

# TULIP CUP

Spring kicks off with sprouting of colourful tulips and the European show season for Arabian horses traditionally kicks off with the event where these beautiful, characteristic Dutch spring flowers are combined with the elegance of the Arabian horse: the Tulip Cup. It was this year on the 28th and 29th of April 2018, that Forelock's Arabians' Wendy Jane Delvalle and her sister Kim Maureen Delvalle, together with a very enthusiastic team, again organized this wonderful show; and friends and lovers of the Arabian horse from all over the world gathered around the arena at the National Hippic Center in Ermelo.

## Saturday April 28th

The judges for the show were Ms. Renata Schibler from Switzerland, Mr. Emrys Jones from the United Kingdom, Mr. Gerard Patty from Canada and Mr. Gideon Reisel from the Netherlands. On Saturday the two-day event started at 9.30am with the Liberty class. There was only one competitor and therefore the impressive Ekstern-son Esfahan (out of El Fatha), bred by Janów Podlaski from Poland and owned and presented by Koen Hennekens from Belgium, took the win. A very showy bay stallion who took "liberty" a bit too serious by escaping to the collecting ring. The impeccable skills of his presenter however brought him back in line and although the only horse of the class, the trophy was a well-deserved award.

It was then up to the first group of yearling colts to make their appearance. Four youngsters entered into the arena and the first place went to Justify KA (QR Marc x Jolfa de Nautiac), bred and owned by Knocke Arabians from Belgium. This exotic bay colt immediately was the eye-catcher of the group for me, with his extreme head and compact physique. He was followed by a great stable mate: Bacchus KA (QR Marc x ASE Bisiriya Hlayyil), also bred and owned by Knocke Arabians. This grey boy is from a very nice dam, all-round performing in both sport (endurance) and show. Number three of the group was Aja El Dorado (AJ Mardan x Aja Estrella), bred by Aja Arabians from the United Kingdom and owned by Ajman Stud from Ajman (UAE). This grey colt is quite tall for his age but very well balanced. The debutant Cadanz Ghazal (Shiraz de Lafon x Cadanz

*Djamilah*) of Cadanz Arabians from the Netherlands closed the lines. There was a very good synergy between this chestnut colt and his presenter Janou Vogels.

Three competitors in the subsequent group of yearling colts, where the very showy, dark bay CBA Ilias (Lawrence El Gazal x Ilena El Aryes) conquered the first place for his breeder and owner Claus Bouché of Bouché Arabians from France. This typical youngster was really dancing in the ring, almost floating. On the second place it was the matured AJ Elaf (AJ Mardan x AJ Estrella), bred and owned by Ajman Stud, followed by a still insecure Ace Ventura (SMA Magic One x BS Aisha), bred and owned by Ms. Wenche Roefs from Belgium.

A very nice, strong class of two-year old colts then followed. It was the bay, bold and beautiful Badi Athbah (EKS Alihandro x Fedora RG), bred by Athbah Stud from Saudi Arabia and owned by Sheikh Nawaf bin Nasser Al Thani from Qatar, who took pole position, with the first 20 of the day for his excellent movements. Close to this number one followed Emperor KA (QR Marc x Exposita KA), bred and owned by Knoke Arabians. A nicely typical bay colt that is closely line bred to his sire. The chestnut Muntasir J (Excalibur EA x Mississippi J), bred by Jadem Arabians from Belgium and owned by Mr. R. Vakhnin from Israel, has a beautiful exotic face but moved a bit wide, although nevertheless convinced the judges with a great overall score. Ghazy PKA (Al Ghazali AA x Ydola F), bred and owned by Ms. Petra Mulder of PeKa Arabians from the Netherlands, was a bit insecure in the arena and was placed fourth. This big chestnut is very correctly build with a short head, long neck and beautiful eyes. The grey Dahman Al Mahder (Mahder Al Jamal x Dahlia), bred and owned by Ms. Paula Böhmer from the Netherlands, moved very well and has a nice arched neck and refined type, but he obviously had shot his wad in the stable/collecting ring. Percival STC (Excalibur EA x Psytanium's Mist), bred and owned by Schoukens Training Center from Belgium, took the sixth

place, followed by Bel Padash (EKS Alihandro x Pataya OS), bred by Beluga Arabians from Germany and owned by Mr. K. Theys from Belgium.

