

NAMIBIAN ARABIAN HORSE SHOW

text and photos by Barbara Scholz

*I*n the southern part of Africa this year there was a very special Arabian horse show in Namibia in October 2022 for 3 days.

It was a show involving four southern African countries: Namibia, Zimbabwe, Botswana and South Africa. The presidents of Zimbabwe, South Africa and Namibia and a representative of the Botswana Horse Society attended the show. The show was different from the usual Arabian horse shows around the world. It was given a authentic African safari feel. It was a true celebration of the beauty of Arabian horses that have their home in southern Africa.

The main sponsor was Ajmal Stud. Without this generous sponsorship, this wonderful show would not have been possible. The show was opened by the Arab Horse Breeders Society of Namibia's President, Dr Barbara Scholz, who made her entrance into the arena in riding her expressive Polish mare Perylla, daughter of Perforacja and Metropolis NA. The judges' tent was decorated with authentic classical furniture and hides of wild animals such as zebras and crocodiles.

The trophies were wooden sculptures by local artists depicting all the wild animals of Africa. The trophies for the children were handmade soft toys of African animals, also made by local artists. The food was outstanding. An African cake with drawings of African animals and a special cake-cutting ceremony, in which the judges had to cut the cake, were prepared. African dancers and singers entertained people during the dinner. The judges were Holger Ismer, Scott Benjamin and Allan Preston who were very entertaining and had to show their skills on horseback, riding some show horses. Holger Ismer also took part in the fun.

The champions received scarves with African motives. Many of the horses shown by hand were also shown under saddle, such as the Western Pleasure, Hunter, Show Hack and costume. A versatility class was great fun for the children. The award ceremony was a Gatsby party where everyone had fun and danced until late. The judges praised the quality of the horses and awarded scores above 90 to 10 of the 40 horses presented. The atmosphere was wonderful and everyone knew that this show should be repeated. A similar show is planned for May 2023 - see you all in Namibia!

NAMIBIAN ARABIAN HORSE SHOW

Judges and Presidents

NAMIBIAN BRED HORSES ABOVE 90+ SCORES

1. SKAI JULJUL	91.16
