The Chilean National one of the most important shows of Arabian Horses in South America, took place in the country's capital of Santiago on March 24th and 25th, at Clube Equestre Paperchase. Promoted by the Chilean Association of Arabian Horses Breeders, this 26th show, had the participation of 35 breeder and was judged by Claudia Darius (Germany), Greg Knowles (USA) and Iran Floresan Jorge (Brazil). The judges made sure to comment the beauty of the show's location, the organization, and the

warm hospitality of the Chilean

Breeders. And this is one of the major points that distinguishes the Chilean breeding. Aside from the beautiful horses, the beauty of the city of Santiago, the friendship given from the arabian breeders from Chile to all breeders can attract people that enjoy having fun and spend wonderful days watching high quality Arabian horses. The Brazilians, also known for their hospitality, feel quite at home and show up in large number for the Chilean National. This year the

visiting and local breeders were entertained at three great parties hosted by Jose Miguel Bulnes on friday the 23th., Jorge Selume, saturday the 24th. and Ricardo Duch on sunday the 25th.

At the ring of the Club Ecuestre Paperchase bucolic landscape the judges unanimously conferred to HP Ali the title of Gold National Champion Stallion. HP Ali is the greatest phenomena of Chilean breeding today, he was participated on 4 Chilean Nationals and one Brazilian and was Gold Champion on all of these shows always distinguished by the judges for his extraordinary type and balance. In Chile he was Gold National Champion Junior Colt, Colt, Young Stallion and now Stallion. In Brazil he was Gold National Champion Colt. But for his owners happiness, Haras Panquehue of the Bulne's family, and Haras Aguas Claras of Herman Chadwick, HP Ali other than having proven his phenotypic quality, has great potential in reproducing. His first born daughter HP Almudena, from the breeding program of Haras Panquehue, was Gold Junior Filly unanimously, at this National and his son Aziz Man, was Gold Junior Colt Champion unanimous in the Brazilian National.

The Silver Stallion was HSA Maktub, son of Johann El Jamal bred by Haras Santa Ana of Eli Kassis and belonging to Haras Puquelahue of Daniel Benavente.

Five beautiful mares vied for the National Championship this year. The Gold Mare chosen by the judges was Alma Al Ventur, a Brazilian bred at Haras Santa Ventura of Eduardo Gama and imported by Haras Lonco of the Ricardo Duch family. Alma Al Ventur is the result of an breeding in the sire lines of Ali Jamal and Bay Shah. Her father Bertrand Carol carry on the pedigree 3 times Ali Jamal and 3 times Bey Shah, This sire lines crossing started by Lenita Perroy of Haras Meia Lua (Brazil) had great influence among South American's breeders and is one of the main factor that the quality of the Brazilian breeding program is a highly regarded by the Arabian horse community.

The Silver Champion Mare was Braham, daughter o LS Farid (Palissade-Palissandre-Bey Shah) of Haras Panquehue and Hara Aguas Claras, and the Bronze went to HP Polaca daughter of Hafati Express (RSD Dark Victory-Bey Shah) from Haras Panquehue and El Taihuem de Pirque, of Jorge Marin.

One of great sensations of this show came from the new breeder Ricardo Walsen of Haras Altovalsol. Unanimously the Gold Young Stallion award went to Altovalsol Jagger, he entered the ring radiating energy and charisma. His extravagant movements had the judges consider him the most interesting horse of this show. "Beautiful and a great show horse" said Claudia Darius. "A horse that any breeder would love to show"- commented Iran Jorge. Greg Knowles, after the judgment called the owner and inquired if he would like to sell the horse. With the passage of Jagger in this National ended up marking the presence of Haras La Laguna who bred the father and mother of this Champion and this year did not bring horses to the ring. The father of Jagger is LL Khartoum, grandson of Echo Magnifico thru Esphahan. The Altovalsol Jagger mother is LL Swetty by Bey Shahdow, a grandson of Bey Shah.

The Silver Champion was HP Mabrouk son of HP Shakir by LC Farid of Haras Panquehue and the Bronze was HSM Senor Victor by JJ Senor Magnum of Haras Santa Marta of Jorge Selume.

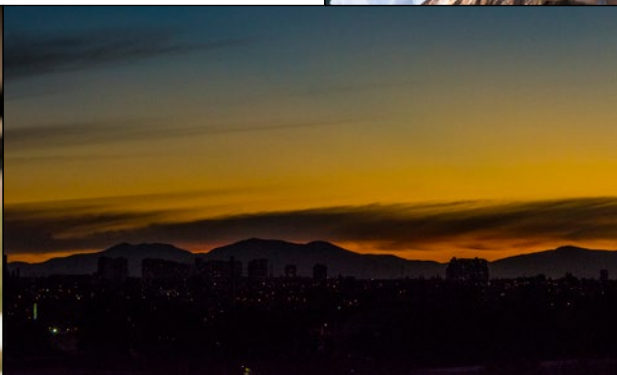

It is always a pleasure to watch the young arabian mares. They are usually beautiful, feminine and their fill us with a lot of expectations. At this Chilean National it was no different. The judges awarded two beautiful females, from the partnership between Haras Panquehue and Aguas Claras, with the main titles of this Young Mare Championship. Gloriosa El Power honored her extraordinary pedigree and won the gold. She is the daughter of Power World JQ, father of Miss El Power Who was champion at several European Shows and Middle East and today is the matrix do Al Shaqab. The mother of Gloriosa El Power is Lumiar Ethna, Brazilian and Chilean National Champion, sister of RFI Farid, Champion and sire of Champions in Europe and the Middle East.

The Silver Champion was El Palenque Colomba, daughter of HP Dyrab that have the blood of the Russian Menes out of Raila Maclb by El Nabila B, Brazilian and North American National Champion. The Bronze went to HS Shazadi bred by Haras Shangrila of Pedro Gonzales and daughter of HP Shahmaan by LC Farid

Haras Llancay of Nicolas Duch and Haras Panquehue of the Bulnes family dominated the younger horses Championship. Haras Llancay had three females Champions, Junior Filly and Filly and Haras Panquehue had three males that won Championship, Junior Colt and Colt.

The Champion Junior Male was HP Balduino of Haras Panquehue, a son of HP Shael. The sire HP Shael was Chilean National Champion and is Hafati Express who is the father of the Reserve National North American Champion, San Jose Javiera. The Silver Champion was HP Abdul by HP Shahmaan son of LC Farid, and the Bronze went to Altovalsol Hendrix paternal brother of HP Ali by HP Shakir. The sire HP Shakir by LC Farid made history at this National. In addition to being the father of the Champion Gold Horse HP Ali, of Champion Silver Young Horse HP Mabrouk, he is also father of the Champion Gold Filly Llancay Jade from Haras Llancay. The Champion Silver Filly HSM Simona comes from Haras Santa Marta of Jorge Selume. She is daughter of LL Kartoum a grandson of Echo Magnifico. The Champion Bronze Filly is HSA Almendra from Haras Santa Ana of Eli Kassis. Almendra is daughter of Leonardo GA by DA Vinci FM.

Championship Junior Female was the daughter of Champion Horse HP Ali, HP Almudena the unanimous Champion and only did not disturb the achievements of the Haras Llancay between the females because the Haras was Silver Champion with Llancay Zamara and Bronze with Llancay Josefa. Both are daughters of Llancay Sultan, another of the great sons that the prodigious LC Farid left for the Chilean breeding. □
