This year, the Arabian Horse Festival took up residence in Arnac-Pompadour, a picturesque French town located in Nouvelle-Aquitaine. The name of this small town became famous thanks to the illustrious figure of Madame Jeanne-Antoinette Poisson, mistress of King Louis XV, who received the sumptuous Château de Pompadour and the title of Marquise as a gift. This château, listed as a historical monument in 1926, houses the charming Haras National de Pompadour, renowned for housing the finest breeds of sport horses. Arnac-Pompadour has always been associated with the horse world thanks to its prestigious horse races and ancestral equestrian tradition.

From July 25th to 27th, the prestigious PSA event was held, organized by the ACA (French Association of Arabian and Half-Bred Arabian Horses), under the direction of Mr. Eric Gear. The success of such a large-scale event is undoubtedly due to an exceptional team, which brilliantly managed more than 200 horses entered in various specialties, and to a team of expert judges who evaluated the different categories of horses. Mr. Eric Gear, his wife Patricia and their daughter Matilde, not forgetting Flavie and Flocie Allman, Tiphaine

and Alexandra Liegeon embody the beating heart of this great event, supported by a brilliant disciplinary committee composed of Mrs. Christine Valette, Mr. Jean Marc Dubois and Mr. Bertrand Valette. The course designer, Mr. Jean Bernard Kupaj, the extraordinary music of the DJ Mrs. Asya Brouillon, and the incisive voice of the speaker Mr. Maxime Becmeur contributed to making the atmosphere of the festival magical and captivating. This exceptional event comprised six key classes, featuring an exceptional team that worked tirelessly to ensure the show's success.

The first class, the equitation class, was judged by Ms. Hellen Hennekens and judged by Mr. Scott Allman on probation. Ms. Nathalie Huet, riding "HARMATTAN GALACTIK," won first place in the "Classic Pleasure Novice" class. In the "Classic Pleasure Advanced" and "Classic Pleasure Master" classes, the winner was "ANTARTIC DES AUBUS," ridden by Ms. Lorna Combette, who also received the award for best horse in each class. The "Hunter Pleasure Novice" class was won by Ms. Astrid Kirschon riding "WIEZARINA AT," while the "Hunter Pleasure Advanced" class was won by "LOHENBERG ADIL," ridden by Ms. Laureen Dubarry.

It will be judged by: Ms. Anna Stojanowska (Poland), Mr. Abdelouahed Maagoul (Morocco), Ms. Hellen Hennekens (Belgium), Mr. Nicolas Truteau (France), and Mr. Clémentine Chinouilh (France). The high quality of the purebred Egyptian horses is also due to the participation of horses from historic stud farms such as Al Amama and Al Farida.

The bronze medal goes to the gray "LAYYAD IBN UNKAS," owned by Mr. Denis Gil. On Friday 25th, the Ecaho International Class B competition will take place with perfect timing. The jury has remained unchanged and remains on the field to judge the yearling female championship, which sees the gold medal go to "SHATHA AL JOO," owned by Mr. Mohammed Jassim M A Jaidah/Al Jood Stud. The silver medal goes to "CAMEG SHAFIQA," owned by Mr. Salih Brandt, and the bronze medal to "DLM NAJMA," owned by De La Mata Arabians. The junior females are now in contention for the championship, and the gold medal goes to "MARYOMAAL AZIZA," from the Swedish stud farm Moell & Moell. The silver medal goes to "SINDERELLA O," owned by the Spanish stud farm Yeguada La Espartera. Bronze went to "SH DELYA BINT RASHEEM," owned by Sh Iberic Arabians France. We continue with the yearling championship, which saw gold go to "MARWAN AL JOOD," owned by Mr. Mohammed Jassim M A Jaidah/Al Jood Stud. The silver medal went to Belgium

with "FIGARO DD" from Absolute Arabians. The gold medal in the young colt category went to "BP EL'EAZAR VITTORIO" from Lamp'Sud El Arab, while "PAULUS O," owned by Yeguada Espartera, won silver. In the senior category, the gold medal went to "AGMAL JAHIDDAH" from Anvil Arabians.