Two competitors showed up in the subsequent class of three-year old colts and it was by far that Marwadee Del Mar (Wadee Al Shaqab x Avalon Kortana), bred by Ms. S. Hervieu from France and owned by Del Mar Arabians from France, won this class. This colt has a very nice dark bay colour, a refined type with a great neck and a very remarkable head with nice, almost sculptured eye sockets. Ghaith Al Zobair (RFI Farid x Fazea Al Zobair) became second. A very nice bay colt as well, that even rose above the number one on head and type (with two times 20 on head) but in the end lost mainly on points for neck and body and topline.

In the first group of ultra-youngsters, the foals, it unfortunately was only one colt foal that entered the arena. This little grey, Gold Medal champion Farrao (AJ Dinar x Ferrgie), bred and owned by Ms. Paula Böhmer, moved very well balanced with an already impressive front.

The class of filly foals consisted of two competitors and there it was an extravagant beauty that won the first place and thus the Gold Medal: the picturesque Jaydan's Yuliah (RFI Farid x Forelock's Yuliette), bred and owned by Mr. Ray Pietersen and Ms. Janine Visser of Jaydan Arabians from the Netherlands. A very showy filly foal, with a nice neck, very pretty face, big black eyes and refined nose. The more older Ero's Arya (Al Ayal AA x Raville P), bred and owned by the Van Duyvenbode family from the Netherlands, earned a well-deserved second place and Silver Medal.

Farrao and Jaydan's Yuliah then competed for the Hennie Kuijf Trophy, the award for the Best Foal. It was the pretty bay Jaydan's Yuliah that unanimously conquered this prestigious trophy, to great joy of her owners. A special note to this victory is that the foal's dam, Forelock's Yuliette, is the last horse bred by (and registered in the name of) the late Mrs.

*Hennie Kuijf, former matriarch at Forelock's Arabians and name giver to the trophy; and the foal was also born in the stables of Forelock's Arabians.*

*After the foal championships and a welcome, refreshing lunch break, the first group of yearling fillies entered the arena. A combat with a very close call between two remarkably beautiful fillies from Knocke Arabians, that unmistakable were sisters! Thalina KA (QR Marc x Harmattan Thalya) and Sita KA (QR Marc x L Serenella) both have the same refinement and similar appearance but due to a slightly better neck, slightly better movements and a bit more show attitude, Thalina KA won the class.*

*In the second group of yearling fillies there were three competitors and here it was the grey Aja Deia (AJ Mardan x Aja Sabiba), bred by Aja Arabians and owned by Ajman Stud, that won the class. For me it was the second placed grey Joumina KA (QR Marc x Joumalia de Nautiac) of Knocke Arabians that really stole the show, with a very nice neck that she used so well and two times 20 for her impressive movements. The also very appealing CBA Maruja (EKS Alihandro x Maharani CF) of Bouché Arabians got the third place with a very nice score of 90.38.*

*The class of two-year old fillies was to start and the first group of six competitors appeared. A strong class with a nice diversity of horses that were all really well matched. With a unanimous 19.5 for type and a stunning two times 20 for head, the very beautiful DA Ariyana (EKS Alihandro x DA Miss Justice), bred and owned by Cornelia Kolnberger of Diamond Arabians from Austria, won the class. Also a real eye-catcher to me was the number two, Thalita KA (QR Marc x Harmattan Thalya), bred and owned by Knocke Arabians and full sister to the winner of the first group of yearling fillies. Third place was for the very elegant bay filly Batalah de Cartherey (Marwan Al Shaqab x Badi'ah de Cartherey). An unmistakable and very nice Marwan daughter, that was class winner and Bronze*

*Medal champion yearling fillies at the Tulip Cup in 2017, really maturing beautifully. The fourth place was for the bay Ascot DD-daughter Manayer Al Nasser (out of Masrata Al Nasser), bred and owned by Al Nasser Stud from Qatar. The very nice AJ Amandari (AJ Mardan x AJ Asyad) is a nice young mare that will definitely score higher next time if she can convey the grace from her great stand-up also when trotting in hand. Cadanz Faridah (Shiraz de Lafon x Cadanz Djamilah), bred by Cadanz Arabians from the Netherlands, closed this class as sixth.*

