European Show and International B Show
International Days For Arabian Horses

Every year, the Ismer Family gives us a page of legend: the traditional event that has been unleashing the spirit, elegance and history of the Arabian horse for more than 60 years. It is the festival of the Arabian Horse, of course, but it is also the magic of a living zoo - the Tierparkzoo, where all it takes is a few steps and you lose yourself in nature, among families and children who widen their eyes at a curious monkey, an impetuous cheetah and many other protagonists. A show that has its own personality, its own story, all to be discovered,

especially by those who have never experienced it: three giant pachyderms carrying on the catwalk, on their backs, a smiling jury - but you can't help but hold back a smile.

This is the Ströhen Show, this is the Ismer family, where everyone has a task and everyone does everything in a setting that smells of anniversaries and promises for the competing horses. This year the date was in August, on the 22nd, 23rd and 24th. The 22nd, Friday is always the day of preparation: horses stabled, ring set up, and an evening

aperitif under the big tent, where every hug and handshake is a prelude to the big event. Immediately afterwards, a parade of Ismer Stud's best horses presented directly by Mr. Nils Ismer is customary, two pearls of the breeding programme with their newly born products: the power of two imposing stallions, 'EBT Bel Subayan' (Fa El Rasheem X MaryseOs) and his son 'IS Wincent' (EBT Bel Subayan x IS Wenzia) as also a group of mares by 'Ascot DD' (Glorius Apal x Lady Nina DD), masterfully presented by their son Noah Ismer. This year the novelty, which never fails, was the kind participation in partnership with Global Champions Arabians Tour, which contributed cash prizes

and no less than 30 free entries for the GCATs in London and Prague 2026.

On the morning of the 23rd, the highlights began: classes for the two shows, European Show and International B-Show. Two groups of judges for the two events. For the European, from the UK comes Mr. Chris Lowe, from Australia Mr. Allan Preston and from Belgium Mr. James Swaenepoel. For the International B show, Mrs. Joanne Lowe (UK), Mr. Jerzy Bialobok (Poland), Mr. Ali Shaarawi (Egypt) and Mr. Joseph Polo (USA). Excellent work by the Ring Master, Mrs. Lizette Svensson (Sweden), who

conducted both events, and the Disciplinary Committee: Mrs. Barbara Pfister (Switzerland), Dr. Vet. Yousef Abusamra (Qatar), Mrs. Irena Cieslak (Poland) and Dr. Vet. Mohammed Hammad (Egypt). One probationers on the court: Judge Mrs. Gabriela Thiry, we will soon see her in a starting role. The fantastic music of Mr. Lars Grootswagers accompanies the movement of the horses and the voices of Mr. Eric Blaak and Mr. Mirek Kolodjei communicate the results, day after day, creating a rhythm that remains in the heart. And so, amidst music, elegance and a hint of adrenaline, the Ströhen Show leaves its mark: a celebration of tradition, play of light and looks of wonder, ready to

repeat itself (and amaze) again the following year. All this is the Ströhen Show, where the audience also plays its part, but the credit for it all, for the always successful performance, has one name: Ismer Family and Mrs. Yvonne Habermann.

The day of Saturday saw the entirety of the horses in the two shows, remaining for Sunday morning, the foals and Amateurs. Once these classes were over, the two championships began.

Let's start with the European show..
