This 11th edition of the Milan International Cup and Egyptian Event was extraordinary!

Thanks to the synergy between CAVALLI IN VILLA, the association that devised the format created to foster communication and the promotion of the horse as a standard bearer of culture and economy, and ARABITE HORSE EVENTS, Italian excellence in the organisation of Arabian horse morphology events, three days full of appointments that united history, culture and passion for horses.

The event was held at VILLA SPINEDA GASPARIN LOREDAN, a fabulous 18th-century Palladian Villa in the municipality of Volpago del Montello (Tv), very close to Venice. There were numerous activities in addition to Arabian Morphology, Equestrian Theatre, Carriages in the Villa, and speeches by Giorgio Merli and Vittorio Sgarbi. Godmother of the event Adriana Volpe, who awarded the winners by also presenting them with elegant horse blankets of the Emma Alice Martin brand, a luxury product of which she herself is a partner. The best handlers presented Arabian horses of rare beauty from prestigious stables in

Italy, Europe and the Middle East, to name but a few: ALJASSIMYA Stud from Qatar, ALKAHASHAB Stud and ALDANAT Stud from Kuwait, DUBAI ARABIAN HORSE STUD and AL REMAS ARABIAN HORSE STUD from the United Arab Emirates, ALFALA Stud from Saudi Arabia, TM ARABIAN STUD from Slovakia and AL HAMIE STUD from Germany.

Arabite Horse Events had an outstanding team, Claudio Mazza and Claudia Orsi are honoured to have worked with the judges Mrs. Janice Aileen McCrea Wight (USA), Mr. Basil Jaadan (Sirya), Mr Ahmed Hamza (Egypt), Mr Tomas Tarczynski (Poland) and Mr Kadan Mohammad Azez (Israel), ring master Dr. Vet Mohamed Hammad (Egypt), the DCs Mrs. Ils van dun (Belgium) and Dr. Vet Patricia Emanuelsen (Denmark). Horses presented by no less than two speakers, the best in the world: Eric Blaak and Nico Belloni, and music by our DJ Mr. Lars Grootswagers on which the wonderful Arabian horses danced.

Special thanks go to all those present at the event, to the owners and breeders and above all to the sponsors who contributed to the success of this event. □