Saturday 26th was entirely devoted to the French Championship events. Many events are planned, and 98 horses are vying for the championship title, but only the top three in each category will qualify for the championship to be held on Sunday 27th. Saturday continues with the Breeders' Festival organized by

the Gear family, where special prizes will be awarded, which you can view on the dedicated page.

On Sunday, the 27th, the French Mare Championship will take place. All horses that qualified in their category on Saturday will compete for at least one of the three medals. We will begin with the yearling fillies: the gold medal goes to "HERA DOMITIA," owned by the Allman family, whose breeder is Flavie Allman and whose husband Scott is the owner and handler. The silver medal goes to "SANKHA SHIMALIA," owned by Aude Carpentier. The bronze medal goes to "LOHENBERG YASMINA," owned by Mr. Jérôme Carayon. We continue with the junior filly races: the gold medal goes to "FARIDA SW ARABIAN," owned by Mr. Samuel Wiastersheim. The silver medal goes to "SH DELYA BINT RASHEEM," by Sh Iberic Arabians France. Ms. Tiffany Salierno won bronze with her magnificent "MISS GILL DU TSIA." The final category, reserved for females, also included mares accompanied by their foals, who qualified in a dedicated category that I really appreciate because maternity is not considered an eliminatory condition.

The French Champion title went to "SYRINA DE NAUTIAC"

by Rachel Bourrasse. Silver went to "SAHARA KHIPSYCHE" by Ms. Johanna Ullstrom. Bronze went to "NABILA RC" by Mr. Mathieu Miloux. We continue with the male championships, and the gold medal for yearling foals went to "KHALDUN ALBIDAYER," which brought another medal to Mr. Mathieu Miloux. Silver went to "NM ARIBAH" by Mr. Nicolas Meyer. The bronze medal went to "BATAL D'ÉLÉGANCE" owned by Mrs. Wilda Winclair. In the junior colts, the gold medal went to "KAMARE INES" owned by Mr. Mathieu Miloux. The silver medal went to "LORD DES AUBUS" owned by Mr. Louis Choulet, and the bronze medal went to "MAGADI DE NAUTIAC" owned by Mrs. Rachel Bourrasse. The National Championship concluded with the announcement of the 2025 stallion champion. "RASHEEM ALBIDAYER" from the Haras des Arabes Ibériques de France and "FAARIS AM" from the Haras des Arabes Oz won the bronze medal. "LOHENBERG HADIL," owned by Mr. Jérôme Carayon, won the bronze medal. On my own behalf and on behalf of the entire Tuttoarabi team, I would like to express my gratitude for the hospitality and the opportunity to participate in this wonderful event, and I would also like to receive the impressions of the festival director himself.

On behalf of the entire organizing team and myself, I would like to extend our heartfelt thanks to all the participants, horse owners, and everyone who came simply to watch and experience three intense days centered around the Arabian horse. This year, we aimed even higher by offering six competitions, in an effort to satisfy all owners and breeders of Arabian horses. It was a real challenge, as organizing such an event requires constant attention to ensure everything runs smoothly — all while preserving the spirit of friendliness and community, which remains our top priority. We warmly thank our officials, whose daily workload is substantial, as well as the handlers who managed to present a large number of horses — 83 for the National Show alone, a number we hadn't reached in a long time.

We are truly delighted with this year's success, and for 2026, we're already planning to go further — possibly over more days — by featuring an endurance race and flat races for Arabian horses. As you've probably gathered, our ambition is for the Arabian Horse Festival to become the major event dedicated to the Arabian horse — a true gathering for everyone who shares a passion for this exceptional breed.

In these challenging times for European breeders, we believe it is more important than ever for national associations to remain close to all breeders — both large and small — to help restore purpose and enthusiasm, and to attract new enthusiasts who may become future buyers and breeders. We must reignite interest in the Arabian horse to help relaunch the entire equine sector.

Looking ahead to 2026, depending on the decisions we make, the event may be held at a new venue, although it's still too early to confirm anything.

A heartfelt thank you to Tutto Arabi for their articles and beautiful photos.

Take care of yourselves,

Éric Gear

Vice President of Aca France.
