appointments of the year. A real A-show with only the best of the best.

4 of the 6 champions were unanimously elected and after many years an European owner won a Gold (Mrs. Nayla Hayek).

With the sun spreading its warmth over the Mediterranean coast, another great edition of the Menton show came to an end. We are looking forward to next year , Menton will be held 23/24 th June 2018.

Now we leave you with all results including the special trophies , and all the pictures taken by our photographer Mrs. Paola Drera.

Enjoy!