*Two classes were still to follow for Saturday and the second group of two-year old fillies showed up. Badawia Al Muawd (Emerald J x Mistill Al Muawd), bred by Al Muawd Stud from Saudi Arabia and owned by Mr. J. Sloan from the USA, won the class. A very remarkable filly with great Arabian type and super expressive face. Badawia Al Muawd was closely followed by the tall, bay filly Assilah Al Shabania (SMA Magic One x Nadira of Roban), bred and owned by Al Shabania Stud from Qatar, a nicely lined filly with a refined type. AJ Yamama (AJ Mardan x AJ Yndirah), bred and owned by Ajman Stud, was by far the youngest of her class but with great attitude and her pretty exterior she nevertheless gained the third position. Talsam Al Shabania (WH Justice x Nashwat Al Shabania), bred and owned by Al Shabania Stud took the fourth place and MVH Lamise (D'Justin x ZA Cafirah), a grey mare of obvious Spanish descendant bred and owned by Ms. Megan Vergoes Hourwens from the Netherlands, closed the class.*

*The last class of Saturday was also the last junior class of the event: the class of the three-year old fillies. Here the scores were all really, really close to each other. The chestnut Portia KA (QR Marc x Priske) of Knocke Arabians took the win with 91.56, and with not even 0.20 points of difference she was followed by the beautiful AJ Rafiqa (AJ Mardan x AJ Rafiha) of Ajman Stud. The Polish-bred Jawaber Lemar (Empire x Lanckorona), bred by Michalów Stud from Poland and owned by Mr. M. Jasim Al Ghemlas from Kuwait had*

the third place and DA Little Princess (Lawrence Al Gazal x DA Juss Diva), bred and owned by Diamond Arabians from Austria, became fourth. A bit disappointing if you ask me, she really was one of my favourites from this class. Soraya AA (Al Ayal AA x Saniyyah RCA), bred by Ariela Arabians from Israel and owned by Mrs. Nayla Hayek of Hanaya Stud from Switzerland, brought this class and therewith the first day of the Tulip Cup to an end.

That gave all trainers, owners and audience the opportunity to go to their hotel or home for a nice dinner and good talk with a drink (or more), to reflect this first day of the Tulip Cup and to catch-up with each other after a long showless winter.

### Sunday April 29th

After a good night of sleep the show started again on Sunday morning at 10.00am with the Classic Pleasure ridden class. Four combinations performed in the arena and the first place was won by a (for the Netherlands) familiar face, being Ilona Bax with the gelding AR Sinan Azim (AR Sivmayall x Chantal's Aziza). The second place was for Lisa Heckenbücker from Germany with the snow white Shaheen Ibn Ashhal (Ashhal Al Rayyan x Bint Sanadiva) and his endless long tail. Also a good combination in my opinion was Cindy Bijl from the Netherlands on her very nice mare Angel Elegantka (Amurath Muntahi x Markitanka). The skipping EM Pinacolada was obviously a bit nervous which took her and her rider Charissa Schutte to the fourth place.

After the ridden class the class and championship of geldings took place. The very elegant Erogant (WH Justice x Raville P), bred by the Van Duyvenbode family and owned by Ms. Monica van Duyvenbode from the Netherlands, got the first place and therewith earned the Gold Medal. A gelding with a very good Arabian type, great movements and a nice neck.

Although ex aequo ranked with the gold medalist, Postar (Om El Belissimo x Pomerania), bred by Janów Podlaski and owned by Lisa Heckenbücker, was placed second with the Silver Medal due to lower points in type. This grey machine really can move (hence the 20 on movements) and had a magnificent entrance in the presentation round. Nabeel Al Nasser (EKS Alihandro x Noof Al Nasser), bred by Al Nasser Stud and owned by Koen Hennekens, also moved great which was rewarded with a 20 and he got the third place and thus Bronze Medal. Cadanz Badir (Gilly J x Bess-Chandirah), bred by Cadanz Arabians and owned by F&M Arabians from the Netherlands) is generally known as an elegant gelding with a nice Arabian type and great movement. This time his presentation did not do him justice and the fact that he was "a bit" chubby may have had a role in that.

