**T**he town of Ströhen, Germany, is a true paradise for horse lovers. Here is the Tierpark, a zoo founded in 1959 by the Ismer family and now home to more than 2,000 animals, including about 200 Arabian horses. The Tierpark is known for its attention to animal care, an excellent restaurant, and for having the Ismer family's breeding of Arabian horses inside. The Arabian horses are raised in a natural environment and are treated with respect and love. Every year, "International Days For Arabian Horses" is held here inside the ring where daily the Errani Family does the show with their three elephants: Mala, Yumba and Baby. This is an event dedicated to Arabian horses, conceived and strongly desired by the creator of the zoo himself, Mr. Holger Ismer who unfortunately this year followed his wife Almut who had already left us last year. The event took place over two days and hosted horses from all over Europe. International Days For Arabian Horses is a unique opportunity to see the best Arabian horses. During the shows, EUROPEAN SHOW and INTERNATIONAL B SHOW the horses were judged by a staff of experienced judges. For the first one Mrs. Sylvie Eberhardt , Mr. Ali Sharawi  and Mr. Zimmermann Bernd . For the International B show: Dr. Gianmarco Aragno , Mr. Emrys Jones , Mr. Sanad Mansour  and Mr. Marek Trela .

Then there was all the technical staff that loyal to this show never want to miss it: in addition to us of Tuttoarabi and Arabianessence TV, in the field as Ring Masters there were Mrs. Lizette Svensson , Mrs. Line Brunsgaard , Mr. Farhang Fazeli  and Dr. Vet. Mohammed Hammad .

The voice, entertainment and music were by Eric Blaak and his son Lars.

In addition to offering as many as two competitions, EUROPEAN SHOW and INTERNATIONAL B SHOW, both affiliated with Ecaho, the International Arabian Horse Days are an opportunity to learn about the history and culture of the Arabian horse as well as an opportunity to stroll through the beautiful park amidst exotic animals of different breeds. During the event, in fact, one can visit the stables of the Ismer family breeding farm, or enjoy a good beer while waiting for the next category. The event takes place normally every year during the month of July. This year the days were July 7th, 8th and 9th. As usual on Friday afternoon we were all greeted by a welcome drink which was followed by the presentation of the newborns in the Ismer household as well as the stallions and mares in the breeding program. The following day opened with EUROPEAN SHOW and in the afternoon the first classes of INTERNATIONAL B. Sunday morning concluded the classes and in the very early afternoon, before bad weather caught up with us, the championships of both shows were concluded. This is a family show, where the friendly atmosphere can be felt just by walking among the tables and around the ring. Everyone at this event takes home something to remember.

I will leave you to what is the purpose of each competition, which is to win the medals, and those for the EUROPEAN SHOW were won by the horses here below.

But first I want to make a special thank you, of course to the Ismer family who organized and hosted us all with love, and to Mrs. Yvonne Habermann who has been managing the details of our stay, and of course to all the staff at Tierpark zoo.

Thank you.
