# XLV Polish National Arabian Horse Show

## Janów Podlaski, Poland

**T**raditionally, Polish National Arabian Horse Show was held in mid-August, under the Honorary Patronage of the President of the Republic of Poland Andrzej Duda. The judging panel (Christine Jamar – Belgium, Martine Van Hee – Belgium, Abdelaziz Al Marzooqi – UAE, Mohammed Aziz Kadan – Israel, Joseph Polo – USA, Eiad Safady – Netherlands) evaluated nearly 120 entered horses over the course of three days. The show was held in the modernly arranged for this purpose indoor arena of Janów Podlaski Stud.

During Sunday's finals, 6 new Polish National Champions were awarded, selecting the best horses from among: Yearling Fillies - Wencedora (Janów Podlaski Stud), Yearling Colts - Poker Face KL (Klikowa Arabians), Junior Mares - Abellia (Janów Podlaski Stud), Junior Stallions - El Draco RA (Czesław Gołaszewski), Senior Mares - Evett Magic (Katarzyna Dolińska-Witkowska/Tomasz Tarczyński) and Senior Stallions - Złoty Medal (Michałów Stud). A number of special prizes were also awarded, among which there was a new one - an initiative of former famous Polish breeder – Mr Michal Bogajewicz and sponsored by Mr Henryk Swiecicki - the Girlan-Bey Trophy for the Best Yearling Male. Girlan-Bey was the first private bred colt (Niewierz Stud of the Bogajewicz), which won not only the Junior Spring Show in Białka (in the general ranking) but later, already in the hands of new owners – Kristoffersen Family of Sweden – he grabbed European and World Reserve Championships, opening the way for other Polish private bred horses to the arenas of the largest international shows. This award, which is a harbinger of a cycle of 5 more in the following years was presented to the best yearling colt of the Polish National Show with wishes for a repeat of Girlan-Bey's career. This year it went to the bay Poker Face KL from Klikowa Arabians. Another horse from a private stud that reached for the great honor was Evett Magic bred by Zalia Arabians and owned by Tomasz Tarczyński, that won the title of Best in Show and Most Beautiful Head awards. Katarzyna Dolińska-Witkowska of Zalia Arabians thus received the Polish Arabian Horse Breeders Association (PZHKA) award for Breeder of the Year, and

Michałów Stud became Best Breeder of the Show. The second prize funded by PZHKA was the award for the best horse meeting the criteria of "Pure Polish" and it became Echo Anastazja from Chrcynno Palace Stud. Traditionally, the winner of the WAHO Award for the outstanding representative of the breed was selected, which became Janów Podlaski Stud bred and owned stallion Pogrom, the Best Racehorse of the Show (selected from amongst the horses entered to the show classes but which had the best racing career from all of them) – became Janów Podlaski Stud bred Patanga. The Goździński family-funded Award of Izabella Pawelec-Zawadzka Trophy for the Polish National Junior Champion Colt (El Draco RA of Czesław Gołaszewski). The horse distinguished by the Best Movement of the Show was Janów Podlaski Stud bred Altamira owned by Adam Ochmann and the Most Beautiful Mare of the Show became Michałów Stud bred El Bellissima. A nice touch is also the honoring of those thanks to whom the horses could present themselves so beautifully by winning awards - i.e. Best Trainer of the Show (Mateusz Tokarski) and Best Handler of the Show (Artur Łojowski).

An accompanying event at the Polish National Arabian Horse Show was a competition for Arabian horses under saddle – August Championship for Sport Arabian Horses, judged by Helen Hennekens-Van Nes and Alicja Poszepczyńska, organized for the second time in cooperation with Polish Arabian Horse Breeders Association. It awarded the best horses at Classic and Hunter Pleasure competitions, as well as Polish Historical Dressage.

# 2023 Pride of Poland and Summer Sale

## Financial and organizational S U C C E S S at Pride of Poland and Summer Sale A U C T I O N S

text by Fabio Brianzoni

**A** total of nearly €2.5 million ended this year's Pride of Poland and Summer Sale auctions in Janów Podlaski! This is the best result since 2015 and the third highest in the last two decades. A total of 31 of the 45 horses offered this year were sold and there are still the requests of sales or leasing of the horses not sold during the auctions arriving to their owners. The most expensive horse sold at the Pride of Poland auction on Sunday evening was a very entitled mare El Esmera from Michałów Stud - she was bought for €810,000 by Al Zobair Stud from the United Arab Emirates, while the record-holder of Monday's Summer Sale was her stablemate, the mare Apolonia by Ekstern, purchased to Belgium for €75,000. The most expensive horse sold from private stud in Poland was multiple champion young mare Bogini Róż PA bred by PPH Parys, who found a new home in Belgium after reaching 170 thousand Euro!

Around 40 clients arrived to the auction this year from Europe, the Middle East and the United States, one could

see both well-known regulars of Janów Podlaski Stud's auctions from previous years and brand new customers interested in Polish horses from, for example, Turkey, Syria and Poland. The horses sold will eventually go to as many as 13 different countries! Many guests praised the variety of the offer and the completely new arrangement of the venue.

The great prices reached in such difficult times for the global market as well as the world top class arrangement of the whole event and the great friendly atmosphere during the whole Arabian horse weekend in Poland shown that Polish Arabian horses are still on a high demand around the world!