A very big group of eight 4 to 6 year old mares then entered into the arena, in which the chestnut Epica KA (QR Marc x Espadrilla), bred and owned by Knocke Arabians, took the win with here very beautiful front. The secondly placed AJ Barari (Vervalde x La Bella Versace), bred and owned by Ajman Stud, has a very appealing Arabian head for which she was awarded with three times 20. DA Jakarta (Lawrence Al Gazal x DA Juss Diva) of Diamond Arabians is a lovely mare and a great mover with a lot of expression, she became third. Nirah Meia Lua (WH Justice x Niceya El Perseus), bred by Mrs. Helena Perroy-Ribeiro from the USA and owned by Sheik Mohammed bin Khalifah Al Thani from Qatar, became fourth in this class and to be honest she was my personal favourite of the group, a well build mare with a great exterior and exceptional Arabian type. On the fifth place it was F Jannah (F Sabara Ibn Shamaal x F Jalajil Bint Al Labab), bred by Friedmann Arabians from Germany and owned by Mrs. Nayla Hayek of Hanaya Stud, ex aequo ranked with the as sixth placed Naksatra (Nader Al Shaqab x Just Diva), bred by Mr. Shailesh Sawant from Belgium and owned by Arabian Farm from Belgium. A very elegant mare that due to points for type had to acknowledge the Straight Egyptian Jannah as her superior. The very calm Kayra

*Alfabia (Alfabia Aragon x Alfabia Kiyama), bred by Alfabia Arabians from Italy and owned by Mrs. Claudia Brugman of Brugman Arabians from Belgium, presented herself with a very down-to-earth attitude and therewith took the seventh place, just before CA Wila (WH Justice x CA Casey), bred by Calbar Arabians from Denmark and owned by Ms. Nadine Koo of Koo Arabians from the Netherlands; a nice mare with a pretty head and deep black eyes, which in my opinion received quite low points on movement compared to the rest of the class.*

*There were two groups of 4 to 6 year old stallions and in the first group it was Jayan de Nautiac (Shael Dream Desert x Journalia de Nautiac), bred by Mrs. R. Bourasse from France and owned by Knocke Arabians, who won this class. The black beauty Sari Alo Wanah (Alfonzo x OFW Annica), bred by Mr. Abdullah Naser Al Khaled from Kuwait and owned by Mr. Abdullateef Basheer Alrasheedi from Kuwait, ranked second. With his dark coat he definitely was an appearance in the show ring. COF Mirajj (Marajj x OFW Hannah), bred by Color Of Fame Arabians from Germany and owned by Mrs. K. Gondesens from Germany became third. This tall stallion did know how to impress. KAS Gigi L'Amoroso (Ajman Moniscione x Sheika MAF), bred and owned by Ms. Wenche Roefs, presented himself well with a nice trot and therewith got the fourth place, just before Wanderos (Shanghai EA x Walida), bred by Mr. P. Redestowicz from Poland and owned by Mr. K. Theys from Belgium, who closed the first group of this class.*

*In the second group of 4 to 6 year old stallions the first place was for the very tall but very beautiful EA Arjen El Marwteyn (ZT Marwteyn x Ancholy Ali), bred and owned by Ms. Kathrin Hampe of Eos Arabians from Austria. This stallion has a really beautiful head with lots of expression and Arabian type. The second place in this class was for Wiron (Kabsztad x Wirka), bred by Mr. Jerzy Chrapkowski from Poland and owned by Dr. Anna Janas-Naze from Poland. This stallion was by far the best mover of the group. Another ZT Marwteyn-son, Mikael C (out of Magnum's Diva C),*

*bred by Coleal Arabian Horse Farm from the USA and owned by Dr. Khaled Al Azmi Al Abdilly from Kuwait, became third and the bit feminine AJ Nayal (Al Ayal AA x Nashwah AA), bred by Ajman Stud and owned by Mrs. M.I. Evang from Norway, ended fourth.*

*In the subsequent class of 7 to 9 year old mares, one of the most exotic and feminine mares participated. This Straight Egyptian beauty is called Questurat Al Fawaz (Al Rabeeb AA x HV Ramses Mishaala) and is bred by Yasin Baker of Kfar Arabians from Israel and owned by Mrs. Nayla Hayek of Hanaya Stud. Although her body and topline may not be the best, this very beautiful mare has lots of type and expression and can be recognized in the pasture as a true Arabian horse already from a far distance. She took the first place well deserved. The second place was for her stable mate, the Straight Egyptian with also a beautiful head that was rewarded with a 20: Sahara By El Wahid (El Wahid El Dine x Imperial Baajah), bred by Santa Bordonni from Italy and also owned by Mrs. Nayla Hayek of Hanaya Stud.*

