Arabian Horse Festival 2026: **BEAUTY, SPORT AND PASSION** Come Together in Pompadour

On 25 and 26 July 2026, the Purebred and Part-Bred Arabian Horse Festival brought together breeders, owners, riders, handlers, grooms, spectators and enthusiasts at the Haras National de Pompadour; united by a shared desire: to celebrate the Arabian horse in all its richness and versatility.

Conviviality, sharing, passion and a return to the roots were at the heart of this event, designed to bring together and complement the different worlds that contribute to the Arabian horse community.

Beauty and Sport: Different Expressions of the Same Horse

On the show side, the Festival hosted the Purebred Arabian National Championship, the International B Show, the Egyptian Event, as well as the National Part-Bred Arabian Championship, showcasing the beauty, type, expression and conformation of these horses.

The refinement, elegance and unmistakable charisma of the horses presented in the show ring continue, year after year, to captivate and embody the very essence of the Arabian horse.

The sporting programme naturally complemented this celebration with ECAHO Sport classes in Classic Pleasure and Hunter Pleasure, both offered at Novice, Advanced and Master levels.

Classes held under the French Equestrian Federation also gave horse-and-rider combinations the opportunity to compete in Amateur 2B and 3B Dressage, as well as show jumping, with 80 cm, 90 cm and 1 m preparatory classes.

This diversity reflects France's longstanding appreciation for the athletic qualities of the Arabian horse, which can be seen across a wide range of disciplines. Endurance is undoubtedly one of its most emblematic expressions: a discipline largely dominated by Purebred and Part-Bred

Arabians, in which France has long been recognised as one of the world's leading nations.

"Beauty & Sport": The Spirit of the Festival

The Beauty & Sport Championship perfectly embodied this desire to bring together the many qualities of the Arabian horse.

To compete for the title, horses were required to take part in two sporting classes from two different disciplines, as well as a Model & Gaits class, which also featured its own championship.

The format was designed to reward versatility, harmoniously

combining conformation, movement and athletic ability.

The Festival sought to bring together and celebrate beauty and performance, in a true return to the roots of what has always made the Arabian horse so remarkable: its elegance, athletic qualities, intelligence and versatility.

A Weekend of Passion and Conviviality

Despite the difficult circumstances created by the wildfires affecting southern France and a few drops of rain throughout the weekend, the atmosphere in Pompadour remained warm and welcoming, with passion, shared moments and emotion at the heart of the event.

The Festival extends its sincere thanks to all the breeders, owners, riders, handlers, grooms, spectators and their teams, whose commitment and enthusiasm brought this edition to life.

The event was also made possible thanks to the valuable support of its official partners: GCAT, FFE, SHF, E.Quitteam, ECAHO and ACA France.

For two days, Pompadour brought together different ways of experiencing the same passion, centred around the Purebred and Part-Bred Arabian horse.

Beautiful and athletic, elegant and versatile: a return to the roots, celebrating together every facet of the Arabian horse.
