**T**he two-day prestigious Arabian horse event, the Global Champions Arabians Tour in Monaco, in the suggestive frame of Port Hercule, a big harbor filled with super yachts, against the backdrop of the Mediterranean once again highlighted the excellence, the beauty and elegance of Arabian horses, attracting breeders, owners and passionates from all over the world.

The Global Champions Arabians Tour made an important European stop in the Principality of Monaco which, thanks to the quality of participants, has been a great success and a notable celebration of Arabian horses supported by the GCAT Partners- Qatar Airways, Doha Bank, Richard Mille, Waldorf Astoria, UDC, Ali Bin Ali, Alkass and Education Above All.

An extraordinary venue and excellent organisation – something we have come to be used to, thanks to the hard

work of GCAT in ensuring the highest standards of organisation, which spoils its guests and makes every event special.

The GCAT is synonymous with prestige, ambition and the desire to compete and win for all those who have aspired to be the best. Winning is an extremely ambitious goal for many breeders, as year after year, the GCAT crowns the very best of the best.

*The venue and dates will continue to welcome the Arabian horse exhibitors, breeders, owners and fans from around the world, as the Global Champions Arabian Tour (GCAT) has officially announced that its 2026 Season Final will be held in Aachen on 26–27 September.*

*The Arabian Futurity Europe will still take place as scheduled on Friday, 25 September; making it a full weekend dedicated to the Arabian horse in one of the sport's most historic arenas.*