*The last halter class of the Tulip Cup was the class of the 7 year and older stallions, in which Safer By Sibilla (MG Magic Ghassan x Magic Sibilla), bred by Marinella Abagnale from Italy and owned by Mrs. Nayla Hayek, took the first place with his very exotic, remarkable face. Great mover and snow white AR Fayyim (Valerio Ibn Eternity VI x Aicha SVA), bred by Mrs. Isabel Lopez y van Bremen of Arabian Ranch from the Netherlands and owned by Ms. M. van Heiningen from the Netherlands, took the second place with an exact 1 point in difference.*

*Just before the championships the organization of the show gave everyone the opportunity for a lunch break and shortly after the break Tom Oben of Obi Training Center presented the talented stallion Luigi (Kanz Albidayer x Lolita) in ownership of Al Shabania Stud from Qatar. A very pretty stallion with an incredible show attitude and great movements. The lucky owners of the Best Dutch Bred Horse,*

*Mr. Ray Pietersen and Ms. Janine Visser of Jaydan Arabians with Jaydan's Yuliah, won a breeding of Luigi.*

*Knocke Arabians raffled three breedings to QR Marc between the owners of the European bred and still European owned yearling fillies, junior mares and senior mares. Claus Bouché of Bouché Arabians with CBA Maruja, Marie-Louise Strijbos-Puts of Cadanz Arabians with Cadanz Faridah and Nadine Koo of Koo Arabians with CA Wila were the lucky winners.*

*Then the last part of the show commenced, the championships. The first championships were the yearling championships and with the yearling fillies the unanimous Gold Medal champion was Aja Deia, followed by the QR Marc sisters Thalina KA and Sita KA with the Silver Medal and Bronze Medal. With the yearling colts it was Claus Bouché that won the Gold Medal with his colt CBA Illias, followed by Justify KA with the Silver Medal for Knocke Arabians and AJ Elaf with the Bronze Medal.*

*Gold Medal junior mares became the beautiful bay Assilah Al Shabania and the expressive Badawia Al Muawd gained the Silver Medal with DA Ariyana earning the Bronze Medal title. In the championship for junior colts it was Marwadee Del Mar that won the Gold Medal, with the Silver Medal granted to Badi Athbah and the Bronze Medal to Emperor KA.*

*AJ Barari won the Gold Medal in the senior mare championship and that made her class superior Epica KA win the Silver Medal. Despite the fact that I am happy that the following mare won a medal I really had hoped for a*

*higher rank for her, but the beautiful Questurat Al Fawaz nevertheless took the Bronze Medal to Switzerland for her owner Mrs. Nayla Hayek. Without a doubt EA Arjen El Marwteyn won the Gold Medal in the championship for senior stallions and the Silver Medal was for Jayan de Nautiac. Black Sari Alo Wanah won the Bronze Medal just before Wiron and Safeer By Sibilla.*

*With the Sunday coming to an end, just three more trophies were to be awarded between the golden medalists of the show. The trophy for Best Dutch Bred Horse went to Jaydan's Yuliah who therewith won her third title in two days' time: Gold Medal champion filly foals, Best Foal/Hennie Kuiff Trophy and Best Dutch Bred Horse. The Most Classic Head of Champions trophy was awarded to EA Arjen El Marwteyn who really deserves that appreciation.*

*Finally the very last trophy was to be awarded, the trophy that gives the name to this show, the ultimate honour a horse could achieve this weekend, the trophy for the Best in Show: the Tulip Cup. It was the audience this time that could elect the Best in Show by entering into the arena and stand with their favourite winner. Although it was a very close call with the filly foal Jaydan's Yuliah, it was EA Arjen El Marwteyn who gathered the most fans around him and therefore he won the Tulip Cup.*

*After an exciting and fun weekend with two days of Arabian horse show and meeting up with old and new friends, the Tulip Cup 2018 was over. I think that I speak on behalf of all the breeders, owners, trainers and audience if I say: thank you team Tulip Cup for a wonderful event! We hope to see you all next year again for the 2019 edition! □*
