This time of year we never miss one important show: Wels, Austria. During the last weekend 27 – 28 of May, Wels once again was transformed into an equine capital. The event in Wels is definitely the most significant show in this part of Europe, this year more modern, more refined and elegant, capable to gather much more people.

TuttoArabi was present as the Media Partner of the event and sponsor as it proudly does every edition of this beautiful event.

First of all we want to thank for the great and continuous job Mrs. Anne Heiloo, as the Organizer and President of the Austrian Arab Horse Society (VVÖ), Mrs. Christine Schwanzer and Sabrina Joiser. They work without breaks during the year to let the people enjoy this perfectly organized event. We really have to give a big applause to the show's main Organizer, Mrs. Anne Heiloo, who every year adds something new to this show. This time she sponsored the wifi inside the arena for the whole event.

The show, as always, took place on the premises of the Pferd Wels Fair.

85 horses were entered and the quality was very high. We had the chance to see during the weekend the Austrian National Show (the horses participating in this show had a little Austrian flag next to their names in the catalogue) and the International Ecaho B Show. We have to say that compared to the last year, the quality of horses participating to the Austrian National Championships increased a lot. For the International show each class and championship had different sponsors.

The show was fantastic, many visitors, breeders and vips from worldwide arrived to see one of the best shows. Once again Mrs. Anne Heiloo and her Team have dealt with the task very well.

The event was also in livestream through the Arabian Essence web tv, and the results were by ArabianHorseResults. The speaker was Jaroslav Lacina, the President of Ecaho, who is the usual voice of this event. The show was judged by Gianmarco Aragno (Italy), Cedas Bakker (Holland), Claudia Darius (Germany), Koenrad Dettailleur (Belgium), Cristian Moschini (Italy) and Anna

Stojanowska (Poland). As the Ringmasters Gerard Oben (Belgium) and in the pre-ring Peter Hegemann (Germany) and Wolfgang Auer (Austria). The Disciplinary Committee did a great job as well thanks to the cooperation of Dr. Vet. Laura Mascagna (Italy), Mrs. Elisabeth Chat (Austria) and Mrs. Isabella Auer.

Also this year, as usual, many countries participated with enthusiasm in this show that is always fair and impartial as much as very well managed.

In the next pages enjoy all the pictures took by Paola Drera with all the medals of National and International show and the owners and breeders details.

I also want to mention the fantastic and high quality show catalogue with lots of sponsoring advertisements. Since many years visitors of the "Pferd Wels fair" are collecting the catalogue even if they have no Arab Horses.

Let us give you a mention of some special prizes given to the horses who won the special trophies designed by the artist Willemvan Beelen (www.willemvanbeelen.com):

BEST MOVER to **M.M. Eluise** (Wh. Justice X Esfera) owned by Mario Matt Arabians

On Saturday evening as always La Movida Arabians organized a great Open Day with excellent catering and atmosphere that was appreciated by all very much until late in the night.

Enjoy!
