

# PRAGUE INTERCUP

by Fabio Brianzoni ■ photos by TuttoArabi archive, Renata Kolarova ■ photos adjustment: Drazen Lazic

*This year Prague Intercup was held in the city centre, at Letna Park, a new outdoor location after 7 years indoor. This was an excellent choice by Mr. Jaroslav Lacina, who organizes and improves this event each time with innovations and elegance. Letna Park represents the lung of Prague and is on the Letna hill from where a great panorama of the old town, the Castle and Moldava river can be admired. One of the most special attractions is undoubtedly the giant red Metronome, placed in 1991 where the biggest Stalin monument in the world was built in 1955, and destroyed in 1962. The Metronome, 23 mt, is designed by the international artist Vratislav Novák. The area just behind the Metronome is used by skateboarding lovers, who come from worldwide to perform here. Walking through the park, one can*

*find nice food kiosks, where one can enjoy local delicious specialities and discover how much history that this park tells. In 1998, 750.000 people started their march here against the communist regime. The most ancient carousel in Europe, built in 1892, is here in this park. In 1996 the superstar Michael Jackson launched his world tour here with 130.000 participants. So this year, the International B Show and the Czech National Championship shared their presence on the list of the many events, which are every year held on this charming hill.*

*This first outdoor edition of Prague Intercup on the 2nd and the 3rd September, was kissed by the sun (despite some raindrops during the night).*

*The event was both days graced by the presence of spectators, breeders and owners in the VIP area.*

*On the first morning, the National Championships were held and judged by HRH Princess Alia Al Hussein Al Saleh ( Jor), Mr. Marek Trela (PL), Mr. Jerzy Bialobok (PL) and Mr. Abdullateef Ahmad Al Shaya (Kwt). DC: Mrs. Irena Cieslak (PL), Mrs. Iveta Dudová (CZ) and Mrs. Barbara Mazur (PL). Ring Steward: Mr. Farhang Fazeli (IRN). Music by Mr. Ludvik Jandourek & Matyas Svasek as the background music of the voice of Mrs. Zuzana Slavikova, speaker for both events of which setup was consulted and designed in cooperation with Mr. Drazen Lazic. The show was stopped only to let the lunch to be served and to prepare the stage for the belly dance performance, the falconry and the impressive acrobatic display.*

*During the afternoon, the classes of the International B Show started and very high quality horses coming from all over the Europe, Emirates and Qatar was shown. Judges were: Mrs. Anna Stojanowska (PL), Mrs. Claudia Darius (DE), Mr. Peter Gamlin (UK), Dr. Gianmarco Aragno (IT). The technical staff remained the same.*

*The Gala Dinner was offered on the Moldava river, at a*

*restaurant where many surprises were waiting for the guests. Light, fire and music show framed the aperitif. Then the biggest surprise, after the fireshow, came out of the smoke: the multi-World Champion EKS ALIHANDRO was shown as the special guest thanks to the will of HRH Prince Abdulaziz Bin Abamad Bin Abdulaziz Al Saud, who with this performance made this night unforgettable. On Sunday, the 3rd, the morning was dedicated to mare and stallion classes, and the afternoon to the championships. As usual two championships were held, the Ecabo Championship and the European Cup, this year sponsored by Mrs. Anne Heiloo – Surweco s.r.o. di Mrs. Nina Suskeviciova – Al Shaqab Stud – Kopecky Autosalony. In addition to the trophies, a prize of 200€ was given to each medalist.*

*For all the results of National and International and the scores of each judge visit:*
